

JANUARY 25, 2023 / MHS.MILFORDSCHOOLDISTRICT.ORG

Principal's Message

The first semester is almost complete and we are looking forward to the second semester! This year we had held a successful spirit week, homecoming football game, and our homecoming dance. October was College Application Month. Our senior school counselor met with our seniors to discuss FAFSA applications, common app accounts, Scholarships and college applications.

We would like to thank our athletes, their coaches, and the athletic department for the hard work and dedication this fall.

We have 52 students named to the Henlopen Academic All-Conference representing each of our fall sports.

Winter sports are in full swing, please be sure to check out our website for a full listing of events. We are proud to say that we currently have close to 480 students who made honor roll the first marking period and will plan to recognize our students who maintain honor roll for the first semester later this spring.

Great things are happening here at MHS! If you have any questions or need any assistance please don't hesitate to reach out to us.

Admin Assignments

9th grade- Ms. Hinton

10th grade- Mr. Diaz

11th Grade Ms. Coe

12th grade- Mr. Buford

Counseling Corner

As we wrap up the first semester, the School Counseling team would like to share some exciting things happening in the next couple of months:

- We will be meeting with all 8th through 11th grade students to review course schedules for the 2023-2024 School Year. The Course Catalog can be accessed on the Milford High School website if you would like to begin looking at course selections with your student.
- 9th Grade - \$tand By Me will visit all 9th grade Social Studies classes to present "College, Careers, and Cash". Ms. Crockett has been busy getting to know her students and working with them to identify interests and strengths.
- 10th Grade - All MHS Sophomores have been invited to participate in an in-person College visit this spring. Students are working with Ms. Showell to narrow down their pathway options and start discussing post secondary goals.
- 11th Grade - Mrs. Davis is beginning the crucial conversations that help students prepare for their lives after High School. Students have started weighing options for Dual Enrollment and Work Based Learning Opportunities for next year as well as looking at how they can maximize their academic experience.
- 12th Grade - Mrs. Llewellyn and the seniors have been very busy with college & scholarship applications, as well as career and trade program exploration.

The counseling department is here to support all of our students with their academic and social emotional needs. If you have concerns for your child in either area, please do not hesitate to reach out to their school counselor to discuss support options.

Upcoming Dates
