(circle one)

Do you drive any other vehicles to school?

YES

NO

(circle one)

If yes, please give vehicle information below:

SECOND VEHICLE INFORMATION

License Plate No:
Make and Model:
Year and Color:

NOTES:

❖ If you drive more than one vehicle, you need to move the parking permit to the vehicle you plan to drive to school that day. You do not need to pay for more than one parking permit.

❖ If two family members drive two separate cars and both will be parked at the school, two permits must be purchased. (Every car parked at LHS every day must have a parking permit visible on the rearview mirror.)

❖ Each permit is \$20.00 per semester.

❖ Any student who might drive to school fewer than fifteen days in a semester may pay a daily fee. The daily permit rate will be \$1.00 per day. The student must display the dated parking pass on the dashboard or be subject to a parking fine.

❖ Cars unauthorized to park in lot may be towed (at owner's expense).

FINES:

\$5.00 fine for not registering vehicle and paying the permit fee. Warning, if repeated.

\$10.00 fine and warning for unsafe driving in the parking lot.
