MESSAGE FROM THE GOVERNING BOARD

We would like to welcome all of the students and parents for what we expect to be another successful year. Our program is the result of many hours of hard work and high expectations. With the help of parents, students, faculty, and staff, working in partnership with each other, we believe that this program has no bounds and will continue to improve each year.

We appreciate the confidence that you have shown in the program by enrolling your children. We are dedicated to providing the best possible education experience for every child who attends our schools and to expand the program to meet the growing demand of the many parents who wish to participate in this type of program.

The policies outlined in this handbook were established by the Governing Board and fully align with Arizona Revised Statutes. Should a student attending BFHS ever warrant an expulsion or should a dispute arise, the Governing Board is the final authority in any and all decisions.

The Benjamin Franklin Charter School Governing Board

MESSAGE FROM THE PRINCIPAL

Welcome Back Chargers,

On behalf of the staff at Benjamin Franklin High School, I am happy to welcome you to a new school year! I look forward to a productive partnership with you to ensure your children can achieve their highest potential. The previous two years were challenging for everyone, but BFHS persisted, demonstrated notable gains and experienced many celebratory opportunities.

BFHS is a school rich in the tradition of excellence where children are the focus. I am very impressed with the professionalism and dedication of our staff, the parental support and the students' involvement in the many diverse opportunities here. I join in the partnership of all stakeholders involved in working together to ensure that our students experience success each and every day.

Whether it is through focusing on academics, student leadership, extra-curricular activities or volunteering, I challenge you, the students, to make the most of your school experience and to get actively involved in everything our school has to offer.

With each new school year come some changes with the goal to make Benjamin Franklin High School even better. What will never change, though, is the effort to create a welcoming environment which fosters the educational and social growth of the student body. We will strive to teach and provide students with the knowledge, skills, and mindset necessary to have a successful future. We will encourage and teach curiosity, problem-solving, and help to instill a life-long love of learning. Teaching our students to have a growth mindset and perseverance so they can learn to face challenges with confidence and perseverance is a priority.

I look forward to an outstanding year of watching your children flourish. Should you have any questions or concerns, please do not hesitate to contact me. My door is always open.

Sincerely,

John Allen

Principal

MISSION STATEMENT

The mission of Benjamin Franklin High School is to encourage students to be intellectually curious - akin to the namesake of our school. Through intensive study of the true, the good, and the beautiful, students develop to their academic and personal potential. Additionally, the school will train the heart of students according to universally accepted and eternal virtues – understanding that the best education is only valuable upon a moral foundation. Thus, our students walk with integrity and character, knowing what it is to be a thoughtful citizen in a democratic-republic and a positive force in their community.

VISION STATEMENT

Benjamin Franklin High School will provide to our students and for our parents rigorous, classical, college preparatory education delivered in a safe, nurturing environment. Students, teachers and staff will be held to the highest standards of professionalism, personal conduct and character, understanding that what we teach implicitly is as important as what we teach explicitly. Our students will receive a comprehensive, content-rich, integrated 7th-12th grade education whereby each grade builds upon previous learning, culminating in students that excel academically, artistically and philosophically and thus are prepared to enter a four-year university and life. Academic excellence and personal character are developed and refined through the creation of sound habits and the perseverance to complete difficult tasks. Problem-solving opportunities and responsibility will be given to students in order that graduates may reflect on their experiences and learn from their successes as well as failures. Parents should understand that a charter school specializes in one pedagogy or methodology and does not provide, by design, all that a district school offers.

HISTORY AND ORGANIZATION

Benjamin Franklin Charter School was one of Arizona's first charter schools. What is a charter school? A charter school is a public school that receives its operating authorization and funding from the State Board of Education, the State Board for Charter Schools, or any school district that chooses to charter a school under the charter school law passed in 1994. The "Charter" is a contract with the chartering body that allows a private entity to operate a "public" charter school in accordance with a specific program outlined in the charter.

Benjamin Franklin Charter School applied for and was granted its charter by the State Board for Charter Schools on June 12, 1995 for the Mesa campus, and became one of Arizona's first charter schools. The Crismon (Queen Creek) campus received its original charter from the Ganado Unified School District on May 13, 1996. A year later in May of 1997, Benjamin Franklin Charter School added the Gilbert campus.

Realizing the need to unite our program and staff, and promote excellence in education, the leadership of BFCS decided to consolidate the three campuses under the original charter, making the Arizona State Board for Charter Schools its sponsor for all sites.

In the fall of 2006, Benjamin Franklin Charter School added a fourth campus to the Franklin family with the opening of its Power (Queen Creek) campus. In 2013, BFCS opened our first ever High School, Benjamin Franklin High School, which was combined with the Jr. High grades (7-12). BFCS also built 2 brand new buildings in 2013 for our Gilbert and Crismon campuses to better serve our families and students.

In 2018, Benjamin Franklin Charter School converted to an Arizona nonprofit corporation. The transfer to a nonprofit corporation with a new Board of Directors allowed us to continue the tradition of

providing a superior education, while at the same time pursuing new resources now available to the nonprofit organization in order to better serve our students, teachers, and staff.

Our charter allows us to operate multiple campuses throughout the state to address current and future parent demand for the program. The decision to add grades and/or sites is governed by the availability of facilities, parent interest, and funding. We will continue to grow and accommodate student demand to the best of our abilities. On behalf of the parents and students who have had the opportunity to experience this program, we are grateful to the teachers, administrators, and staff who make the program possible.

The philosophy, curriculum, and strong parental involvement that define the Benjamin Franklin Charter Schools are based on many years of experience with similar programs that resulted from the "Back-to-Basics" movement during the 1970's. In the same spirit of parental involvement that gave birth to those earlier programs, Benjamin Franklin Charter Schools are the result of parents getting involved in their children's education by taking advantage of the new charter school law to form parent operated and governed schools.

WHAT WE ASK OF OUR PARENTS

- Demonstrate good character
- Help their child develop effective study skills and work habits
- Oversee their child's progress
- Encourage students by asking questions and discussing what they have learned on a regular basis
- Hold high expectations of student performance
- Support the school by getting children to school on time and ensuring they have the necessary supplies and books
- Understand the mission and philosophy of Benjamin Franklin High School

As a school of choice, we understand that parents are the most important influence in a child's education. We encourage frequent and open dialogue between home and school. This includes the ability to email or make appointments with teachers and administration as needed. Parents are expected to make appointments with teachers and administration in order to reconcile any questions or concerns.

Because BFHS is attended through parental choice, it is expected that parents will reserve and attend at least one tour and informational session to learn the scope of the education and expectations at BFHS. These informational sessions and tours of the school are offered via requests through the BFCS website. Parents understand that a charter school specializes in one educational methodology and pedagogy and does not provide, by design, all that a district school does. Since parents are voluntarily choosing BFHS it is expected that should the parent or student at any time feel that BFHS's program or environment is not appropriate for their child's educational goals, the parent may want to consider other educational options for the student.

THE BFHS PARENT BOOSTER COUNCIL

Close ties between home and school are essential to the effectiveness of BFHS. These ties are strengthened through the BFHS Parent Booster Council. The Parent Booster Council is a non-profit, 501(c)3 charitable corporation whose purpose is to support athletics, clubs and student organizations at Benjamin Franklin High School through fundraising and support of respective booster clubs and providing umbrella leadership and training for the same. Council members meet monthly and support the mission of BFHS. Respecting the Mission Statement of BFHS, we support the premise that

all students and programs should adhere to the highest ethical standards and that the purpose of competition is to enhance the educational experience of our students.

Morning Drop-off and Afternoon Pick-up

For your child's well-being, students should not arrive on campus earlier than 6:30am nor stay later than 4:00pm unless they are attending an organized, adult-supervised program associated with the school.

Extra-curricular Activities

Students who do not conduct themselves in an appropriate manner while waiting for an extra-curricular activity will have the privilege of remaining on campus revoked.

Transportation

Because Benjamin Franklin Charter School is a school of choice with no specific school boundaries, parents are responsible for transporting their children to and from school using the designated drive-through lanes for drop-off and pick-up points at the front of the school. No student drop off/pick up is permitted in the rear parking lot. Some campus locations offer limited transportation options. Contact the campus office for details.

Parking is provided for student drivers. See the parking section of this handbook for details.

A bicycle rack is available for students who ride their bicycles to school. To prevent bicycle thefts, students should use bicycle locks. Walking bicycles while on school grounds is mandatory.

Campus	Front Office Phone	Attendance Phone	Attendance Email
BFHS	480-558-1107	480-427-3991	hsatt@bfcsaz.com

General Information

- **BFHS Website:** <https://hs.bfcsaz.com/>
- **Campus Newsletters:** Sent home monthly via email.
- Messages may be left on the office voicemail when the phone is busy or staff members are helping others. Office staff will return phone calls as soon as possible. Messages after hours will be returned the next working day.

Classroom Questions

- **Teacher Websites:** Classroom information is available on each teacher's website. Website links can be accessed on the BFHS website at <https://hs.bfcsaz.com/> - Family Resources.
- **Teacher Contact Information:** If you find it necessary to talk with your child's teacher during the day, please call before or after school, leave a message with the office, or email the teacher. Once the school day begins, teachers find it difficult to leave their duties unattended to take calls.

Messages for Students During the School Day

One of our goals at BFHS is to minimize interruptions during the school day. In order to accomplish this goal we want to protect valuable learning time from unnecessary disruptions. Parents' requests to relay messages to their child during the instructional day can be a significant interruption and affect the teacher's ability to keep a concentrated focus on instruction. In order to eliminate unnecessary classroom disruptions, messages will only be relayed to students:

- at the beginning of 6th hour, 1:35 pm, on Monday, Tuesday and Friday or
- at 12:50 pm on Wednesday and Thursday.
- Messages received after the designated times will be relayed to students at the end of the school day.

We encourage parents to inform your child before school of any plans for after school. Text messages are permissible before and after school.

Office Phone Usage

Students may request to use an office telephone as needed with permission.

Parent Concerns

Communication and feedback are critical to the success of Benjamin Franklin High School. If parents or students have concerns about any part of the program, they are requested to communicate those concerns to the appropriate people typically beginning with the teacher. Campus administration can also be available to address questions and every effort will be made to resolve issues as soon as possible.

Teacher Appreciation

It is recommended that students and parents express gratitude for teachers through

thoughtful homemade cards, notes, or emails. Parents are encouraged to share feelings of appreciation for teachers with the campus administration.

REGISTRATION AND ENROLLMENT

To register your child in Benjamin Franklin High School for the first time, you will need a certified copy of the child's birth certificate or other reliable proof of identity and age and proof of Arizona residency. The school maintains health records on each child. An immunization record must be completed and in our files before a child can attend school.

