## FROM THE PRINCIPAL **BOB ROWE**

Dear Alumni, Parents, and Friends of Covington Catholic High School,

As I reflect on this past academic year at Covington Catholic, I feel pride for the accomplishments we have achieved together through hard work from our students, faculty, and staff. As I look forward to the coming year, I have great enthusiasm for the strength and positive trajectory of our school.

First and foremost, I want to commend our exceptional senior class for their remarkable achievements this year. Their commitment to excellence, leadership, and relentless pursuit of knowledge have brought immense pride and honor to our school community. Notable accomplishments from the Class of 2023 include:

- A collective 9,396 hours of service over their four years, showing their commitment to giving back to the community (which include several Covid years).
- Over \$15,000,000 earned in merit scholarships.
- Three students were named National Merit Scholars.
- Twelve students were asked to participate in the Governors Scholars Program including six Governor's School for the Arts, four Governor's Scholars Program and two Governor's School for Entrepreneurs.

I truly feel that Covington Catholic is as strong as it has ever been, and it is evident that our school continues to move in the right direction. Over this past year, we implemented our new strategic plan by improving communications, operating procedures, and maintaining our focus on the four pillars of developing students spiritually, academically, physically, and socially. Our school board was strengthened by developing subcommittees devoted to specialty areas like spirituality, school safety, academic success, finance and more, making great strides in their respective areas. We also completed our accreditation audit reaffirming that Covington Catholic exceeds the standard and implements growth beyond requirements.

Looking ahead, we are building upon our already successful academic support program to reach all students at their level and challenge them to do more. Our incoming class of freshmen has over 140 students, our largest incoming class in nearly a decade. Our athletic teams are reloading with strong athletes and leaders. Our new House Leaders campaigned on promises of greater inclusion, more fun and continued focus to build the CCH Brotherhood. The 2023/24 school year will be yet another successful year of accomplishments and growth.

In conclusion, I am immensely proud of the accomplishments of our senior class and the entire school community. I extend my heartfelt gratitude to all students, parents, faculty, and staff for their unwavering support and dedication to our school's mission.

Here's to another year of success and continued progress!

God's Blessings,

Bob Rowe

# CCH'S SRO LOOKS OUT FOR EVERYONE

Safety at CCH has always been a top priority and unfortunately, over the years, the concerns for students' safety have only increased. Several years ago, Mr. Bob Rowe, principal at Covington Catholic, and the administration examined the disquieting issues afflicting our country and knew that changes were needed. They decided to hire a full-time School Resource Officer (SRO). "We wanted on-site law enforcement to lead preventative measures and to be on hand in the event of a more serious situation," said Mr. Rowe.

The hiring committee found CCH grad, previous CCH football coach, and retired Covington Police officer, Ted Edgington. "I knew Ted Edgington from when he coached football here. He showed a passion and desire to grow the players as upstanding athletes and men in the community. With 20 years of experience as a police officer, we knew he would be the perfect fit for the job," said Mr. Rowe regarding the decision to hire Officer Edgington.

Since Officer Edgington's arrival, new policies, procedures, and equipment have been put in place. While no one likes to think about active shooter situations, training to prevent these shootings has been known

to save lives. CCH completes these trainings with faculty and students on a yearly basis. Officer Edgington also obtained grant money to outfit each classroom with first aid kits to provide aid until proper medical attention can be administered. He has worked to acquire large concrete flower boxes located in front of the school and gym entrances to form a blockade preventing intentional or unintentional drive throughs.

In his four years on staff, Office Edgington has become an integral component to the lifeblood of CCH. He is the first one on campus each morning to move cones that direct traffic preventing accidents and speeding. He greets students at the entrance with a smile as they begin their day. Often, he can be found at sporting events directing traffic, keeping a watchful eye, and of course cheering for the home team.

Officer Edgington is always vigilant and looking out for the safety of our students. He gets to know students personally and it is often his keen eye and big heart that lead him to identifying students in need of a trustworthy adult. This past Christmas, Officer Edgington organized a collection from the faculty to help provide Christmas (meals and gifts) to several students whose families could not otherwise afford the same luxuries. A job not necessarily associated with an SRO, but one that Officer Edgington would not allow to go undone.

"Ted Edgington has been a tremendous asset to our staff and our students. His experience and knowledge have been invaluable as we have continued to enhance the safety of our campus. More importantly, Ted is not only here to keep our students, faculty, and staff safe, but he has also built a rapport with everyone in our building and has become an integral part of our school," continued Mr. Rowe.

