Dear Parents:

Welcome to your new school community! I am sure that you and your children are excited to be starting at a new school, and we are pleased to have you as a new member of the Dry Creek Joint Elementary School District.

I want to assure you that we will make every effort to keep your child in his/her neighborhood school. However, it may be necessary for us to reassign some children to other schools within the district in order to comply with state and district laws and policies on class size.

If your child is to be transferred, you will be notified prior to the move.

If you have any questions regarding these issues, your school principals will be happy to discuss them with you personally.

We look forward to working with you and your children.

Sincerely,

James Ferguson
Assistant Superintendent, Administrative Services

I have read and understand the possible school or classroom reassignment.