BFCS Enrollment Preference Procedures

Benjamin Franklin Charter School is a tuition-free; "A" rated public charter school open to all students with no specific geographic boundaries. We operate on a first-come, first-serve basis, meaning that when a grade level is at capacity, we will place students on a waitlist, and as seats open up, we will work our way down the list.

In accordance with A.R.S. §15-184, Benjamin Franklin Charter School accepts all students who submit a timely application unless the number of applications exceeds the capacity of a program, class, grade level, or building. Enrollment preference is given, to the following students:

- Students returning in the second or subsequent year of enrollment, including siblings of students already enrolled at BFCS.
- Children of BFCS employees
- Children of BFCS board members
- Transfer students from other BFCS schools
- Siblings of pupils already accepted into BFCS
- Students qualifying for the McKinney-Vento program

BFCS does not limit admission based on race, ethnicity, national origin, religion, gender, gender identity, income level, disability, English proficiency, or athletic ability. A prospective student expelled or awaiting expulsion from their previous school will not be admitted.

ATTENDANCE

Students who miss school time lose valuable classroom instruction. It is essential for students to attend school daily and on time. We understand that there may be times when students must be absent due to illness. We ask that you make every effort to schedule appointments after school to prevent students from missing essential elements of their education. Ten or more absences (excused or unexcused) within a given semester may result in the loss of extracurricular privileges.

Arizona State law requires that parents ensure that their children between the ages of six and sixteen attend school. On the fifth unexcused absence or 18 total excused/unexcused absences, regardless of the reason, the parent or guardian of the child could be issued a citation for a violation of an Arizona Revised Statute 15-803.

Pursuant to A.R.S. 15-807; Absence from school, notification of parent or person having custody of pupil:

- At the time of registration, the parent/guardian is required to furnish the school with at least one (1) telephone number, where the parent/guardian may be contacted during the school day. If there is a change in telephone numbers and email during the school year, the parent/guardian is to promptly notify the school office.

- In case a student is absent from school and the parent/guardian has not notified the school, SchoolMessenger will notify the parent/guardian within the same day the class was missed. If a parent/guardian does not respond to the SchoolMessenger call, the student's absence will remain unexcused.

Excused Absences

The Department of Education defines an excused absence as an absence due to illness, doctor appointment, mental or behavioral health, bereavement, family emergencies, time necessary to process for the armed forces, and out-of-school suspensions.

Excused absences due to out-of-school suspensions must not exceed 10% of the instructional days scheduled for the school year. The Department of Education delegates to individual school districts and charter districts the decision whether an absence due to family vacation or religious purposes is an excused absence.

We ask that you please schedule family vacations when school is not in session. If a physician confirms your child has a chronic illness, the absence will not count against him/her for credit purposes. Chronic Illness forms can be obtained through the health office. In case of extenuating circumstances, when a student exceeds the maximum number of days absent, a meeting should be scheduled with parents and the principal.

Unexcused Absences

An absence is considered unexcused if the school has not been notified within 24 hours of the student's absence. Any student who has 10 consecutive unexcused absences from school must be withdrawn per ARS 15-901. It is required that the parent accompany the student for re-enrollment into the school.

Parent Notification Expectations

In case of absence from school, the parent/guardian is required to notify the school attendance personnel in advance or at the time of the absence. To excuse an absence, a parent/guardian must call within 24 hours following the absence. All absences not verified by a parent/guardian or authorized by an administrator will remain unexcused. No changes will be made to attendance after 24 hours.

BFCS Truancy Prevention Guidelines

By Arizona law, a student is considered habitually truant if absent without excuse for 5 or more days or if absent, with or without excuse, for 18 or more days per school year. Attendance letters or a parent conference is necessary when a student reaches:

- First Letter – Five (5) unexcused absence days or the equivalent in partial absences.
- Parent Conference/Incomplete – Ten (10) days or the equivalent in partial absences (combination of excused and/or unexcused). With the tenth (10th) absence during a semester, excused and/or unexcused, a parent conference may be scheduled and notice given that any subsequent absences may result in loss of credit. With the 11th absence, BFHS may assign an incomplete for the semester grade(s). If an incomplete is assigned, students will remain in class for the remainder of the semester. At the end of the semester, a student may apply for an appeal with the school leadership committee to possibly earn credit for the class. The leadership committee will make a recommendation to the principal who will make a final decision. Students may be required to repeat the class(es) to earn credit. Exceptions to this policy, such as serious illness, or authorized leave, may only be approved by the school principal.

- Final Notice/Citation – Eighteen (18) days or the equivalent in partial absences (combination of excused and/or unexcused) the parent or guardian of the child could be issued a citation for a violation of an Arizona Revised Statute 15-803.

MAKE-UP WORK

It is the responsibility of the student to make up missed homework after any absence, planned or due to illness, in a timely manner. If a student is unable to attend school then, he/she should email the teacher directly to collect assignment packets from the front office or visit teacher pages on the BFHS website at www.bfcsaz.com for homework assignments. Students have two days for every one day absent to make up the missed assignments.

An absence on the due date of a major assignment (essay, lab report, project, etc.) or exam may not extend the due date of that assignment. The student should expect to submit the work and/or make up the exam on the day of return. Absences during the preparation time of a major assignment may not extend the due date.

TARDINESS

An occasional tardy due to transportation problems, medical appointments, or circumstances beyond a student's control may happen. Parents must sign their students in at the front office to excuse a tardy for being late. If a parent can not come into the office to sign in their student, then the parent must send an email to the front office which includes the reason for the tardy so it can be marked excused. Any student entering the classroom after the bell rings, and who does not have a written excuse from a staff member will be marked unexcused tardy. The principal will determine whether a student's tardiness will be considered excused if a question arises. Students who are tardy more than 25% of the class period may be marked absent for that period.

Persistent tardiness interrupts the instruction and weakens the morale that benefits all students.

- When a student is tardy for the third time in a quarter, a detention will be issued.
- When a student has received three detentions for tardiness in a quarter, the student may be required to meet with the Assistant Principal to determine further disciplinary action.
- For each subsequent tardy in that quarter, another detention may be issued.
- When a student has received six detentions for tardiness in a quarter, the student may be suspended from school for a duration of time determined by the school administrator.

SIGN-IN/SIGN-OUT PROCEDURES

Students arriving late to, returning to and/or departing from campus during the regular day must check-in and out through the front office. Students who do not comply with this procedure will not be marked as excused from classes.

BFHS is a closed campus. Students must remain on campus from the time of arrival, in the morning until after completing their last class of the day. If a student is off-campus without permission, this is an off-campus violation and may result in suspension. The only exception to this policy involves the need for students to leave for academic release time. Students are not required to sign out for scheduled release time. However, if a student is leaving campus after release time for a scheduled appointment, they must first return to campus to sign out.

For security reasons, only individuals officially enrolled as students are allowed on campus during the school day. Parents and other visitors that want to conduct official business must first report to the office, sign in, and wear a visitor's badge while on campus.

Student drivers are permitted to sign-out early to drive to scheduled appointments only if an "Off-Campus Release" has been signed by the parent and filed with the office. In addition to the signed Off-Campus Release, whenever a student plans to leave campus, the parent must notify the front office via email. Students are required to sign out when leaving campus and sign back in upon their return.

Parents may take their student off-campus for lunch, but must sign them out and back in using the sign-in/out sheets located at the front office.

SCHOOL VISITORS

Parents are encouraged to come to school frequently and to take an active part in the education of their child. In order to maintain a safe and focused educational environment, we ask that visitors follow these guidelines:

Parents and Campus Visitors (Affiliated with the School)	<ul style="list-style-type: none"> • All campus visitors are required to report to the office and sign in electronically using a government-issued ID. • The Ident-A-Kid program will quickly run their name against a national database of registered sex offenders and student-specific no contact orders. • Individuals whose names are flagged via this screener will not be permitted on campus without further investigation by campus administration. • This screening is done at no cost to visitors. • All campus visitors will be required to wear a visitor sticker.
Parent Chaperones	<ul style="list-style-type: none"> • In order to effectively supervise students on off site trips, we rely on volunteer chaperones. For chaperones, who will spend longer amounts of time in close proximity to students, a more thorough background check will be completed, which can be done well in advance of student field trips. • There is a fee of \$40.00 which the school will cover. • This is referred to as a Level II clearance which is valid for three years at all BFCS campuses. • For a full list of chaperone disqualifying factors please see our front office.
Children Not Enrolled as BFCS Students	<ul style="list-style-type: none"> • Children who are not enrolled in the BFCS program are not permitted on campus during the school day without approval from campus administration.
Visitors (Not Affiliated with the School)	<ul style="list-style-type: none"> • Visitors unaffiliated with the school may only visit under the supervision and direction of campus administration.

Additional Visitor Guidelines

- Parents are to give teachers at least 24-hour notification when visits are planned and avoid conferences with the teachers during such visits so the teacher can conduct class as usual.
- Same day visits may be arranged though campus administration based on availability.
- For the safety of the students and staff, visitors are not allowed on the playground during school hours. Special events, such as field day, may be an exception at the

direction of the campus administration.

LUNCH PROGRAM

Benjamin Franklin High School has partnered with **My Hot Lunch Box** to provide a secure, fast, and easy-to-use online ordering system that allows parents and guardians to view our lunch menu, order, prepay and manage student lunches from their smartphone, tablet or computer.

Ordering Lunches - My Hot Lunch Box Program Information

Place Orders	https://ordernow.myhotlunchbox.com/sign-up
Order and Cancellation Deadline	Noon on the day prior to delivery day
Changes, Cancellations, Credits	Email info@myhotlunchbox.com or call (888)-894-8295.
Additional Notes: <ul style="list-style-type: none">• Unpaid/Incomplete lunch orders left in the shopping cart will not be processed and your student(s) will not be included in the lunch service for those days.• If students are absent on the day they ordered a lunch, parents are welcome to pick up the lunch or give it to a sibling. If neither is an option, then the lunch is forfeited.• BFHS does not order "extra" lunches.• Be sure arrangements have been made for your student to have lunch every day.	

Lunches from Home

Students are welcome to bring their lunches to school. Microwaves will be available in the cafeteria/student union for use by students.

On Campus Eating Areas

Students are not permitted to be in classrooms during lunch without permission. Students may be in the student union, cafeteria or courtyard for lunch. Roaming the halls is not an option and may lead to disciplinary action.

FOOD AND DRINKS ON CAMPUS

Water fountains are available on campus. During very hot weather, students are encouraged to bring water bottles to school and refill them from any of the drinking fountains. Only water is allowed in the classrooms. Students may not chew gum on campus. Repeat gum offenders will be referred for disciplinary action.

