

Parking Lot Procedure and Pick Up

1. All drop-offs before school are to be made at the top of the student parking lot. Please do not block the entrance. This allows for continuous flow of bus traffic and student vehicles.
2. Students being picked up in the afternoon must be picked up at the softball/soccer complex by 3:20pm. Students are not allowed to be picked up in the teacher parking lot.
3. Parents may use the visitor parking spaces designated in the faculty parking lot during the day.
4. Occasionally, a parent may need to get his/her child's car during the day. Please check in with the office before entering the student parking lot during the school day.
5. For the safety of our students, please do not drop off or pick up on the highway.
6. Student parking permits are required on all student vehicles. Faculty will facilitate parking.

Thank you for your assistance and cooperation in making our parking and transportation areas safe and secure for all!

Rainy Day Procedures

On stormy days, students may be picked up at the Parent Pick-up location (soccer field) or in the student parking lot after 3:25. Students will wait in the glass hallway until they see their ride arrive.
