LIVING OUR MISSION

Every day at Covington Catholic, administration, students, faculty and staff live the mission of CCH; to embrace the Gospel message of Jesus Christ and educate young men spiritually, academically, socially and physically. Students graduate Covington Catholic as well-rounded young men having participated in a myriad of service opportunities, clubs, athletics and strong academic programs unavailable anywhere else in Northern Kentucky. Below are just a few of the accomplishments from the last six months that exemplify how we live out our mission.

Educating Spiritually:

- 3,920 service hours have been completed at a variety of agencies across the community since the start of the school year.
- Weekly Mass is offered on Friday's before school and has become a packed house with nearly 100 students, faculty and staff.
- The Marian Sodality Club has grown in participation this year with 80-100 students attending. Freshmen are led by juniors who give witness to their faith followed by group discussions.
- Sports and Adoration events, led by Fr. Hennigen and Ashley Marshall, have grown in attendance and average 70 students from CCH, NDA, St. Henry, Villa, homeschools and more.

Educating Academically:

- Three students have been recognized as National Merit Semi-finalists and an additional 3 as National Merit Commended students.
- The Robotics team, who took first in State and Nationals and came in 2nd in worlds in 2022, was recognized by the Chamber of Commerce for bringing positive attention to the region.
- We hired TorchPrep for a full day of ACT prep for our juniors and brought in Ms. Tewes who taught a week-long "Study Skills Boot Camp" for all freshmen and sophomores as well as exam prep to freshmen.
- Plans are underway to introduce a new Academic Success program in the 23/24 school year to reach all students at all levels providing additional resources and tools to be successful.

Educating Socially:

- The Boosters hosted our first "Freshman Night" for students and families to get to know each other while attending a football/soccer home double header.
- Students from Spain lived with CCH families and attended CCH for four weeks sharing their culture and experiencing ours.
- Students have participated in a variety of events through the House System including the food drive, House Games, praying the Rosary together, mentor sessions, ultimate frisbee, desk ping pong and more.

Educating Physically:

- There were exciting seasons from all of our teams with personal and team achievements across the board. See "Athletics" for team updates.
- Freshman PE classes have been taking advantage of the new Fieldhouse and complete workouts each week facilitated by Strength and Conditioning Coach Atallah.

In closing, we began an extensive self-study in preparation for our accreditation in the spring of 2023. We are proud of our Catholic identity and the academic and campus enhancements we have made over the past few years. We also realize that there are areas in which we can always grow, and this will help us advance in other ways as we continue to enhance the CCH experience. My pride in CovCath comes from working with our wonderful team of teachers, coaches, and staff all of whom are living our mission of building men of faith and character.

Wishing you a Merry Christmas and many blessings in the New Year!

Bob Rowe

CCH FIELDHOUSE

PURPOSE

In August of 2022, Covington Catholic held the dedication of the newly renovated fieldhouse adjacent to the Gardens of Park Hills. This facility houses over 11,000 square feet of strength training equipment, weight room, technology integration and nearly 45 yards of turf. "Every detail was well thought out," says full-time strength and conditioning coach, Adam Atallah. "The vision was to create a space, safe from inclement weather, equipped for all sports and to be used by the entire student body." Freshman PE classes train once a week with Coach Attallah, learning how to use the equipment and the importance of exercise. All athletic teams also train with Coach Attallah who designs specific programs for each sport and coordinates schedules. Additionally, our youth football teams and summer camps have utilized this new space and equipment.

DESIGN

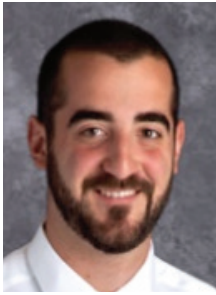

Upon entering the facility, visitors are in awe with their first glimpse at the state-of-the-art equipment and massive indoor turf. And while that first glimpse is impressive, it does not tell the whole story. Nothing was overlooked. When you see the 45-yard turfed field, you might not realize that outdoor turf was used so that regular cleats can be worn, and athletes do not need a second pair of shoes. From the turf to the safety railing to the technology, the Colonel athletes have the resources needed to train at the next level.