HEALTH OFFICE SERVICES

The health assistant is on duty during regular school hours and will assist students with illnesses and injuries. Health services may not be available during before and after-school activities. All parents are required to complete an Emergency Medical Referral form for each of their children each year. On the form, parents will include current contact information and indicate any health issues that may require medical care. Parents should inform the health assistant if any contact information including address or phone number changes during the school year. If the health assistant or school personnel cannot reach parents in an emergency, then emergency services may be contacted. The cost of any emergency or medical services is the parent's responsibility.

If at any time a student is faced with a health situation which could affect performance at school, parents should notify the health assistant and provide documentation and appropriate

recommendations from a medical professional.

If a student has been ill, he or she is permitted to return under the following conditions:

- fever free for 24 hours without medication
- no vomiting for 24 hours without medication
- no diarrhea for 24 hours without medication
- sore throat and other symptoms (nasal congestion, coughing, etc) are improved

Medications should be administered at home when possible. Prescription and over-the-counter medication, including cough drops, may not be in student possession throughout the day. All medications must be dropped off and picked up at the health office by an adult.

With guardian permission, the school health assistant may provide Tylenol, ibuprofen, cough drops, antacids, anti-itch lotion, or Benadryl to students based on their symptoms if there is an immediate need during the school day.

When school personnel are asked to administer scheduled medication to students during school hours, the following guidelines apply:

- Parents are responsible for bringing in any prescription or over-the-counter medication and will sign a permission slip indicating that the medication may be administered during the school day.
- Medication must come in the original container with the pharmaceutical or box label.
- All medication will be stored in the health office with the exception of students who have been specifically authorized to carry inhalers, epi pens or diabetic medications.
- The health assistants will administer all medication.
- Health assistants will work with campus administration to create health plans for activities such as field trips or before and after-school care.

Excused Activities

If your child's activities must be restricted at school, a doctor's statement is required; otherwise, all students are expected to participate in daily school activities. Doctor recommendations should be submitted to the health office.

Insurance

The school does not offer insurance for student medical or dental costs if they are injured during school activities. Parents are responsible for their children's insurance and medical care.

Outside Services

The school cannot interrupt instructional time or provide facility space to accommodate services from outside providers and therapists unrelated to BFHS. Limited observation times by outside providers unrelated to BFHS may be scheduled at the discretion of the campus administration.

SAFETY DRILLS

BFHS works in partnership with local law enforcement in developing safety procedures to handle emergency and crisis situations. BFHS has regular drills to practice lockdown and evacuation procedures. During safety drills, students should participate in a quiet and orderly manner and follow the instructions of those in charge. Students reporting and/or creating false alarms will be subject to disciplinary action and reported to law enforcement.

ANIMALS ON CAMPUS

Animals are not permitted on school grounds. Animals are not allowed in the classroom unless approved by the Director of Education. Stray animals should be reported to the office as soon as they are seen on school grounds.

LOST AND FOUND

It is suggested that clothing and all other personal items that are brought to school are labeled with a student name. Lost items are stored in the school lost and found until their owners claim them or until items are donated to charitable groups.

SOLICITATION

It is the policy at Benjamin Franklin Charter School that no items for sale are to be offered or solicited on campus to students, faculty, or staff. This policy does not apply to student fundraisers related to school activities.

EDUCATING THE HEART - THE VIA ROMANA

These are the qualities of life to which every citizen should aspire. They are the heart of the Via Romana, the Roman Way, and are thought to be those qualities which gave the Roman Republic the moral strength to conquer and civilize the world. Today, they are the rods against which BFHS students can measure their own behavior and character. BFHS students practice these virtues for their lifelong development with the guidance and examples of teachers and administrators.

The Via Romana - The Roman Way		
Auctoritas	Spiritual Authority	The sense of one's social standing, built up through experience, Pietas, and Industria
Clementia	Mercy	Mildness and gentleness
Comitas	Humor	Ease of manner, courtesy, openness, and friendliness
Dignitas	Dignity	A sense of self-worth, personal pride
Felicitas	Happiness, Prosperity	A celebration of the best aspects of Roman society
Fides	Good Faith	Respect for the pledged word and the expressed intention
Firmitas	Tenacity	Strength of mind, the ability to stick to one's purpose
Frugalitas	Frugality	Economy and simplicity of style, without being miserly
Gravitas	Gravity	A sense of the importance of the matter at hand, responsibility and earnestness
Honestas	Respectability	The image that one presents as a respectable member of society
Humanitas	Humanity	Refinement, civilization, learning, and being cultured
Industria	Industriousness	Hard work

Laelitia	Joy, Gladness	The celebration of thanksgiving, often of the resolution of crisis
Pietas	Dutifulness	A respect for the natural order socially, politically, and religiously, includes the ideas of patriotism and devotion to others
Prudentia	Prudence	Foresight, wisdom, and personal discretion
Salubritas	Wholesomeness	Health and cleanliness
Veritas	Truthfulness	Honesty in dealing with others.

EDUCATING THE MIND - THE BFHS EDUCATIONAL PROGRAM

Seventh Through Twelfth Grade Curriculum Overview

BFHS prohibits the introduction of controversial issues in the classroom that are not germane to the subject of instruction and further prohibits teachers from engaging in political, ideological, or religious advocacy in their classrooms.

Information about the educational and teaching background and experience in a particular academic content subject area for all current employees who provide instruction to pupils is available upon request to parents and guardians of enrolled students. A.R.S. §15-183(F).

Classical Education Overview

The goal of classical education is to train students to be intellectually curious and pursue academic and moral excellence through the pursuit of what is good, true, and beautiful. BFHS uses the classical model of education to train our students both in mind and in heart, teaching them how to think instead of what to think. This is achieved through engaging classroom discussions of primary unaltered source materials led by true subject matter experts.

Grade Level Curriculum Objectives and Highlights

7th Grade Program

In 7th Grade, students are introduced to classical learning methods and middle school academic and behavioral expectations across the curriculum. English and History classes cover the ancient Western world through historically concurrent literature, primary sources, and discussions of philosophical developments. In Science classes, students study the natural world, with a particular emphasis on natural selection and material molecular level changes, and in Math, students are placed in a class at their appropriate level. All 7th grade students take elective classes in Computer Skills and Consumer Economics, and are able to choose their final class from a number of elective options.

8th Grade Program

Core concepts and skills preparatory for high school enjoy special focus in our 8th grade program. English and history classes center around American history. Together, the classes cover significant works of American literature, primary sources, and the growth of American philosophy to assist students in recognizing their unique American heritage. Science classes focus on the role of energy and forces in the world around us, and in Math, students are placed in a class at their appropriate level. All students are required to take an introductory Latin class, and are able to choose their final class from a range of elective options.

9th Grade Program

9th grade focuses on helping students continue to develop the basic skills necessary for success at the high school level. Ninth grade humanities classes teach world history with a particular emphasis on the Western tradition, all students take a course of Biology, are placed in an appropriate level Math class, and choose a foreign language to study for their required language credits. A wide variety of elective options are available for their final class.

10th Grade Program

10th grade students develop more college-level skillsets, and gain access to their first AP level courses. Humanities classes bridge the gap between the ancient and the enlightened world, through exploring works of a number of European authors and primarily focusing on European History from the Renaissance to the present day. Students continue study of their chosen language at a more advanced level, are placed in a Math class at their appropriate level, and choose a science class from a variety of options. A wide variety of elective options are available for their final class.

11th Grade Program

In 11th grade, all classes promote content area expertise as well as further collegiate skills. Humanities classes return to the American tradition with upper class rigor, and students are able to choose Math and Science classes at their appropriate level/tailored towards their interests. Most students also complete their elective requirements for graduation this year.

12th Grade Program

12th grade classes have increased academic expectations, reflecting their status as the culmination of a student's educational journey at BFHS. They are offered at a variety of levels to meet individual student interest/need, including a number of AP and dual enrollment options. Humanities classes focus on modern literature and government & economics, and Math class options allow students to specialize in areas that most interest them. Many students chose to take additional electives this year beyond those simply required for graduation.

HOMEWORK

Homework is a vital part of the curriculum and philosophy of BFHS; therefore, students should expect to do nightly and weekend homework.

Homework Purpose

- Homework reserves class time for instruction, discussion, dialogue and interaction between teacher and students in the pursuit of clarity and truth.
- Homework is a time of quiet concentration in which the student takes ownership over the subject matter and demonstrates the ability to master concepts.

Homework Amount

Abilities, study habits, and difficulty level of classes vary greatly from student to student, therefore it is difficult to estimate the amount of homework that each student will have on a given night. A good deal of success with homework depends on a student's study strategies, such as planning, goal-setting, time-management, self-monitoring and the like. Students who struggle do not, generally, employ these strategies effectively, even though they may, in fact, spend a significant amount of time studying.

R&R Weekends

Students can expect at least two non-homework “R & R” weekends per semester. “R & R” weekends do not apply to AP students. Teachers will not administer tests and quizzes on the first day following “R and R” weekends, although a long-term project may be due several days after an “R and R” weekend. Students will need to plan ahead to enjoy the time off.

Field Trips

Students are provided with a number of opportunities to attend field trips (both academic and extracurricular) as part of the BFHS program.

Grade, Attendance, and Behavior Thresholds

- Students who have a D or F in one or more of their core academic courses may be ineligible for field trips. If permission slips are collected more than one week in advance of the field trip, the sponsor (teacher) may work with the student and administration on an action plan to help the student become eligible (i.e. tutoring schedule).
- Eligibility considerations may also include attendance and/or consistent behavioral concerns as documented by campus administration.
- Exceptions may be made in the event of extenuating circumstances. Campus administration will make a final determination on a case-by-case basis.

TEXTBOOKS, EQUIPMENT AND STUDENT SUPPLIES

Textbooks and Equipment

Textbooks and other equipment are the property of BFHS and are expected to be kept in reasonable repair. The Office Assistant will note the condition of each book or piece of equipment before it is issued to a student. If a student loses a book he or she will be charged for the full price of the book. The replacement book is still the property of the school even if a replacement fee has been paid and should be returned to the school at the end of the year.

Student Supplies

To do well in school, a student must come to school with the necessary materials. Backpacks or book bags may be used to carry books, binders and notebooks to and from school. Each student should be prepared with several pencils and blue or black ink ballpoint pens and white, blue-lined, loose-leaf notebook paper. Spiral-bound notebooks are to be used only for note taking, journaling, or other coursework as directed by the teacher; assignments turned in on paper that have been torn from a spiral notebook will not be accepted.