Thank you Officer Edgington and all first responders, for all you do to keep our students and our community safe! He is truly a Colonel for Life, with a Spirit That Will Not Die!

## Spring Sports Recaps

**TENNIS** - On Thursday June 1st, the Colonel Tennis team secured their first KHSAA team championship in school history, winning in dramatic fashion. The overall team state championship came down to the doubles final vs. Greenwood. In that, whomever won would not only win the doubles title, but the overall team championship. The Colonels double team, consisting of sophomores Alex Yeager and Kalei Christensen, lost the first set 6-2 and were down 5-1 in the second set, before a miraculous comeback that epitomized the Colonel motto of "With A Spirit That Will Not Die". Alex and Kalei would go on to win 6 straight games to win the second set 7-5, and advance to a third set super tiebreaker which they won 10-7.

Longtime teacher and coach, Al Hertsenberg, in his 33rd year leading the Tennis program, stated, "We've been runner-up three times, I kept saying, 'We keep knocking on the door and eventually it'll open'... It was a big day for Covington Catholic."

On the singles side, Brady Hussey advanced to the state semifinals. Hussey showed tremendous grit and toughness throughout his journey through the tournament.

This season was the Tennis program's 21st regional title in a row. In addition, they won the team sectionals championship.

**LACROSSE** - The 2023 Lacrosse Colonels finished with a record of 11-9 for the season after battling against some of the top competition in the state. The Offense was led by Senior Jack Harris who finished the season with 75 goals which gave him 136 Goals and 184 Points for his career making him the career leader in both categories. Senior Mason Sweeney finished his career with 182 Career Points putting him in 2nd place for that category. Trevor Schumacher led the defense in takeaways with 64 making him tied for 1st in the state, and Ethan Lindbloom led the defense with 78 ground balls

on the season. The future is bright with upcoming players for the Lacrosse Colonels after a 3rd place finish in the Scott County JV Invitational that was played on May 13th.

**BASEBALL** - The Colonel Baseball team finished the season with a 23-10 record, which included a 35th District championship with a 7-4 win over Beechwood. The Colonels were led by seniors

Jonathan Fitz, Max Lawrie, Tyler Rennekamp and Chris Young. Fitz finished the season with a .511 batting average, with 5 HRs, 34 RBIs, 47 H and 30 BBs. He has signed with the University of San Diego. Lawrie, one of many multi-sport athletes in the program, batted .386. Chris Young pitched in 14 games, finishing with a 6-3 record and a 1.82 ERA.

One of the highlights of the season was getting the opportunity to play at Great American Ballpark for another time. The players, coaches and support staff enjoyed this great experience, as the Colonels got to enjoy the same dugout as some of their Reds heroes (and former Colonel Luke Maile).

**Spring Sports Recaps continued**

**TRACK** - The Colonel track team had an impressive performance in the always competitive 3A State Track Meet, bringing home championships in two events. The 4 x 800 relay team won in a time of 7:52.14, establishing a new school record and nearly beating the state meet record. Their time was 8 seconds faster than second place finisher Conner. The state winning relay team consisted of Mitchel Drees, Joe Mayer, Will Sheets and Luke Meagher, with Cooper Hodge and Michael Zechella as alternates who helped qualify for the state meet. A near disaster took place going into the final lap as one of the judges nearly stepped in front of Luke Meagher in lane 1. Meagher avoided catastrophe, stayed composed and finished the final lap strong as the Colonels immediately began their celebration. Each of the relay team members and alternates will receive state championship rings in the Fall.

Later in the day, sophomore Will Sheets brought home another state championship in the 3200, with

a winning time of 9:16.81, the fastest of any time throughout all three classes. This was Will's third state championship of the school year, after winning the 3A Cross Country title in the Fall, and as a member of the 4 X 800 relay team earlier in the day. We are certainly excited what the future holds for Will over the next two years at CCH! Congratulations to Coach Mosher and the track coaching staff for a job well done!

# CCH BOOSTERS

Wow, how fast time goes. I have been on the Boosters Executive Board for over seven years and had the privilege of serving as its President for the past two years. While I will remain on the Board, my time as President has come to an end. I truly feel blessed to have been able to work with such an incredible group of people. These folks work tirelessly behind the scenes without any expectation of thanks or recognition.

