Mission

Bishop Dunne Catholic School empowers each student to explore, inquire, lead, and serve through a college preparatory education in a joyful community of faith.

Description of School

Bishop Dunne is a co-educational Catholic school serving students in grades 6 through 12. Bishop Dunne students represent exceptionally broad academic, socioeconomic, geographic, and ethnic backgrounds. The student body consists of a diverse mix of African American, Hispanic, and White students. In addition, many students come from limited English-speaking families and are first-generation college-bound students.

Instructional Insight

Academic instruction was not halted during the COVID-19 pandemic as Bishop Dunne requires e-learning resource capability for all students. Instruction continued via Microsoft Teams and various other technical platforms throughout the established "Shelter-in-Place" protocols. All students have been in-person since the 2021-2022 school year as the threat of the pandemic has waned.