Assignments will only be accepted in blue or black ballpoint pen or in pencil on blue-lined, loose-leaf notebook paper in compliance with teacher expectations.

Individual teachers may require additional specific tools for school use, such as rulers, compass, calculator, sketchbook, subject notebooks, binders, and the like. Students should wait to purchase such items until their teacher has specified them.

A set of consumable books is the responsibility of the parent(s). A list of books and ISBN numbers are provided. If there are any questions regarding acceptable versions of consumable books, please contact the teacher.

THE BFHS ACADEMIC ADVISING DEPARTMENT

The BFHS Academic Advising Department provides guidance for all academic areas including:

- Registration of new incoming students
- Change requests to student schedules
- Four year planning
- Credit checks
- ACT/PSAT/SAT planning
- AP classes and exams
- Assistance with the college application process
- Writing letters of recommendation
- ECAP
- Scholarship searches

For general information, students should reach out to their assigned advisor or contact the advising department email at hsadvising@bfcsaz.com.

COURSE SELECTION AND CHANGE REQUESTS

Choosing an appropriate program of study is an important part of each student's high school responsibility. Parents are encouraged to meet early in their child's tenure and participate in the yearly process of selecting courses that fulfill the BFHS graduation requirements that meet the needs of their son/daughter.

All requests to change or drop a course are made through the academic advisor and for one of the following reasons:

- Teacher recommendation based on student ability/misplacement in a course
- Student request based on a desire for a heavier academic load
- Meeting graduation requirements

These changes are also subject to course availability and require the completed Schedule Change Request form signed by the teacher and parent/guardian. Requests must be submitted within the first week of each semester.

ADVANCED PLACEMENT AND HONORS COURSES

Advanced Placement Courses are available for all students and are taught at the college level; therefore, the expectations and rigor will emulate that of a college course and teacher approval is necessary. AP courses are offered in several different disciplines and students are encouraged to take a College Board test with the goal of earning college credit.

In grades 9-12, honors level courses are available in most science classes, advanced language classes and core academic classes where AP courses are not offered. These courses are more rigorous than their on-level counterparts, covering more material at a faster pace, and as such have an increased workload expectation.

GRADUATION REQUIREMENTS

All students, in consultation with their families, need to develop a four-year high school plan of studies in order to prepare for college, vocational or technical studies, or the job market. To assist with this planning, review the chart below for the high school graduation course requirements. In addition to these requirements, students are required to pass any state/federally mandated tests. Special Education students are required to complete the course of study as prescribed in their Individual Education Plan (IEP).

Our graduation requirements closely mirror the requirements for admission to AZ state public colleges. If students may be interested in out of state colleges or private colleges, they should consult with their academic advisor when planning their elective courses to ensure they have taken the courses required for admissions to those Universities.

Curriculum Area	Benjamin Franklin High School Graduation Requirements	Arizona University Entrance Requirements	Arizona Graduation Requirements
English	4 credits	4 credits	4 credits
Math	4 credits	4 credits	4 credits
Science	3 credits Students must take Biology and one of the two physical sciences, Chemistry or Physics. Earth Science and Anatomy & Physiology are lab science options that count towards graduation in addition to Biology and one physical science.	3 lab science credits One credit in each of three different laboratory sciences selected from the following: Chemistry, Physics, Earth Science or Biology. An integrated laboratory science or an advanced level laboratory science may be used to substitute for one required course.	3 credits
Social Studies	4 credits Western Civilization I & II, U.S. History, Government/Economics	2 credits	3 credits
Fine Arts/CTE	1 Fine Arts credit	1 Fine Arts credit	1 credit
World Language	2 credits Two years of the same language	2 credits Two years of the same language	0 credits
Required Courses	18 credits	16 credits	15 credits
Elective Courses	4 credits	0 credits	7 credits
Total Required Credits	22 credits	16 credits	22 credits

TRANSFERS/CREDIT POLICY

BFHS does not award high school credit for math courses (Algebra I, Geometry, Algebra II) taken in 7th and 8th grade. Students who transfer to BFHS with an official transcript documenting high school credit for math and/or world language courses taken in junior high may have these credits placed on the student's high school transcript with final approval from the Principal. However, the math credit(s) will not count towards fulfilling high school graduation requirements; transfer students will still be required to complete 4 years of math at BFHS. Credits are issued in 0.5 increments based upon the student receiving a passing grade at the end of the semester.

BFHS has constructed its core curriculum in such a way that our classes are integrated and fulfill a specific purpose within the context of classical education in order to integrate knowledge between disciplines. Classes are offered at a variety of levels, including honors and AP. Please refer to the Course Catalog, Course Selection form or speak with the academic advisor for more information. Governing Board policy requires freshmen, sophomores and juniors to take four core classes and two electives for a total of six credits. Release Time for Seminary is not a credit bearing class and therefore does not count towards the 6 required classes. If a senior has received approval from the academic advisor, and are on track to meet graduation requirements, they may enroll in a minimum of four courses. All final decisions are left to the discretion of the principal.

To earn credits outside of BFHS whilst enrolled at the school, students are required to meet with their academic advisor before enrolling in courses to clarify whether credit will be granted and to determine what process must be followed. The academic advisor has the necessary information to guide the student through the proper procedures for obtaining high school credit. We are very protective of our core classes, and the part that each plays as a part of the classical education experience. As such, core academic classes and foreign language courses will not ordinarily be approved for outside credit, but will be considered on a case by case basis. In addition, taking EVIT is not an acceptable reason to seek outside credit. If approved, it is the student's responsibility to stay on track to complete the course as well as request the transcript be sent to BFHS. Academic Advisors will not be monitoring progress, only verifying course completion. Any credit obtained without going through the approval process will not be included on the student's transcript.

Transfer credits from sources outside of Benjamin Franklin High School will be reviewed on a case by case basis. The academic advisor and principal will determine if the academic rigor of said course meets BFHS standards for transfer credit as an elective or core and whether the credit will be used to calculate a student's GPA. A student who transfers to BFHS after their third semester of high school may, with approval from their Academic Advisor and Assistant Principal, Student Support, meet the Social Studies requirements for graduation by completing the following course work: Western Civilization I OR Western Civilization II, US History, Government/Economics.

CLASS RANK/VALEDICTORIAN

Graduating seniors at BFHS will not receive a class rank. "Most small, private and/or competitive high schools have done away with it because they feel it penalizes many excellent students who are squeezed out of the top 10 percent of the class and then overlooked by elite schools." (Alan Finder, "Schools Avoid Class Ranking, Vexing Colleges," New York Times, March 8, 2006).

The valedictorian is the highest academic honor that can be bestowed upon a senior at Benjamin Franklin High School. The faculty will choose the valedictorian in May from the senior class. A student will be selected by the criterion set forth from among those that have been at BFHS since the

beginning of their 10th grade year. The criterion for selection of the valedictorian includes unweighted GPA, the taking of AP classes, and total credits earned. Additionally, personal conduct and positive participation within the school community may be considered. Misconduct shown on a student's guidance record such as suspensions, detentions, academic dishonesty, etc., may be disqualifying depending on the severity of the incidents. The faculty will also select a salutatorian, a distinction below the valedictorian from the senior class.

HIGH SCHOOL CREDIT RECOVERY

The goal of Credit Recovery is to give high school students the opportunity to graduate in a timely manner. This program allows students in grades 9-12 who have failed one or more core courses (courses required for graduation) a chance to make-up a failed class. BFHS students may participate in Credit Recovery by adhering to the guidelines outlined below.

- Students who earned a semester grade below 60% in a course are eligible for credit recovery. A student receiving a final grade below 60% in a core class must take credit recovery through Benjamin Franklin High School. Recovered credit will only be awarded when students have completed all work satisfactorily and met the attendance requirements.
- Students have the option of repeating a failed course at BFHS in order to replace the grade.
- In order to offset the cost of the credit recovery class, students taking credit recovery through BFHS will be charged a \$50 fee per semester credit at the time of enrollment. Coursework will be completed via an online independent study program.
- Any senior failing a fall semester course must make up the credit prior to graduation through an approved institution. Failure of a class required for graduation in the spring semester of the senior year will result in the student not graduating in May.
- Please contact the academic advisor to schedule credit recovery.
- It is the student's responsibility to request the transcript be sent to Benjamin Franklin High School. Any credit obtained without going through the approval process will not be included on the student's transcript.

COURSE REPETITION FOR GPA ADVANTAGE

All courses repeated for a GPA advantage must be pre-approved by the academic advisor. When a student in grades 9-12 takes a class for a second time that is not a class that may be repeated for credit, the highest grade earned will be the grade included in GPA calculations; however, both classes will be listed on the official transcript.

TRANSCRIPTS AND STUDENT RECORDS

Official transcript requests are facilitated through Parchment and students are encouraged to register with Parchment during their junior year. Transcripts are uploaded and accessible from the site for college admission with a minimal fee. All unofficial copies are at no charge and are available through the office by completing a Record Request form. In addition, requests for transfer records must be made through the registrar and require a 48-hour turnaround time.

STUDENT ASSESSMENT, GROWTH AND SUPPORT

Communication between home and school is vital to the success of each student. Parents who have concerns with the progress of their child made at school may reach out to the teacher to schedule a conference.

Student Responsibility

The student is responsible for following assignments, understanding the course requirements, and meeting deadlines. It is also the job of the student to communicate to their parents about their academic status. Parents and students are encouraged to contact the teacher if a student is having a difficult time in the class. The earlier the problem is addressed, the easier it is to resolve the problem.

Teacher Responsibility

Teachers will communicate to the student clearly what is expected in each class. Each content teacher is responsible for setting high expectations for all student learning and providing engaging, effective classroom instruction. Great effort is made to alleviate teacher responsibilities outside of the classroom, so they may better spend their time and efforts providing students with additional teaching/tutoring time.

Ongoing Content Testing

All students participate in regular assessments covering material learned in class to evaluate growth and progress. Students who are found to be at-risk (those with a current grade of a D or an F) are flagged by administration on a weekly basis.

State Testing

Students in grades 7 and 8 participate in state-mandated testing (English Language Arts and Math) that takes place each spring. Students in grade 11 participate in the ACT exam as part of the mandated state testing. Students in grade 9 participate in the ACT Aspire exam as part of the mandated state testing. Students in grade 8 and 11 participate in AzSCI (science) testing as well. Parents will be notified when testing is to take place and will receive information regarding their child's performance when test scores are released.