THANKFUL TO MANY

Completing this facility would not have been possible without the help of many. CCH alum, Chuck McHale '84, approached Principal Rowe in 2018 about purchasing the facility. Once the facility was in hand, CCH staff and supporters went to work to obtain the funds for the renovation. Our Advancement department led by Mrs. Tara Leen, researched and applied for funding from the Cincinnati Bengals. "We were ecstatic to receive the donation of \$167,000 knowing our goal was now attainable," said Principal Rowe. Additional funding came in from several generous private donors to help complete the project. Athletic Director, Tony Bacigalupo, led the project and our own staff worked to remove large 20ft mirrors, paint walls and level floors. For Day 1 of winter conditioning, our football team moved the weight training equipment from the Schott Center to the fieldhouse. Many CCH alumni contractors supported the renovation efforts. This was truly a team effort to make this dream a reality.

REUNION NEWS

Ten different class reunions were held on campus throughout the Fall with two more reunions coming up this winter.

1962

1970

1967

The Class of 1967 gathered on October 21st at CCH. They had over 40 graduates in attendance and enjoyed the CCH vs Conner football game as well as a night of reminiscing over their time as Colonels. Thanks to Gary Menne for his help in planning the reunion.

2002

The Class of 2002 got together on September 16th to celebrate their 20-year reunion from CCH. They played golf during the day and ended the night at school watching CCH play Beechwood in football. Thanks to Matt Finke in helping plan the reunion.

1972

1987

2007

2012

2017

On October 14th, the CCH Class of 2017 celebrated their 5-year reunion! The class got to watch CCH play football against Highlands and then gathered in the Alumni Center following the game. Special thanks to Alex Shelton for his help planning the reunion.

2022

The most recent graduating class from CCH celebrated their annual Yearbook Lunch at school on November 23rd. We had over 70 graduates in attendance and enjoyed a great Guthrie's lunch thanks to Bill Aseere ('00).

WHAT'S HAPPENING

1961

For the past 83 years the Biedenharn family (**Jerry '61 and Jon '98**) have donated their time and efforts to building and maintaining a live Crib of the Nativity. The family started in 1939 and every year, in either Lytle Place, Union Terminal, and now Krohn Conservatory at Eden Park the Crib can be visited.

1985

Steve Flesch won for the second time this year on the PGA Champions Tour! He finished at (-11) with a birdie on the final hole at Pebble Beach to win by 1 stroke in the PURE Insurance Championship.

1986

Congratulations to Kenton County Public Library Executive Director **Dave Schroeder** who was honored with the NKY Community Award, sponsored by First National Bank of Kentucky. Serving in this role since 2007, Dave has encouraged countless people to discover a love of reading and has helped connect those of all ages to educational and workforce resources in the community.

2000

Brett Dietz is the head football coach at DePauw University and was named the North Coast Athletic Conference Coach of the Year for the second year in a row. Congratulations Brett!

2002

A significant event for Covington Catholic alumni **Sean Ryan** occurred on Friday, August 26th when he received his merit-based promotion to Lieutenant Colonel (LTC) in the US Army. Merit-based promotions are reserved for an incredibly small percentage of top tier performers across the entire Army. In Sean's case, he was promoted to LTC a full two years before the large majority of his peers will be promoted. Surrounded by friends and family, Sean was promoted in a ceremony conducted at the World War II memorial in Washington DC.

