Please label all items.

Students need gym shoes for PE. The shoes need to be clean on the soles and non-marking. It is recommended they have shoes just for gym use, but it is not required. That means they may wear their everyday gym shoes in class as long as they are clean. The gym teacher has a system set up so students may clean their shoes if the shoes don't pass inspection. If PE is outside, they may wear other shoes. Students may not participate in gym activities if wearing flip flops.