Instructional Coaches

BFHS employs Instructional Coaches on campus that work with the academic team to support teachers. Instructional coaches conduct observations and then meet with teachers to discuss areas of strength as well as areas of improvement within the learning environment. They provide strategies and modeling to help the teachers grow in their instructional methods. These coaches also work with teachers to support struggling students. They provide guidance and techniques to meet the needs of their students and support the Child Study Team with interventions as well.

Using Data to Promote Growth

Teachers monitor student progress through each specific unit related to the content and work collaboratively to assess data and tailor instruction to ensure the continued growth and success of each student across every subject area.

Student Support Program

Teachers work with students who have been identified as at-risk on an individual basis. Before/after school tutoring and conference time is used to discuss academic progress and

support the student to get back on track with his/her studies. Teachers are expected to communicate the progress of at-risk students with parents on a regular basis.

Tutoring

Before and/or after-school tutoring is offered by all classroom teachers. Students who experience lack of progress, low grades, or struggle with concepts may be offered tutoring with the classroom teacher; however all students can receive support as needed. Teachers will also reach out to parents to invite students to tutoring sessions as needed.

Conference Period

Each week the students have a conference period built into their schedules. Conference periods fall on the block days which are Wednesday and Thursday. During this time students are able to sign out of their current classroom and visit any of their teachers to receive targeted tutoring and support. Students can also use this time to complete homework, work on projects and make up exams to stay on top of their studies.

Child Find Process and the Child Study Team

Students who consistently struggle with growth despite classroom interventions may be referred to the Child Study Team via the Child Find Process for further evaluation and possible consideration for additional support.

ENGLISH LANGUAGE LEARNERS (EL)

English Language Learner students are identified through the Home Language Survey, completed by parents upon enrollment. These students take the AZELLA (Arizona English Language Learner Assessment) to determine their eligibility to enroll in the BFCS EL Program. Benjamin Franklin has chosen the Pull-Out SEI Model for students who are enrolled in the EL Program.

STUDENTS WITH DISABILITIES

Benjamin Franklin's Exceptional Student Services department oversees programming for students with disabilities and maintains compliance with the Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act of 1973. Benjamin Franklin Charter School provides a free, appropriate, public education (FAPE) to students with disabilities in accordance with state and federal statutes and regulations.

Section 504

In accordance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C § 701 et. seq), a person is "disabled" under Section 504 if he or she:

1. has a mental or physical impairment that substantially limits one or more major life activity,
2. has a record of such an impairment, or
3. is regarded as having such an impairment.

"Major life activities" include functions such as caring for oneself, performing manual tasks, walking, hearing, seeing, speaking, breathing, learning or working.

For a student who may meet the Section 504 definition of a student with a disability, BFCS will follow established procedures for identification. If determined to be eligible for protection under Section 504, a student will receive a 504 Plan to outline accommodations and services necessary to provide the student with equal access to the school's programs and facilities.

Exceptional Student Services

The Exceptional Student Services Department at Benjamin Franklin Charter School works to ensure that each student with an Individualized Education Plan (IEP) receives specialized

services that match the varying needs of the student while providing the least restrictive environment. In meeting those needs, the school follows regulations and procedures that are in compliance with the Individuals with Disabilities Education Act (IDEA).

GRADES AND REPORT CARDS

Grades

Grades are assigned as a measurement for varying levels of achievement in a subject of study. Parents and students are encouraged to utilize the Powerschool Parent Portal to view grades and the current progress. Teachers update grades weekly according to the following scale:

Grading Scale		Semester 1 Calculation		Semester 2 Calculation	
A	90-100%	Quarter 1	40%	Quarter 1	40%
B	80-89%	Quarter 2	40%	Quarter 2	40%
C	70-79%	Final Exam	20%	Final Exam	20%
D	60-69%	SEMESTER 1 GRADE		SEMESTER 2 GRADE	
F	Below 60%				

Final Exams

Final exams are an integral part of the semester and are worth 20% of the semester grade.

- Final exams will not be given early and are only administered during final exam week and only at the time scheduled by the teacher.
- First semester finals must be made up within the first week of the second semester as arranged through the student's teacher.
- Second semester finals must be completed by the date of a school-established make-up date.

Progress Reports

Progress Reports are available online in the Powerschool Parent Portal at the end of Quarter 1 and Quarter 3.

Report Cards

Report cards are mailed directly to the parents at the end of each semester. The information on the report card includes percentages reflecting student achievement in the core and elective subject areas. Sports and clubs are non-graded activities. These report cards do not need to be signed and returned to school.

Class Participation Grades

What is a Class Participation Grade?

- Bringing required materials to class
- Frequency and quality of participation
- Being prepared for classroom discussions due to having done his/her reading/studying

- Making relevant comments based on assigned material
- Improving group dynamic by student's presence
- Being engaged in classroom discussion and able to give cogent answers when called upon
- Not disrupting class and classroom discussion
- Taking complete and neat notes that are required
- Handling comments in class and possible disagreements with the teacher and other students with maturity and sensitivity
- Showing an interest in and respect for others' contributions

What Participation **IS NOT**

- Raising of the hand in an attempt answer every question whether or not you have anything of quality to offer
- Interjecting in class discussion purely to be "seen" or "counted"
- Talking incessantly, rambling or making tangential comments

What takes away from Class Participation?

- Coming to class ill prepared
- Being disrespectful to students or staff
- Disrupting the learning environment by actions or talking out of turn
- Belittling the opinions of others
- Not following the conversation and thus is not prepared to answer questions when called upon or is off topic
- Discouraging and disrupting others that are attempting to participate
- Not taking notes
- Not having homework complete and thus not able to contribute to class discussion of said homework

PARENT-TEACHER CONFERENCES

Parental involvement and communication between parents and teachers are essential elements to the continued success of the students at BFHS; therefore, informal Parent-Teacher Conferences are encouraged and may be initiated by teacher, student, or by parent/guardian when the need arises. Parents/Guardians of students who are failing a class will be invited to a formal parent-teacher conference in the fall by the relevant teacher(s).

Parents are encouraged to be in frequent contact with teachers regarding their child's progress. If you wish to talk with your child's teacher, or make an appointment for a conference, please email the individual teacher with your name, your child's name and times during which you will be available. Stopping by the classroom or office before school starts or after its conclusion is usually not an effective way to meet with the teacher. Generally, teachers have duties, sports, clubs and appointments with parents during these times and will not be able to meet with you unless you have made an appointment.

EXTRA-CURRICULAR ACTIVITIES

Students will have an opportunity to participate in a variety of programs and clubs where there are sufficient numbers of interested students and coaches/faculty to supervise. These activities are not for a grade, but serve an important purpose in enhancing the educational experience at BFHS.

CLUBS

Benjamin Franklin High School offers a variety of non-curricular clubs. Students who are interested in developing a new club offering must find a teacher to sponsor the club and then complete paperwork that administration will review for final approval before club meetings may begin.

ATHLETICS

Athletic Program Overview

Benjamin Franklin High School believes that a dynamic program of student activities is vital to the educational development of the students. The BFHS athletic program provides a variety of experiences to aid in the development of favorable habits and attitudes in students that prepares them for adult life in a democratic society. Athletics functions as an integral part of the overall curriculum, and provides opportunities to serve the institution, assisting in the development of fellowship and sportsmanship, and promoting self-realization for all-around growth.

Register My Athlete

All students must register on Register My Athlete, registermyathlete.com, and complete and upload all documentation prior to tryouts prior to participation in any sport. Students are required to have a physical and turn in a completed athletic packet prior to tryouts to participate in any sport.

Academic Requirements for Athletics Participation

Participating students must be enrolled in a minimum of four core classes in order to join any extra-curricular sports or events that require students to try out for participation. Homeschooled students who have registered with the County Superintendent and follow a curriculum approved by the County Superintendent may participate in the BFHS athletic program. Parents must provide grades at the end of each quarter.

BFHS Athletics - Student Eligibility Requirements

BFHS students must maintain a "C" (70%) average and be passing all classes to remain eligible for participation in the sports program, i.e. no "Fs".

- Grade checks will be conducted weekly.
- High school students who are not passing all classes and maintaining a "C" average will enter a 'Warning Week'.
- During the Warning Week, student athletes are eligible for competition and practice.
- If the grades are not meeting expectations during the following week grade check, the student will be ineligible for competition, but are able to still remain with the team and practice.
- Multiple weeks of failing grades may result in the inability to attend practice, at the discretion of the Athletic Director.
- Once grades are determined to be meeting expectations, the student will be considered eligible for competition.

If a student has a failing grade at the end of a Quarter or Semester, they remain ineligible for competition over the subsequent break. Students will be considered eligible for competition at the end of the first week of the following grading period, assuming their new grades demonstrate that they are meeting required academic expectations. Final decisions regarding academic eligibility are made by the Athletic Director and campus administration.

Extra-curricular Conduct - Code of Sportsmanship

- **For Players-** Recognize that you represent your school and that your conduct is a reflection on your school. Keep good faith with your school, your coach, your teammates and yourself. Follow your coach's instructions, be respectful to officials; accept adverse decisions. During games and on the bus to and from games, students are to abide by all Benjamin Franklin rules and are to behave in such a manner as brings credit to themselves, the team and the school. Students who are absent from school for more than half of the academic day on the day of a game will not participate in that game.
- **For Students -** Remember you represent your school in the same manner as the athletes. Encourage good sportsmanship, courteous treatment of visitors, and absolute fairness under all conditions. We ask you to make your visitors feel welcome and to see that

proper standards of sportsmanship are followed. Become familiar with the rules of the game and support your team.

- **For Spectators** - Regard the playing of the game as an art and appreciate and enjoy it as such. Show respect for officials, respect for the young men and women participating and respect for yourself. These are essential for raising the standards of good sportsmanship. Become familiar with the rules of the game, and you will enjoy it much more. Leave coaching to the coach and officiating to the officials.
- **For All - Be Loud! Be Enthusiastic! Be Respectful!**

FINE ARTS

Fine Arts Program Overview

The BFHS Fine Arts Department provides students with top-notch instruction and training in music, dance, and visual arts. Students are given memorable and exciting performance, competition, and travel opportunities, as well as opportunities for wholesome creative expression. The aim is to shape students into fine citizens, good people, and compassionate human beings through their participation in the arts. For additional information on fine arts opportunities, please refer to the BFHS course catalog.

BFHS Musicals - Student Eligibility Requirements

The annual school musicals are the highlight of the musical year at BFHS. Due to the significant time commitment participation requires, all students must be in good academic standing to audition for the musical.