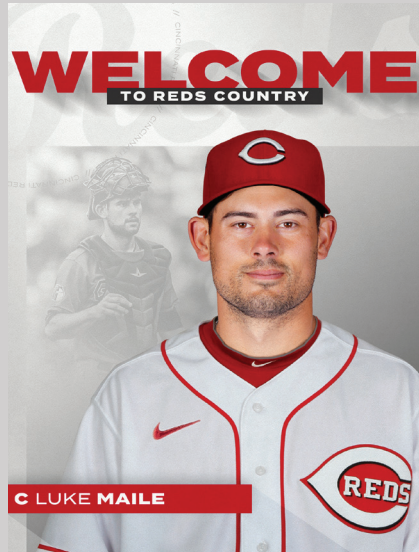

1971

This past summer five alumni traveled to Benton, KY to rebuild a barn which was destroyed by a tornado. This was done for one of the farmers that was also a retired teacher in Marshall County, KY. The alumni were a part of a 17 man all volunteer team associated with the Mustard Seed organization that brings Christ to those in need in Kentucky and Jamaica. Pictured from L to R: **Steve Averdick '68, Mike Hebbeler '71, Gary Noll '65, Jim Maifeld '70, Dr. Jerry Lee '70**

2009

Andrew Armor was recently assigned to the 961st Airborne Air Control Squadron at Kadena Air Base in Okinawa, Japan where he led "Shogun Spark Cell", the 18th Wing Innovations Laboratory, developing solutions and partnerships to improve mission sustainability in the Indo-Pacific theater.

2009

Luke Maile just recently signed a 1 year contract with the Cincinnati Reds! Luke is entering his 8th season in the MLB and will be the second ever CCH alum to wear a Reds' uniform (Dan Neville '59). Congrats and welcome home Luke!

2017

Griffin Flesch caddied for Fred Couples in the SAS Championship on the PGA Champions Tour. Fred won the tournament and in the final round he shot a career low round of 60(!!!) with 12 birdies in his last 14 holes with Griffin on the bag! Congrats Griffin!

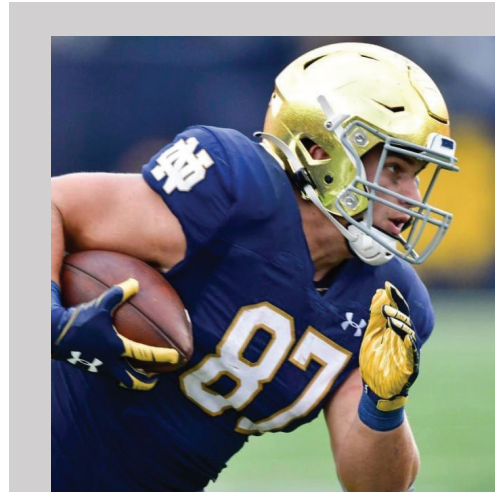

2021

Congratulations to **Rowan Brauer** who has been accepted into Navy Seal school and shipped out for the Navy on December 5th. Please keep him and all of our military alumni in your prayers.

2022

Eli Nally is currently a freshman at the University of Alabama and is a manager for the football team.

2020

Congratulations to **Michael Mayer** on a terrific junior football season for Notre Dame. Michael carried the Irish throughout the season, leading them with 67 receptions, 809 yards receiving and 9 touchdowns. In the storied tradition of Notre Dame, particularly at the Tight End position, Michael established the all-time receiving yardage and touchdown records.

Colonel Club

Join the CCH "Colonel Club" today and receive a custom CCH logo Woodford Reserve bottle! The membership fee is \$100, and all proceeds will go to the Alumni Association. This is the perfect limited-edition bottle for alumni, friends, and supporters of Covington Catholic! Must be over 21 to order and join the club and bottles can be picked up from school. Contact Alex Ammerman, aammerman@covcath.org, with any questions!

Grotto Brick

What better way to honor a CCH graduate or memorialize a loved one than with a Legacy Brick. Bricks are placed in the pathway from the Schott Sports Center to the Grotto. Bricks are \$100 each and all proceeds go to tuition assistance. For more information, contact the Advancement Office at (859) 448-2269 or alumni@covcath.org.

MEMORIAL MASS

We would like to thank all of those who attended and/or contributed to the annual Mass of the Faithful Departed on October 27th. This Memorial Mass is a time to remember and pray for our brothers who walked the halls of Covington Catholic, sang the same fight song and participated in many of the same traditions we do today. They are and forever will be Colonels "With A Spirit That Will Not Die". Please know that all deceased alumni and their families will continue to be in our thoughts and our prayers here at Covington Catholic.

