

### **REPORTING STUDENT SUBSTANCE ABUSE**

The board recognizes the complexity of problems which may be associated with student substance abuse. The concern is for the well-being and best interests of students at all times. Therefore, the following procedure will be utilized by teachers in reporting students who appear to be under the influence, as defined by law, of: low-point beer, alcoholic beverages, or controlled dangerous substances.

When it appears to a teacher that a student may be under the influence of low-point beer, alcoholic beverages, or controlled dangerous substances (drugs), the teacher will report the matter in writing to the principal. Whenever possible, the teacher should attempt to obtain a corroborative observation from another teacher or administrator.

The report of the teacher will state the date, time, and place of the incident. It will also describe the actions of the student or other circumstances from which the teacher concluded that the student appeared to be under the influence of low-point beer, alcoholic beverages, or controlled dangerous substances.

The principal or his/her designee will also immediately notify the student's parent or legal guardian of the report. The notification to the student's parent or legal guardian may be verbal, but will be promptly confirmed in writing. Principals and designees will also notify the superintendent of the incident.

A copy of this policy will be delivered to each teacher.

### **STAFF DEVELOPMENT**

The district's certified personnel must earn a minimum of five (5) points during each school year and accumulate a minimum of seventy-five (75) points during a five-year period. These points will be authorized by prior approval of the activity by the superintendent and will follow the guidelines as established by the staff development committee and the board of education. The district shall keep a record of each staff development activity in the office of the Staff Development Committee.

The district shall require the superintendent to inform employees of their point status at the end of the first semester of school, so that any deficiencies in in-service points may be corrected. The Staff Development Committee will give the superintendent this total of individual points.

Teachers will be notified in writing at the end of the first semester of their points earned. At the end of the school year teachers will receive copies of total points earned for that year. They will also sign their record sheet.

For accounting purposes, staff development requirements by the local staff development plan, points must be in, on or before the last day of the current school year. A re-employment contract is contingent upon successful completion of the requirements of the local staff development policy. Points earned while teaching at another school may be transferred for credit at this institution.

Teachers must attend all meetings called or approved by the superintendent. Teachers are expected to attend those professional meetings for which they are given days off from school to attend. Local teachers meetings will be called as needed by the superintendent.

In addition to these requirements, all teachers will be required to participate in individual growth goals in accordance with the programs and guidelines established by the Oklahoma State Department of Education. These growth goals will be established in conjunction with a teacher's evaluation (regardless of whether a teacher is evaluated during a school year) but will not increase the required number of professional development points needed under this policy.

## **CERTIFIED EMPLOYEE LEAVE**

### **Leaves of Absence:**

An employee who has worked for the school system for three consecutive years may be granted a leave of absence. Leaves of absence may be granted for the remainder of the academic year and extended for one additional year with Board of Education approval. The Board must approve employment during the leave of absence. Failure to get such approval may result in termination of the leave of absence. Request for leave of absence for personal illness or caring for a sick member of the immediate family must be accompanied by a physician's statement.

Teachers are returned from leave of absence in accordance with the Board of Education's regulations. Request for a return from a leave of absence for personal illness must be accompanied by a physician's statement. Upon the expiration of a leave of absence, the teacher shall be returned as agreed by individual written agreement between the teacher and the Board of Education. Individual Teacher- Board agreements are to be regulated by other areas of the negotiated agreement if not specifically covered by individual Teacher-Board leave of absence agreement. Teachers returning from leave of absence are to return without loss of tenure or seniority.

Upon expiration of a leave of absence, the teacher will be returned to a position in his/her field of certification. The teacher will notify the Board of Education by April 1 of each year of his/her intent to request an extension of the leave of absence. If such request is not received by April 1, the present leave of absence will automatically expire. The Superintendent may extend this date for unforeseen circumstances.

The Board shall provide temporary leave of absence with pay for the time necessary for appearance in legal proceedings affecting the employee's employer, the school, the system, or other legal proceedings as required by law except those in which the employee is the defendant or plaintiff.

## **SHORT-TERM ABSENCES**

### **A. Personal Illness**

A teacher shall be entitled to leave with full pay up to ten (10) working days each school year. A teacher may be absent from his/her duties due to personal accidental injury, illness or pregnancy, or accidental injury, or illness in the

immediate family without the loss of salary.

**B. Unused Sick Leave**

Unused sick leave shall be accumulative from year to year as long as the employee remains continuously in the system, provided the maximum sick leave credit shall be reduced by one day for every day that the employee is absent for reasons covered by the sick leave policy. Maximum number of days that can be accumulated for purposes of sick leave shall not exceed one hundred fifty-five (155) days at the beginning of the school year.

**C. Bereavement Leave**

A teacher may be absent without loss of pay for five (5) days for each death of spouse/child, three (3) days for each death in the family of first or second-degree relationship. (Guardian, mother, father, brother, sister, grandparents and corresponding relatives by affinity). The three (3)-five (5) day family death limitation shall be extended to five (5)-seven (7) days when distance for travel becomes a factor. One-day absence without loss of pay, but chargeable to sick leave, may be granted upon the death of members of the family other than first or second-degree relation (aunt, uncle, niece, or nephew). If not used within ten (10) days of the death, approval must be granted by the Superintendent/designee.

**D. Professional Duties**

Absence without loss of pay to the teacher may be granted by the principals, upon the approval of the Superintendent, for professional duties. The MEA will be granted up to twenty-five (25) release days to be used for Association business as needed. These days must have prior approval by the MEA President and the Board will pay substitute cost.

An additional 20 days will be granted for OEA/NEA elected or appointed officials to perform duties required of their office. No one person shall receive more than ten (10) days. The district will retain any reimbursement for the cost of substitutes from the OEA/NEA for these days.

