While Fall ordering covers most of the academic year, there will be some ordering needed for second semester in some courses. These are mostly Upper Mid & Senior electives.

- ❖ Second Semester ordering will be available **after** Thanksgiving Break.
- ❖ **Students:** After receiving your program/schedule log in to MBS to create your account, find your courses, and order away. You will need your Taft email address. Returning students should already have an account.

**Financial Aid (FA) students getting textbook aid will receive a separate email with an ID & Voucher Code for online checkout. This applies only to students on full financial aid.**  
Checkout information coming in a separate email. Please look for it.

**Important:** Order only the editions listed, other editions will not match course syllabi.

- ❖ If marketplace purchase is chosen, MBS is not responsible for payment/shipping issues. This is similar to buying independently off Amazon, Google, etc.

**A few items of note:**

1. ETexts & Used books are offered if available/allowed. ETexts are preferred in a few courses. This is noted on the course page. **Do not duplicate** your purchase ie; Etext **AND** Hardcopy
2. **Rentals seem like a great idea until you don't return them-Happens Every Year-BEWARE**
3. After placing an order for an EText, **an email will be sent from MBS/BNC, Mr. Burnett or appropriate link with ECode/download/access instructions.**
4. Books may be shipped to your home or drop-shipped to Taft and picked up upon arrival at the Taft Bookstore.
  - ❖ Due to very limited package room space, **it is helpful for all who can to ship books home. Especially New England students.**
5. **Explanations of returns/exchanges** are available on the MBS site. Students should read this as book exchanges are all done through MBS.  
**PLEASE KEEP YOUR PACKING SLIPS!!** Enclosed with order and necessary for returns.