Thank you for these donations made to the Memorial Mass:

Richard Rensing, father of Doug '86, Jeff '91 and Mark '97; grandfather of Drew '14 and Mitchell '15; and Tyler Rennekamp '23

Evelyn Ruh, mother of Mike '86 and Dan '89

Janice Schrand, mother of Tim '85; grandmother of Jake '13, Ben '17 and Max '17; and Vaughn Ditrick '25

Shirley Schulte, mother of Ken '76

James Schwartz, father of James '85 and Dan '98; grandfather of Wyatt '20

William Sheets, grandfather of Will '25

Joseph Steffen, father of Jack '70, Jay '72 and Jeff '73; grandfather of Jeremy '97 and Adam '14; Steffen '00 and Nathan '03 Hanser; great-grandfather of Tyler '23 and Andrew '26

Thomas Sutter, father of Tom '73, Tim '74 and Steve '76; grandfather of Eric '02

Louis Trauth, III, father of *Louis '88 and Greg '90

Mary Wehrman, mother of Barry '79, Phil '80 and Eric '87; grandmother of Sam '13, Tyler '15 and Josh '19; Nick '14 and Luke '17 Lonnemann

Mary Wigger, sister of Ralph '81, Jerry '84 and Brian '86

ALUMNI GOLF OUTING

The 40th annual Covington Catholic High School Jerry Collins Memorial Golf Outing Sponsored by Bilz Insurance was held on Friday, September 2nd at Kenton County Golf Course. We had another great day of competition and fellowship while supporting the CCH Boosters and tuition assistance. Congratulations to our winners and please save the date for next year's outing Friday, September 1st.

Lasting Memories

Several students from Spain visited CCH for the month of September. They lived with host families while attending school at CCH and participating in social events. Students from both countries were able to learn more about each other's cultures and create lasting memories together.

Tie Lesson

Coach Ledonne helped our freshman learn to tie a tie as these new students prepared for their first all-school Mass.. The tie, white button down and khaki uniform is a tradition that dates back to the original dress code. On August 26th, all students and faculty walked to St. Agnes to enjoy Mass celebrated by Bishop Iffert.

Robotics Award

Covington Catholic's US Champion Robotics team was honored by the Chamber of Commerce as the recipients of the ImageMaker Award. This award was presented by Mr. Matt Hollenkamp of St. Elizabeth for bringing positive attention to NKY through their achievements both nationally and globally.

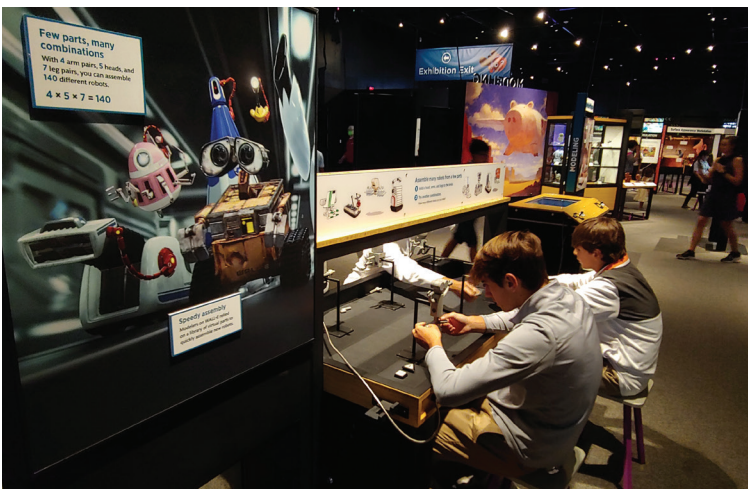

PLTW

Principal Rowe was honored for earning the Outstanding Administrator Award from Project Lead the Way (PLTW). He is one of just 11 administrators in the US to receive this honor. PLTW is a nonprofit organization and leader in educational STEM programs that provides a transformative learning experience for K-12 students and teachers across the U.S. More than 12,400 elementary, middle, and high schools in all 50 states and the District of Columbia offer PLTW programs.

