

Communication Team Meeting Minutes

January 29, 2015

Present: David Murray, Becky Schalch, Jamey Johnson, Christy Graves, Diana Wells, Sherry Myers, Holly Linville, Skip Wagner

Team discussed the January board meeting media report. It was noted that a new board chair and vice chair was chosen. Chair-John Burns; Vice Chair-Marsha Jones Superintendent Murray stated that since no students of the month were nominated for January that a procedure needed to be developed for the teachers to go by to get that done. Mr. Johnson said he would talk to teachers about that at the teachers meeting Tuesday.

Superintendent Murray noted that Mr. Hamm had recommended the ELEOT System for Administration walk through in classes.

Superintendent Murray stated that communication was improving between board members and staff. He said it was suggested at the board meeting that board members visit classes. He wants us to continue to work on ways to improve communication with the board and staff. He also stated that he would tell the board that teachers do want them to visit their classes.

Superintendent Murray discussed urgency with the district and what it meant. He stated that he had been told that in the state December Board Meeting that the state did not see us as using urgency to address issues at the school which they felt was going to affect student's education and test scores. The team discussed ways to address urgency and the importance of it.
