July 14, 2023

Dear Member of the Class of 2027,

It is my privilege to welcome you to Moline High School. We are extremely excited about the various talents and skills that your class brings to our educational community. The Class of 2027 will have opportunities few other high school classes have been able to experience. To provide you and your parents with the necessary information to get you off to the right start, we request you to attend the following MHS event.

Please note that there are two dates for Freshman First Day this year.

Students with the last name that begins with: **A-L - Tuesday, August 22nd**
M-Z - Wednesday, August 23rd

Students are asked to report to the “M" located at the main entrance of the building. The students will be escorted to the East Gym for a kick-off program and will eventually break into small groups for various activities. Since you will be moving around to different parts of the building, please do not bring school supplies or book bags, and wear comfortable shoes. Chromebooks will be distributed on this day. The program will conclude at 12:00 p.m. Parents are advised to pick up their students at noon in the west parking lot.

Finally, Moline High School invites all parents and students to meet teachers and familiarize themselves with the building and course expectations at our annual Open House**.** Staff will be available from 6:30 p.m. – 8:00 p.m. on Thursday, August 24th to meet parents and students and to provide a course overview. We hope you will make plans to attend.

The 2023-2024 school year is filled with tremendous potential and promise. Your participation and efforts are needed to make this a fun and fulfilling experience. Please feel free to contact me at 743-8802 or cmoore@molineschools.org if additional information is needed.

Sincerely,

Christopher Moore
Principal
Moline High School