- For the high school musical, any student who has a failing grade at the end of quarter 1 is ineligible to audition/take part.
- Weekly grade checks will be performed on all students who take part in a musical.
- Any students who are not passing all classes and maintaining a "C" average will enter a 'Warning Week'.
- During the warning week, students are still able to attend rehearsals.
- If the grades are not meeting expectations during the following week's grade check, the student will be ineligible for attendance at rehearsals, until grades are determined to be meeting expectations.
- Multiple weeks of failing grades may result in removal from the musical cast, at the discretion of the musical director .

BFHS CODE OF CONDUCT

Students at BFHS will be held to the highest standards of conduct in order to maintain a safe and orderly learning environment for everyone. All of the information that you will find below is directed toward the common good of BFHS and its maintenance as a place of learning and moral development – disciplined behavior results in a disciplined mind. In keeping with the higher level of responsibility and expectations for students, students are responsible for their own behavior. In following the basic rule that no one has the right to interfere with the learning or safety of others, students will take responsibility for their actions. Students who choose to interfere with others' education or well-being will be held accountable for their actions. The guidelines and list of rules at BFHS is not meant to be exhaustive. Rather, students are to conduct themselves with respect for self and others at all times and may expect to be suspended or expelled for behavior inconsistent with a

college prep learning environment. Students are expected to know and abide by the Code of Conduct that has been established for the good of each student and the school as a whole.

The support and involvement of parents is essential for the success of this program. Teachers also play a vital role in developing virtuous behavior among their students. Along with parents, teachers are to be the model for behavioral and character expectations that we are attempting to foster in our students. Teachers and staff will make every effort to treat students with fairness and respect. Teachers are expected to respond to student misconduct within the classroom by following the three C's (consistency, consequences, and caring). It is in the students' best interests that they are given consistent consequences in a caring manner. Students are human beings and will not always act appropriately or measure up to the expectations laid out in this handbook. Through the consistent application of the discipline policy, teachers and administration can help students grow in the pursuit of the virtuous person.

Therefore, for the sake of an orderly classroom and quality educational experience, it is necessary to expect students to conform to a uniform standard which shall be encompassed in our code of conduct and honor code. It is, first and foremost, the responsibility of the teacher to correct, modify, instruct and hold students accountable as it pertains to behavior in the classroom. Teachers have the authority and discretion to assign after-school detention, initiate a parent/student/teacher conference, recommend in-school suspension (including work detail), and to recommend suspension to the principal.

The goal of school discipline is to correct undesirable behavior. It is our hope and belief that expectations and consequences used in conjunction with mentoring and a commitment on our part to do what is best for our students will produce the change in conduct which will allow for student success and personal growth. When a student refuses to amend his/her behavior within the classroom or on school grounds, further action is needed. Any student receiving five (5) detentions in a quarter will additionally receive a one day suspension. If a student is suspended three (3) times in a school year, he/she will be subject to expulsion. In the case of more serious infractions such as forgery, lying to an adult, cheating on exams and other academic assignments, plagiarism, fighting, theft, possession of illicit substances, destruction of property, defiance of authority, disrespect of adults, leaving campus without permission, truancy, or similarly serious issues, a parent will be notified and more severe disciplinary action will be taken, up to and including long-term suspension or expulsion.

Students' participation in school disruptions or activities such as "Senior Prank Day" could result in suspension, expulsion, or possible criminal action. Seniors who violate this school policy may also be excluded from commencement activities.

SCHOOL RULES

Schoolwide Expectations

- Every student has the right to learn, and teachers have the right to teach!
- Follow directions and respond to a request.
- Be on time and be prepared to learn.
- Be respectful and demonstrate kindness.
- Be in dress code.
- Behave honorably in all situations
- Use only wholesome and courteous language.

- Students are expected to show good taste and conduct themselves respectfully at all times.
- Being affectionate in school creates an environment that is not conducive to concentration and learning; therefore students should refrain from public displays of affection on campus or at school related events and activities.
- Respect the school property.
- Do not bully or harass other students.
- Tolerate and accept physical, philosophical and cultural differences amongst others.

Prohibited Items

- Tobacco
- Vape or drug paraphernalia
- Alcoholic beverages
- Insects, reptiles, or other animals
- Weapons, explosive devices, drugs (including medication) or chemicals
- Any item that is otherwise prohibited by Governing Board Policies, Administrative Regulations or law
- Violation will result in discipline as determined by administration.

ASSEMBLY AND OPENING CEREMONY CONDUCT

Students must sit in their assigned areas in the gym or auditorium. Students who do not conduct themselves appropriately may be removed from assemblies or opening ceremonies, both present and future.

CONSEQUENCE GUIDELINES

CATEGORY I	CATEGORY II	CATEGORY III	POSSIBLE CONSEQUENCES
First Offense			After School or Lunch Detention In School Suspension
Second Offense	First Offense		In School Suspension Off-Campus Suspension, 1-3 Days Loss of Privileges Until Served (e.g. dances, events, etc.)
Third Offense	Second Offense		Suspension, 3-5 days Loss of Privileges Until Served (e.g. dances, events, etc.)
Fourth Offense	Third Offense	First Offense	Suspension, up to 10 Days Long Term Suspension/Expulsion
Fifth Offense	Fourth Offense	Second Offense	Suspension, up to 10 Days Long Term Suspension/Expulsion
Additional Guidelines: <ul style="list-style-type: none"> Chronic “no-shows” to detention will result in an in-school suspension. Suspension days are to be served directly following the completion of the administrative process. The Administration has the discretion to act upon any violation (Categories I, II, III) in a way that is deemed appropriate by the Administration/Law Enforcement. The above consequences are a guide and may vary when administering a consequence. Failure to complete assigned disciplinary consequences may result in out-of-school suspension or recommendation for expulsion. Benjamin Franklin Charter Schools reserve the right to amend above guidelines at any time. 			

SUSPENSIONS

There are two types of suspensions:

- In-school (ISS)- Isolated time in a classroom separated from students
- Out-of-school (OSS) – The student is removed from school for a duration determined by the administration.

In-school and out-of-school suspended students are responsible for assignments given by their teachers and make-up work must be turned in within the regular time frame. Any student assigned an Out-of School Suspension (OSS), is prohibited from attending any BFCS campus activities or events throughout the duration of their suspension.

DETENTION POLICY AND PROCEDURES

In order to offer an outstanding learning experience for all students at Benjamin Franklin Junior High and High School, the school expects students to follow their teacher's classroom rules as well as the BFHS Code of Conduct and Honor Code. The school recognizes that students do not come to us as perfect people – they need to grow and mature. The discipline imparted at BFHS is meant to help in that process and not to be a punitive measure. Part of personal growth involves making positive academic and ethical choices. In the event that students' choices are contrary to BFHS's expectations and standards, students will be held accountable and consequences will be imposed. Assignment of time spent after school serving a detention may be one of the consequences. The purpose of detention is to impress upon students the fact that they are responsible for their behavior and completion of their work.

Reasons for After-School Detention include but are not limited to:

Behavior

Disruptive behavior that interferes with school purposes or educational processes may result in an assigned detention. Under normal circumstances, a student will be given a warning, receive a consequence in the classroom, or possible other in-school consequences before being assigned a detention due to poor behavior. However, if the behavior is severe enough or a pattern of poor behavior has been established, the student may be assigned detention without a prior warning. Detentions may be issued by any authority figure on campus, including office and custodial staff.

Repeated Infractions

Students who receive more than three detentions in a quarter for the same offense will be required to meet with campus administration to determine further disciplinary action.

Detention Procedures

- Teacher notifies parents and campus administration of the reason for detention, and sends a detention notice home with the student.
- Students will serve detention on the day that they are issued, from 2.30 pm - 3.30 pm in the Cafeteria.
- Failure to serve detention will result in the student receiving in school suspension (ISS) the next school day. Late students will be turned away and given ISS the next school day.
- Detentions will only be rescheduled for circumstances beyond a student's control, such as transportation issues or medical appointments. To reschedule, parents must request approval from the front office.
- Students must return the detention notice signed by a parent or guardian to the teacher who assigned the detention the following day. Failure to do so may result in an additional detention being assigned.
 - If the teacher makes contact with a parent by phone, or receives an email response, the teacher may write "phone conversation" on the signature line in lieu of a signature.

Detentions will not be rescheduled to accommodate any after school activities. Detentions and In-School Suspensions (ISS) may prohibit students from participating in an after-school activity. Out-of-School Suspension (OSS) will prohibit students from participation in any after-school activities.

During detention, students will complete a "Reflection Form". The purpose of this form is to allow students to contemplate the reason they were assigned ASD and how to remediate his/her behavior. Students are not allowed to go to other classrooms during detention, nor leave detention early. Misbehaving during detention may result in in-school suspension.

Receiving more than one detention in one school day results in an automatic ISS assignment for the following school day; after school detention will not be served. ISS may include work detail with a custodian or isolated time in a classroom separated from students. Parents will receive a phone call from the office informing them if their student will be serving ISS.

ACADEMIC INTEGRITY

"It is more honorable to fail than to cheat." – Abraham Lincoln

Academic integrity is not just an educational matter but a moral one as well. A major aspect of a classical education is instruction on growing in character and our goal of becoming a virtuous person. With this in mind, BFHS takes very seriously the willful misrepresentation of another student's work as their own. This includes, but is not limited to, plagiarism (intentional or unintentional), cheating on exams and copying the work of other students.

Every effort will be made by the teacher to discern intentional plagiarism from unintentional plagiarism. In the case of the latter, remediation will take place between student and teacher in order to review how to properly cite others' work. This is not a punitive measure, rather an opportunity for the student to understand and correct his/her citation skills. On the other hand, intentional plagiarism and cheating will be dealt with severely including a zero on the assignment, suspension, removal from extra-curricular activities or leadership positions held in the school and, in the case of repeat offenders, disciplinary action.

Turnitin is a tool that BFHS will be using to uphold academic integrity through the use of similarity reports. Any papers submitted with a similarity report of 25% or more will not be accepted. Any papers submitted with a similarity report of less than 25% will be reviewed by the teacher and could result in a conference with the student and/or parent. With the advent and vast availability of AI tools, turnitin.com now has an AI detector embedded into its algorithm. Therefore, any paper that is returned as 25% or more of "qualifying text...[being] determined to be generated by AI" will not be accepted. Students are encouraged to draft all of their written work using their school Google account and Google Drive. This allows teachers the ability to check version and revision histories to help mitigate plagiarism (intentional or unintentional) as well as the use of AI on a portion or all of the writing assignment.

BUS RULES AND REGULATIONS

Arizona law requires that, with respect to the authority of bus drivers, "Passengers shall comply with all instructions given to them by a school bus driver. A passenger or non-passenger who has boarded the school bus and refuses to comply with the bus driver's instructions may be surrendered into the custody of a person who is authorized by the school to assume responsibility for the passenger or non-passenger." (A.A.C. R17-9-104). Bus drivers are required to report student discipline issues to school administrators.