Retreats

Christian Awakening Retreats are back and several of our seniors participated in August. The remaining seniors will complete their retreats in early 2023. A big thank you to the teachers and alumni who lead these events. We pray the spirit of the retreat continues on in each of you!

Field Trips

Several field trips occurred to broaden the students' interest and knowledge including Gateway's Manufacturing Day where students participated in hands-on activities, met with local manufacturers and learned about the program. Mr. Cleveland's Animation Class visited the Cincinnati Museum Center to see the Pixar Animation Exhibit and were guided by museum employee, Mrs. Jill Berkemeyer, who doubles as the mom of one of our students, for an excellent experience!

Matt Voet

Nathan Resing

Art Invitational

CovCath art students earned 1st and 3rd place in the Connie O'Donnell Student Art Invitational. Congrats to Matthew Voet for his 1st place win and Nathan Resing for 3rd place. Matthew Voet received a prize of \$250 for his 1st Place award. Covington Catholic will receive a check for \$500 to be used by the Art Dept. All prizes are subsidized by the Connie O'Donnell Student Art Invitational Fund.

Wyoming

This summer over 120 Colonels traveled out west to participate in the Wyoming Retreats. Throughout the week-long trip the students participated in retreat activities that grew their relationship with God as well as their classmates. They were also able to go on multiple hikes, check out Yellowstone National Park and go horseback riding. These trips date back to 2005 and are always one of the student's favorite aspects of their high school experience at CCH.

House Challenge

As a challenge within the House System and in competition with NDA and St. Henry, students brought in cans to donate to BeConcerned. A new tradition started with the Chaminade House who hosted and cooked their own breakfast to drive participation. Colonels brought in thousands of cans and finished second overall behind NDA.

Braveheart Night

The annual football game against Beechwood was a sight to see! The Colonels brought home a huge win and were supported by thousands of fans. As tradition, this game marks Braveheart night where the student body was led in by bagpipes and was dressed in kilts and body paint.

Colonels for Christ Club

The Colonels for Christ Club took 26 sophomores and 12 junior and senior leaders on a camping retreat at Versailles State Park in early November. Students enjoyed the outdoors, celebrated Mass with Fr. Hennigen and grew in their relationships with friends and God.

Service

Six students, who earned their "Letters" for service, were honored for completing over 40 hours in a year for at least 6 different agencies. This group of 6 combined for 500.25 hours in the 2021-22 school year. Congrats Colin Esmeier, Nick Prospero, Brent Young (2nd time receiving the award), Ty Schwalbach, Michael Zechella (2nd time receiving the award), and Andrew Von Lehman.

Congratulations

Congratulations to seniors John (Jack) Harris, Nick Prospero, and Alex Williams on being named National Merit Semifinalists. They are now among a nationwide pool of semifinalists who represent less than one percent of high school seniors in the U.S. and are now eligible for scholarships. Additionally, three students, Dominic Gates, Maxwell Gerwe and Matthew Voet were named National Merit Commended Students.

PARENTS CLUB

The Parents Club provides a way for parents to be involved in the high school life of our sons here at CCH. Parents Club activities and events support the teachers and staff of CCH in providing a quality education and promoting spiritual growth within our sons. In addition, The Parents Club nurtures a safe learning environment in and out of the classroom while providing a network for parents to meet and establish a community of involved parents and positive adult role models. Interested in helping with the Parents Club? Please contact Courtney Schreiber at collinsck@hotmail.com or Cathy VonLehman at cvonlehman@yahoo.com.

TONY BACIGALUPO
ATHLETIC DIRECTOR

Email: tbacigalupo@covcath.org
Phone: 859-448-2266

ATHLETIC SIGNINGS – On November 9th, we celebrated the Division 1 early signing period ceremonies for Jonathan Fitz and Evan Ipsaro. Fitz signed to play baseball with the University of San Diego Toreros and Ipsaro to play basketball with the Miami University Redhawks. Congratulations to both of them and their families. We are looking forward to exciting senior seasons for each.