We worked through the end of COVID and brought back all our events including BACK THE BLUE, the GOLF OUTING, HALL OF FAME and most recently the SPORTSFEST/STAG. I am always blown away by the dedication and amount of time and energy given by so many in support of this community. Special recognition goes to our Athletic, Alumni and Development departments led by Tony Bacigalupo, Alex Ammerman, Tara Leen and Christa Ellison. Kara Disibio continues to work countless hours on the Back the Blue. On top of that we have a dedicated group of individuals who show up every Thursday to ensure the success of our Bingo and a crew that works concessions at all of the home games.

All of these efforts have allowed the Boosters to support not only the athletic department but also the school as a whole by contributing to the building fund and supporting the various departments when requested. **Its our desire to see that every young man who walks the halls of CCH understands that he is a part of something bigger than himself. He has to understand that there are those around him whose names he may never know but he feels their support. That is what the Boosters is all about.**

As Eric Severson takes over as president, I look forward to seeing the continued success of the Boosters under his leadership. I know that he will continue to lead with the *spirit that will not die!*

**BASS FISHING** - The fishing team had a very successful season with several top 20 finishes throughout the spring. The team had 6 boats competing in the KHSAA regional tournament on Lake Cumberland. Joe Bezold and Brandon Smith finished in 3rd place with 12 pounds 14 ounces and Andrew Worrall and Phoenix Parks finished in 13th place with 10 pounds, 6 ounces. For the first time, multiple CovCath boats qualified for the KHSAA State tournament. At the two-day State tournament on Kentucky Lake Andrew Worrall and Phoenix Parks finished in 18th place with a total of 18 pounds 3 ounces. Overall, this was the best season yet for the fishing team, with high hopes heading into next season!

## Winter Sports Recaps

**ARCHERY** - The Archery program saw many improvements in scoring over the course of the 2022-2023 season. Senior Ben Daniels led all archers in scoring average with a 268. Though the team graduated three seniors, it will look to a wealth of experience from the senior class to be in the 2023-2024 season.

**SWIMMING AND DIVING** - The Aqua Colonels continued their success in the pool during the 2022-2023 season, claiming 3rd at KHSAA Region 4 Championship. Led by performances from Senior Nick Smith (Region runner-up & State Finalist) and Junior Jake Larkin (Region Champion & State Finalist), the team continues to build upon their successes, eyeing seasons to come. The team, now teaming with young talent, is eager to reclaim regional success.

**WRESTLING** - The Wrestling program finished 25th overall in the state as a team. Junior Willie Rodriguez finished 5th at state in the Heavyweight class. Keegan Bishop, Aidan Dierker, and Harrison Smith each qualified for state.

**BASKETBALL** - The Colonel Basketball team finished with a record of 27-4, which included a 35th district championship. Highlights of the season included a trip to Ocala, FL where the Colonels took on multiple D1 signees in the Kingdom of the Sun tournament and defeated Ohio power Pickerington Central. The Colonels

were led by all-state guard Evan Ipsaro, who was a finalist for Mr. Basketball. Ipsaro averaged 25ppg and will be attending Miami University on an athletic scholarship. The Colonels also graduate Colin Detzel, Trevor Fryman, Parker Greis, Aiden Jones, Ayden Link, Kascyl McGillis, Wynn Tranter as well as managers Brian Cheek and Andrew Nader.

# 2023 NORTHERN KENTUCKIANS OF THE YEAR

May 12th was a special day as we celebrated the 2023 Northern Kentuckians of the Year, Ken '63 and Kate Williams and the Kenny & Brian Williams Fund. Nearly 600 attendees heard first-hand the impact that the Kenny & Brian Williams Fund has had on Covington Catholic students and the Northern Kentucky community. Over the last twenty-plus years the fund has contributed over \$100,000 to families around the Northern Kentucky region who have experienced tragedy. In addition, they have provided tuition relief of nearly \$600,000 to students at Covington Catholic as well as awarded over \$100,000 in scholarships

to graduating seniors to use for college. Covington Catholic could not be more grateful to Ken and Kate and the Williams family for their generosity, service, and legacy "With A Spirit That Will Not Die!"

For the 2022-23 school year 93 students were awarded \$470,000 in financial aid. This luncheon, along with the annual appeal and scholarship program provides vital support for Covington Catholic's work study program making it possible for students from around the region to attend Covington Catholic.