The BFCS bus safety program applies to school buses and any other transportation vehicles used by the school to transport students. Students have the privilege of riding BFCS buses or other vehicles as assigned. Conduct that violates the Student Code of Conduct at bus stops, on BFCS vehicles, in the process of boarding or exiting such vehicle, or otherwise related to the vehicle may result in disciplinary action being taken.

School bus rules are created to protect students, parents, staff and the community. Inappropriate behavior by students pulls the driver's attention away from the road, and thus compromises the bus driver's ability to operate the bus in the safest possible manner. Students must observe the following rules:

Arriving at pickup point:

- Be on time.
- Get in line with other students without pushing or crowding.

Boarding the bus/vehicle:

- Line up in a single file.
- Wait until the vehicle comes to a complete stop before attempting to board.
- Board the vehicle quickly, but without crowding or pushing.
- Never run on the bus.
- Be particularly careful if you are carrying books or parcels.
- Go directly to your seat. Sit straight, well to the back of the seat. Face the front of the vehicle.

Conduct on the bus/vehicle:

- Remain seated throughout the trip.
- Leave your seat only when the bus has reached its destination and comes to a complete stop.
- Keep your books and parcels on your lap or put them under the seat or on the luggage rack.
- Keep the aisle clear.
- Do not talk to the driver except in case of an emergency.
- Avoid doing anything that might disturb or interfere with the driver.
- Do not talk loudly or yell. Be courteous at all times.
- Never stick hands, arms, head or feet out of the window.
- Do not open windows without the driver's permission.
- Do not throw anything within the bus or out of a window.
- Do not touch the emergency door or exit controls or any of the bus safety equipment without the driver's permission.
- Do not discard refuse (garbage) on the bus.
- Do not eat or drink on the bus, with the exception that students may drink water from plastic water bottles.
- Obey the driver's directions and instructions at all times.

Musical instruments, athletic equipment and large school projects:

- Should not occupy a seat needed for a passenger.
- Must not be placed in the driver's compartment or the step well of the bus.
- Must not block the aisle or any emergency exit of the bus at any time.
- Must be under the student's control at all times or otherwise secured.

Prohibited items:

- Tobacco
- Alcoholic beverages
- Insects, reptiles, or other animals
- Weapons, explosive devices, drugs (including medication) or chemicals
- Any item that is otherwise prohibited by Governing Board Policies, Administrative Regulations or law
- Violation will result in discipline outside the scope of normal bus rule consequences

Violation of bus rules may include the following actions by the bus driver:

- Counsel the student.

- Move the student to another seat.
- Issue a bus conduct referral incident form to the student and/or the school administration.

Bus Violation Actions	
Actions taken by school administration may include, but are not limited to:	
1st Offense	Verbal warning from the bus driver
2nd Offense	A campus administrator will schedule a conference with the student. Parent signs and returns the Discipline Report.
3rd Offense*	Three day suspension of bus riding privileges
4th Offense*	Ten day suspension of bus riding privileges
5th Offense*	Thirty day suspension of bus riding privileges
6th Offense*	Suspension of bus riding privileges for the remainder of school year (or at least 4 months - whichever is greater). Suspension carries through to next school year.
*For all bus violations above a 3rd offense: <ul style="list-style-type: none"> • A parent signs and returns the Discipline Report. • A campus administrator will schedule a conference with a parent (telephone or in person) and the student. • If a parent fails to attend a conference, the student will remain suspended from the bus until the conference has occurred. 	

CELL PHONES AND ALL OTHER ELECTRONIC DEVICES

Cell phones and all other electronic devices (with the exception of calculators being used for academic purposes) are to be powered off and kept in students' backpacks during the entirety of the school day. Phones and other electronic devices are not permitted to be used in the school building between the hours of 7:00 am – 3:20 pm. Phones are permitted outside of the school building before and after school only.

Cell Phone and All Other Electronic Devices Violation Actions	
Students who fail to comply with the stated policy regarding cell phones, smart watches or any other <i>non-educational</i> electronic device will be subject to the following discipline procedures:	
1st Offense	Device will be confiscated from the student and delivered to the dean's office. A parent will need to come into the office to retrieve the device.
2nd Offense	The device will be confiscated from the student and delivered to the front office. A parent will need to come into the office to retrieve the device. The student will serve a one day detention.
3rd Offense	In addition to the disciplines outlined in steps one and two, the student will serve one day of out-of-school suspension.

4th Offense

In addition to the previous three steps, students may be referred to the Governing Board for possible expulsion.

BFHS DRESS CODE

Benjamin Franklin students are expected to dress in a neat, conservative fashion reflecting pride in themselves and their school. The dress code is established to help ensure an atmosphere conducive to student learning and free from unnecessary distractions. Pride in student dress is one of the most observable differences at Benjamin Franklin Charter School.

It is both the parents' and the child's responsibility to ensure compliance with the dress code. If a student is not in compliance with the dress code, parents will be notified. The school administration will make final decisions regarding any questions concerning the dress code.

This dress code applies to ALL students. All clothing must be modest in style and fit. Clothing may not be too tight or revealing.

Tops:

- * Must be size appropriate
- * Must cover the shoulders, chest, and back
- * Must overlap the waistband

Not permitted:

HIGH SCHOOL DANCE RULES

Dances should be FUN! BFHS administration wants all students to be safe and comfortable.

- “Extremes” are discouraged, and CLASS is encouraged. (Mohawks, dyed hair, outlandish hats, duct tape, etc., will not be permitted).
- All school rules will be enforced at school dances. (See BFHS Handbook) Offenses will be dealt with accordingly. Any student who engages in disruptive behavior will be asked to leave. Ticket price will not be refunded if the student is asked to leave.
- Students and guests must have a picture ID to be admitted to the dance.
- Students must remain inside the building for the duration of the dance. Access to the courtyard will be approved by administrators/chaperones in attendance.
- Any student/guest who leaves the dance for any reason may only re-enter with permission of the administrator on duty.
- Only appropriate physical contact will be permitted. Suggestive dancing will not be permitted. If contact looks questionable, it will be stopped. Repeated infractions will be cause for expulsion from dance.
- All students and guests must leave the location within 30 minutes of the end of the function. No loitering in parking lots. Please make transportation arrangements within this time limit.
- Junior High students are not permitted to attend high school dances.
- Students in grades 9-12 from other schools may be invited as guests, but are subject to the same dance and school regulations as BFHS students. BFHS students may only bring one outside guest and prior approval must be secured from school administration. Approval forms are in the office. Guests may not be over the age of 19 and must bring a current photo ID with birth date. It is the responsibility of BFHS students to inform their guest about school guidelines.
- Any type of disciplinary issue could potentially prohibit a student from attending a school dance.
- Be aware of your surroundings. Make good choices! Display good character. Make some memories. HAVE FUN!

Dress Code for Formal and Semi-formal Dances

BOYS

- Collared shirt required. Tie strongly suggested.
- Shirts must have sleeves.
- Well-groomed hair and clean-shaven.
- Dress shoes required; no tennis shoes or flip-flops.

GIRLS

- All clothing must be modest. Clothing may not be too tight or revealing.
- Shoulders need to be covered at all times.
- Dresses may not be cut below the bust line (armpits) in the front OR the back.
- Dresses/skirts must be no shorter than 2 inches above the kneecap.
- No sheer/see-through fabric below the bust line.
- Slits are not permitted above the knee.
- No bare midriffs.

PARKING

Parking Rules

Utilizing the parking lot at BFHS is a privilege. Loss of parking privileges may result from, but are not limited to the following:

- Reckless driving/speeding
- Leaving campus without office approval
- Transporting alcohol, illegal substances or any form of weapon on campus
- Transporting students off campus that should otherwise be on campus
- Transporting non-sibling students off campus
- Defiance of any staff member while on campus
- Sharing a parking permit
- Not displaying parking pass at all times
- Unauthorized/non-registered vehicles
- Students are not allowed to sit in cars or loiter in the parking lot during the school day. This includes during lunch.
- Vehicles must be parked straight and occupying one space.

Suspension of parking privileges, towing of vehicles and/or suspension from school may occur when violations of these regulations occur.

Vehicle Damage and Loss Liability

Students who drive vehicles to school will park at their own risk and must understand that neither the school nor the Governing Board are responsible for any vehicular damage, theft, loss of property or damages.

Vehicle Registration

All student-driven vehicles parked on campus must be registered with the school office and display a parking hanger. All student vehicles are to be parked in designated student spaces. Students may not park in staff, visitor, or reserved spaces or in any designated fire lane. The campus speed limit is 15 MPH.

Parking Fees

Parking permits must be purchased at registration and hereafter at the front office. All vehicles that will be driven must be listed on the application. If you should get a new vehicle or drive a different vehicle temporarily, please give the office the temporary vehicle information. Unauthorized/non-registered vehicles are not allowed. Repeat offenses may result in cars being towed.

- The parking permit is \$80 for the year and is prorated per semester. If a parking hanger is lost, the cost to replace it is \$5.
- Refunds will be prorated for students who withdraw during the school year. To receive your refund you must turn in your parking hanger.
- Students who have their parking privileges revoked will not receive a refund.

BULLYING AND HAZING

References: A.R.S. §15-341, A.R.S. §15-2301

Benjamin Franklin Charter School strives to provide a safe, secure and respectful learning environment for all students in our school building, on school grounds, and at school-sponsored activities. Bullying, hazing, and any type of harassment or intimidation have harmful social, physical, psychological and academic impact on all involved. The school consistently and vigorously addresses these issues so that there is no disruption to the learning environment and learning process.

Bullying Definition

Bullying is defined as repeated acts over time that involve a real or perceived imbalance of power with the more powerful child or group attacking those who are less powerful. Bullying can be physical in form (e.g., pushing, hitting, kicking, spitting, stealing); verbal (e.g., making threats, taunting, teasing, name-calling); or psychological (e.g., social exclusion, spreading rumors, manipulating social relationships).

Hazing Definition:

Hazing, by law, is defined as any intentional, knowing or reckless act committed by a student, whether individually or in concert with other persons, against another student, and in which both of the following apply:

- The act was committed in connection with an initiation into, an affiliation with or the maintenance of membership in any organization that is affiliated with an educational institution.
- The act contributes to a substantial risk of potential physical injury, mental harm or degradation, or causes physical injury, mental harm or personal degradation.

"Organization" means an athletic team, association, order, society, corps, cooperative, club or other similar group that is affiliated with an educational institution and whose membership consists primarily of students enrolled at that educational institution.

