## Principal's Message

Hello Milford Families,  
This is Seth Buford, Principal of Milford High School with our last quarterly newsletter for the 2022-23 school year. As we wrap up this school year, we would like to congratulate all of our students for their successes this year. We ended this spring with an amazing concert and art show. Our student athletes had a phenomenal spring season, many earning winning records and a trip to the state tournament. We would like to congratulate our seniors on closing out a wonderful senior week full of activities which culminated with an amazing graduation. We wish them all the best on their next adventures. Final grades will be released on home access and final report cards will be mailed home on June 20th.