SCOTT MURRER (BOOSTERS)

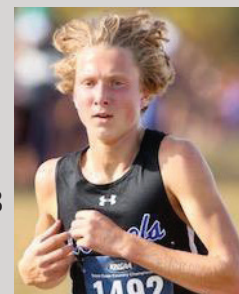

We are deeply saddened by the unexpected passing on Thanksgiving morning of longtime booster, Mr. Scott Murrer. Scott generously gave of his time, talent and treasure in many capacities for CCH. He was a current member of the CCH Boosters and volunteered each week at Bingo. Longtime bingo caller Steve Kaplan described Scott best when he stated, "Scott is the salt of the earth." Scott was a graduate of St. Xavier (OH) High School and Harvard University, but he had a deep love and passion for CCH as all 4 sons (Sam '15, Mannie '19, Jose '19 and Ago '21) were all proud Colonels. Scott will be deeply missed, and we will continue to pray for his wife Cherie (current CCH school board member) and their four boys. To donate to the Scott Murrer Scholarship Fund, visit covcath.org/memorial.

FALL SPORTS UPDATE – The Fall athletics teams all enjoyed a great level of success to start the 2022-2023 school year. The Cross Country team finished 3rd in Class 3A, while winning the Diocesan meet, and finishing runners-up in both the region and NKAC to eventual state champion, Conner. In Soccer, the Colonels finished regional runner-up after knocking off tournament favorite Dixie Heights in the regional semifinals. The Football team finished 9-3, losing in the 2nd round of the playoffs to Frederick Douglass, the overall number one ranked team in the state. The season was highlighted with wins over eventual state finalists Beechwood and Pikeville. The Football Colonels were ranked in the top 5 of Class 5A for the majority of the season. In golf, the Colonels finished regional runner-up and were the NKAC champions.

WILL SHEETS STATE CHAMPION

On October 29th, sophomore Will Sheets became the first cross country runner in school history to win an individual state championship. Will's time of 15:28 was a course record and helped put the Colonels into a third place finish in the 3A large school division. Will's state time established a school record. In addition, Will won the Diocesan Championship and finished runner-up in the 3A regional.

BASEBALL FIELD UPDATE – We are proud to announce that the turf infield has been installed at the stadium. The Colonels have enjoyed some nice weather recently and have enjoyed some Fall ball. In addition, new stands were installed behind home plate, including 75 blue chairback, foldable seats. Last, the wall behind home plate was painted royal blue by Gary Louderback. A big thank you to John Michels and the entire Michels Co. who generously completed much of the grading, drainage, and preparation work for this project.

CYF UPDATE – Congratulations to our youth football teams with the most successful season yet! With 259 athletes, 42 coaches, and 8 teams we finished with 3 Championship titles, 2 runner up titles, and an overall record of 52-24. The future is certainly bright for the Colonel Football program, and were excited to see these future Colonels develop. A big thank you to CYF Coordinator Bob Morris (Mr. Everything at CCH), and his excellent coaching staff for a wonderful season. We appreciate your time and dedication in developing and leading our future Colonels.

WINTER PREVIEW – We are excited about the winter sports season, as all look to be very competitive at the regional and state level. The bowling program, led by Gary Wagner, have begun the season with a 5-0 record. The wrestling program looks to continue to grow on their recent success, with Willie Rodriguez looking to defend his regional title. Longtime teacher Nick Hovan has taken over as Archery coach and senior Ben Daniels looks to lead the Archers. Coach Rob Newman looks to have a successful winter in the pool with the swimming and diving program. Last, the basketball team returns numerous starters, including Miami (OH) commit Evan Ipsaro. We are expecting multiple home sellouts throughout the season with home contests against state powers Great Crossing, North Laurel and Madison Central, along with a full slate of traditional local rivals.

HALL OF FAME UPDATE – The 41st Annual CCH Athletic Hall of Fame Dinner and Induction will be held on January 18, 2023, at the Gardens of Park Hills. Congratulations to this year's inductees!