"Student" means any person who is enrolled at an educational institution, any person who has been promoted or accepted for enrollment at an educational institution or any person who intends to enroll at or be promoted to an educational institution within the next twelve calendar months. The hazing prevention policy of the educational institution where a person has been accepted for or promoted to enrollment, or where a person intends to enroll or be promoted to within the next twelve calendar months, shall be the effective policy. A person who meets the definition of a student for purposes of this paragraph shall continue to be defined as a student for purposes of this section until the person graduates, transfers, is promoted or withdraws from the educational institution.

Prohibition

Bullying and hazing behavior are prohibited in our school buildings, property and educational environments, including any property or vehicle owned, leased or used by the school. This includes public transportation regularly used by students to go to and from school. Educational environments include, but are not limited to, every activity under school supervision. This prohibition extends to student-to-student behavior, as well as student-to-staff and staff-to-student behaviors.

Procedure for Reporting/Retaliation

All school staff members and school officials who observe or become aware of acts of bullying or hazing are required to report these acts to the school principal or any member

of the administration team. Any other person, including a student who is either a victim of the bullying or is aware of the bullying or any other concerned individual, is encouraged to report the conduct to a teacher or the school principal. Reports of bullying may be made verbally or in writing and may be made confidentially. All such reports, whether verbal or in writing, will be taken seriously and will be investigated. A clear account of the incident is to be documented. A written record of the report, including all pertinent details, will be made by the recipient of the report. The school official receiving a report of bullying shall immediately notify the principal, who is responsible for investigating the report or identifying the employee that will be doing the investigation. There shall be no retaliation against individuals making such reports. Individuals engaging in retaliatory behavior will be subject to disciplinary action. Filing a report in good faith will not reflect upon the individual's status, nor will it affect his or her grades or employment status by the school if the complainant is an adult staff member. The school shall keep the complaint confidential for both the accused and the accuser, until such time as the misconduct is confirmed and sanctions are imposed.

Procedure for Investigating Reports of Bullying or Hazing:

The person assigned by the school to conduct an investigation of the bullying or hazing report shall, within one school day, interview the person(s) who are the victim(s) of the bullying/hazing and collect whatever other information is necessary to determine the facts and the seriousness of the report. Parents and/or guardians of each pupil involved in the incident will be notified prior to the conclusion of the investigation. The school shall maintain the confidentiality of the report and any related pupil records to the extent required by law.

Sanctions and Supports

If it is determined that students participated in bullying or hazing behavior or retaliated against anyone due to the reporting of bullying or hazing behavior, the school executive director and governing board may take disciplinary action, including the following: suspension, expulsion and/or referral to law enforcement officials for possible legal action as appropriate. Student services staff will provide support for the identified victim(s).

Disclosure and Public Reporting

The policy will be distributed annually to all students enrolled in the school, their parents and/or guardians and employees. The school will also provide a copy of the policy to any person who requests it.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible

student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

- School officials with legitimate educational interest
- Other schools to which a student is transferring
- Specified officials for audit or evaluation purposes
- Appropriate parties in connection with financial aid to a student
- Organizations conducting certain studies for or on behalf of the school
- Accrediting organizations
- To comply with a judicial order or lawfully issued subpoena
- Appropriate officials in cases of health and safety emergencies
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

FERPA Compliance Guidelines for Teachers

The following guidelines are offered to assist teachers in complying with the confidentiality requirements concerning student education records under the Family Educational Rights Act (FERPA). For the purposes of these guidelines, educational records are defined to include all records, files, documents, and other materials that contain personally identifiable information on any student as well as personally identifiable information itself.

Teachers CANNOT:

- disclose education records to other school employees who do not have a legitimate interest in the educational records for purposes of carrying out their authorized duties as determined by the school.
- disclose educational records to college-level student teachers, consultants, or authorized community volunteers who do not have a legitimate educational interest in the education records as determined by the school.
- disclose education records (including student contact information) to persons who are not school employees, college-level student teachers, or authorized community volunteers unless permitted to do so by the building principal.
- disclose education records (including student contact information) to other students. - post student grades or give access to the teacher gradebooks.

Teachers CAN:

- check with the building principal to determine what information has been designated under FERPA as "directory information" at a particular school. Certain directory information, such as student names, participation in sports, and awards, is eligible for disclosure through the school office.
- disclose education records to other employees who have a legitimate interest in the education records for purposes of carrying out their authorized duties as determined by the school.
- disclose education records to college-level students, consultants, and authorized community volunteers who have a legitimate interest in the education records for purposes of carrying out their authorized duties as determined by the school.
- direct or allow students to grade, edit, and/or correct each other's work and provide the results to the teacher for use or consideration in assigning student grades.
- allow any student assistant or student volunteer to grade, edit, and/or correct student work and provide the results to the teacher for use or consideration in assigning student grades.

- display work with the student name as long as the grade is not visible.
- display anonymous student work showing a grade, corrections or other markings as long as the student name is not visible.

The Supreme Court determined that FERPA does not apply to papers graded by students prior to their inclusion in teacher grade books. Teachers are strongly encouraged to consider the following factors when students are grading other student's work:

- Maintaining a classroom environment that respects the dignity of all students.
- Using student grading as a learning opportunity.
- Collecting and distributing papers in the most time-efficient manner possible.
- Discouraging the calling out of scores in class.

MCKINNEY-VENTO ACT

Subtitle B of Title VII of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.) is included in the Every Student Succeeds Act of 2015. The reauthorization requires that children and youths experiencing homelessness are immediately enrolled in school and have educational opportunities equal to those of their non-homeless peers.

The McKinney-Vento Homeless Education Assistance Act includes certain rights and/protections to:

- Go to school, no matter where you live or how long you have lived there. You must be given access to the same public education provided to other students.
- Continue in the school you attended before you became homeless or the school you last attended, if that is your choice and is feasible. The school district's local liaison for homeless education must assist you, if needed, and offer you the right to appeal a decision regarding your choice of school if it is against your wishes.
- Receive transportation to the school you attended before you became homeless or the school you last attended, if you request such transportation.
- Attend a school and participate in school programs with students who are not homeless. Students cannot be separated from the regular school program because they are homeless.
- Enroll in school without giving a permanent address. Schools cannot require proof of residency that might prevent or delay school enrollment.
- Enroll and attend classes while the school arranges for the transfer of school and immunization records or any other documents required for enrollment.
- Enroll and attend classes in the school of your choice even while the school and you seek to resolve a dispute over enrollment.
- Receive the same special programs and services, if needed, as provided to all other students served in these programs.
- Receive transportation to school and to school programs.

If you believe your student is eligible for McKinney-Vento services, please contact your school's Assistant Principal.

TECHNOLOGY USE AGREEMENT

This document serves as BFHS Acceptable Use Policy for the Use of Computers and Telecommunications. This contract is in effect for the length of the student's studies at BFHS. Benjamin

Franklin High School makes computer and Internet services available to students and staff and in support of the educational objectives of the school. The BFHS network system has been established for a limited educational purpose. The term *educational purpose* is used in the context of instruction-related activities, including but not limited to classroom-based projects and student work, college and career explorations, and high-quality, academically-enriching research. Recognizing the value of the internet, BFHS supports teachers and students being engaged in an online environment that allows them to discuss, collaborate, communicate, create, and share in a safe, ethical, and responsible manner. To use these services, individuals must acknowledge their understanding of these guidelines. Cell phones and iPods are not acceptable means of accessing an online environment and must remain turned off in the student's backpack for the duration of the school day.

Appropriate Uses of the Network and Internet

The following are some appropriate uses of the network and the Internet:

- Using software, completion of class assignments, or conducting research as directed by a teacher.
- Preparing documents or multimedia using computers, the network or the Internet.
- Gaining access to information and news from internet sources such as the US government, commercial media, universities or other educational sources.

Inappropriate Uses of the Network and Internet

The following are prohibited actions concerning the use of BFHS's computer network and the Internet:

- Sharing of passwords or security codes.
- Gaining or attempting to gain unauthorized access to systems and network resources.
- Tampering with, modification of, or misuse of the computer system in a way which could be viewed as a security violation or vandalism.
- Attempting to read, delete, copy or modify electronic files or email of other system users.
- Deliberate interference with the operation of the network.
- Attempting to install software or load files onto BFHS computers or networks without authorization. This includes, but is not limited to game files.
- Misleading staff about the reason for or nature of internet and computer use.
- Use of BFHS owned computer equipment or BFHS provided Internet access for non-instructional purposes, financial gain or profit.
- Attempts to harm or destroy BFHS owned equipment, materials and/or data belonging to BFHS or any authorized users of the network, or other networks connected to the Internet.
- Uploading or creating computer viruses.
- Duplication of software in violation of licensing and copyright laws.
- Use of software not owned, licensed or authorized by BFHS.
- Harassing, insulting, threatening or attacking others via electronic means.
- Downloading, storing, displaying, viewing, sending or printing files or messages considered obscene, profane, violent, racist or dangerous.
- Unauthorized use of email or instant messaging.
- Posting personal contact information about yourself or others on the Internet.
- Posting inappropriate material or creating links to inappropriate sites when designing web pages or web-based resources.

- Use of the BFHS's network system for entertainment purposes (e.g., accessing social networking sites including but not limited to Twitter, Instagram, Snapchat, Tiktok, , Facebook, YouTube) is not allowed.

School Monitoring of Computer Activity

- Users should expect no privacy of the contents of personal files on the BFHS network.
- Routine monitoring and maintenance of the network may lead to the discovery of violations of this policy, BFHS regulations, State or Federal law.
- Filtering software will be used to filter out inappropriate sites. Attempts to access inappropriate sites will be recorded along with user information.
- Computers and student records may be monitored to determine internet sites visited.
- Students will be monitored by teachers and support staff while using computers and the Internet.
- Other monitoring means may be used to check the systems for violations.
- BFHS is not responsible for damage or theft of students' personal technology brought from home to use at school.
- At no time are students permitted to take video or pictures on a BFCS campus unless expressed consent is granted.

Results of Violations

Any attempt to violate the provisions of this agreement will result in revocation of the user's privilege, regardless of the success or failure of the attempt. In addition, school disciplinary action and/or appropriate legal action may be taken. The decision of BFHS regarding inappropriate use of technology or telecommunication resources is final. Monetary remuneration will be sought for damage necessitating repair or replacement of equipment.

Use of BFCS computers or network to access these services implies acceptance of this agreement.

Additional Agreements

In order to participate in the BFHS program, parents and/or students may be required to sign technology use agreements from technology providers such as Microsoft, Google, Apple, etc.