Inductee	CCH Class	Sport/Reason for Induction
Tony Barczak	1995	Coach/Contributor
Rob Bayer	1985	Boosters/Contributor
Ben Jager	2003	Track and Field
Michael Wilson	1988	Football/Basketball/ Baseball

In addition, Jimmy Roebker, Class of 2010, for Tennis, will also receive his formal induction after being unable to attend last year.

BOOSTERS – Thank you to all who supported Back the Blue! A special thanks to Kara Disibio who did an incredible job creating a fun and memorable event! The evening was a success bringing the community together and raising over \$65,000.

The Boosters raise funds through Back the Blue, concession sales, Thursday Night Bingo, and many other events. Help is always wanted and greatly appreciated for these events. The goal of the boosters is to support the school and to benefit the young men of Covington Catholic. Over the years, through the efforts of countless people, the Boosters have given literally millions of dollars for the betterment of CCH. In 2022, the Boosters supported renovations at the Fieldhouse, provided financial assistance to programs as requested by the administration and athletic department and more.

Paul Darpel, president of the Boosters, shared his appreciation by saying, "We cannot express how deep our gratitude is to those faithful folks who show up every week to work Bingo, those who man the concession stands and the gates at games and the hundreds of volunteers these events take every year. They are all true examples of the spirit that will not die."

COVINGTON CATHOLIC HIGH SCHOOL ENDOWMENT INFORMATION

Your endowed scholarship is an opportunity to keep Catholic education affordable with a gift that will continue to give to Covington Catholic High School students in your honor, in honor of a loved one, in honor of your class, or anonymously year after year.

How does it work?

- Covington Catholic receives permission from the Bishop of the Diocese of Covington to establish the scholarship
- Once approved, the gift amount is established, minimum of \$10,000.00 which can be pledged up to 5 years to initially fund the scholarship
- The scholarship agreement is drafted and signed by the donor and the CCH Principal
- Funds are invested with the Diocesan investment fund and are perpetual, principle is never touched, five percent of the fund is awarded to a student or students each year
- The scholarship is awarded the following school year after funded
- Student(s) must apply and qualify for financial aid and complete a scholarship application

SCHOLARSHIP BREAKFAST

Covington Catholic is blessed to have over 70 scholarships that allow young men from around the region the opportunity to experience all that Covington Catholic has to offer. Each year, the scholarship breakfast is held to show our gratitude to the many wonderful benefactors who have made this lasting gift, impacting students for years to come. The breakfast is also a great opportunity for donors and scholarship recipients to connect. We would like to thank all our scholarship donors and a special thanks to those who joined us for the breakfast. We also would like to thank the Parent's Club who are amazing hosts for this event and provide a delicious meal.

CHAMBER CHOIR IS HEADED TO CARNEGIE HALL!

The Covington Catholic Chamber Choir has been blessed with a unique opportunity to perform this coming March in the world-famous Carnegie Hall in New York City! Along with several other high schools and universities, the Chamber Choir will sing a series of famous choral selections with Dr. Jefferson Johnson from the University of Kentucky. It is a dream for many musicians to perform at Carnegie Hall, and we are thrilled to work with Manhattan Concert Productions to put together a truly memorable experience for our young singers. These students will also see a Broadway show and will help provide music for Mass in one of New York City's preeminent cathedrals.

We are asking the Covington Catholic community to help support the twenty-two members of the Chamber Choir with a gift to help cover expenses for this once-in-a-lifetime opportunity. Thank you for your generosity!

There are three ways to give.

THANKFUL TO OUR MOST LOYAL DONORS

Each year on the Tuesday before Thanksgiving, Covington Catholic holds their Consecutive Giver Mass and luncheon. Benefactors that have donated for 5 years or more consecutively to the Annual Appeal are invited to the luncheon. With 390 donors on the list, 5 donors topped the list by giving 38 consecutive years to the appeal! We are grateful for the Colonel community and these loyal donors who have helped to give the gift of Catholic education to young men around our region. To make your contribution to this year's annual appeal, please see the enclosed envelope.