Leave without loss of pay to the teacher to participate in civic and community activities may be granted by

the principal upon the approval of the Superintendent when such leave has a direct relationship to the school and/or educational welfare (or is designed to contribute to better school-community relations).

**F. Jury Duty/Witness**

School employees, like other good citizens, are expected to serve on juries or called as a witness when summoned. When absence for such duty has been made

and a substitute is required, this substitute will be paid by the Board of Education. When the employee has been reimbursed by the court, he/she will endorse the warrant and bring, or send, it to the Clerk of the Board of Education. In this way, the employee will have received his/her full salary and the Board of Education is partially reimbursed for the substitute's pay or for the lost service of the employee.

### **G. Personal Business**

- 1) The Muskogee School District shall provide for all teachers a minimum of three (3) "unrestricted" days for personal business leave upon the request of the teacher. An additional two (2) days may be used with the teacher paying \$80.00 per day. Five (5) days prior notification must be given except in the event of an emergency for the fourth and fifth days.

Upon approval of personal business leave, the Board agrees to pay the cost of the substitute for the three (3) personal business days. Teachers will be reimbursement for unused days at the end of the school year at the rate of \$80.00 per day.

- 2) Request for personal business leave shall be made on the Authorization for Absence form provided by the District, and in advance when possible; if not possible, the form should be filed within one day after returning to work. The request will be made to the principal and approved by him/her and the Superintendent of Schools/Designee.
- 3) Personal business leave may not be used on the first five (5) or last five (5) instructional days, the day before or the day after the Thanksgiving break, the day before or the day after the Christmas break, the day before or the day after Spring break, nor the during days of state mandated testing. Exceptions may be granted by the Superintendent.

### **H. Disaster Leave**

- 1) Leave without loss of pay may be granted at the discretion of the superintendent for absences caused by disaster to an employee's personal property or for other unusual or unavoidable circumstances of hardship. Before disaster leave may be used the employee must use the three (3) personal business days that the district pays for the sub, except in district-wide emergencies.

### **Epidemics/Pandemics**

District teachers and administrators shall be entitled to pay for any time lost when school is closed on account of epidemics or otherwise when an order for such closing has been issued by a health officer authorized by law to issue the order. Teachers and Administrators are not required to use leave for time lost in these circumstances if the campus is closed and no work is assigned.

This provision does not prevent the District from requiring teachers and administrators to telework from home or another site when the school campus is closed due to an epidemic. Teachers or administrators who have been directed to telework who are unable to work from home or another site due to illness or another reason should utilize their accrued leave to cover their absence.

#### Employee Association Leave

A certified employee may request a leave of absence to hold office as an officer, director, trustee, or agent of a national, statewide, or school district employee association. The certified employee requesting employee association leave must provide the district superintendent, or their designee, with proof of election and proof of the term of office for the national, statewide, or school district employee association. Proof of election must include certification by the employee association of the date of the election and the results of the election.

The board of education may, in its sole discretion, grant a request for leave of absence under this section, but such leave will be without pay and without benefits granted by the district, regardless of whether the benefit is paid by the employee on leave or the association for which the employee is serving as an officer, director, trustee, or agent. If the request for employee association leave is granted, the board of education will provide definitive beginning and end dates for the approved leave of absence.

During the employee association leave period, the employee's position with the district will be maintained without advancement on the minimum salary schedule and without accrual of sick leave, personal business leave, or personal leave. Furthermore, the employee on leave will not accumulate service credit within the Teacher's Retirement System of Oklahoma. Following the conclusion of a leave of absence approved by the board of education under this section, the employee may return to their former position or a comparable position.

During the leave of absence, the employee granted leave will be prohibited from accessing district office space.

### **SICK LEAVE EXCHANGE**

The Board of Education has established a leave sharing program for all certified teachers. The program shall permit district employees to donate or receive sick leave. Sick leave may be donated to and/or received by employees within Muskogee Public Schools. The recipient must be pregnant or recovering from, or who is suffering from an extraordinary or severe illness, injury, impairment, or physical or mental condition that has caused or is likely to cause the employee to take leave without pay or to terminate employment.

Guidelines for Sick Leave Sharing are:

- 1) "Relative of the employee" means spouse, child, grandchild, guardian, mother, father, brother, sister, grandparents and corresponding relatives by affinity.
- 2) "Household members" mean those persons who reside in the same home, who have reciprocal duties to and do provide financial support for one another. This term shall include foster children and legal wards even if they do not live in the household. The term does not include persons sharing the same general house, when the living style is primarily that of a dormitory or commune;
- 3) "Severe" or "extraordinary" means serious, extreme, or life threatening;
- 4) "District employee" means a teacher of the school district;
- 5) The donator cannot drop below eleven (11) accrued days;
- 6) The recipient of sick leave cannot receive more than 100 days during total employment with district.
- 7) The receiving employee must have exhausted or will exhaust all of his/her earned sick leave, including all applicable state days.
- 8) The Board of Education shall require the employee to submit, prior to approval or disapproval, a medical certificate from a licensed physician or health care practitioner verifying the severe or extraordinary nature and expected duration of the condition.
- 9) Sick leave not used will be returned to the donor.
- 10) All sick leave must be given voluntarily. No employee shall be coerced, threatened, intimidated or financially induced into donating days.

- 11) The donated sick leave received will be designated as shared sick leave and be maintained separately from other sick leave balances.

- B. "Dismissal" means the discontinuance of the teaching service of a teacher during the term of a written contract.
- C. "Nonreemployment" means the nonrenewal of a teacher's contract upon expiration of the contract.
- D. "Suspension" means the temporary discontinuance of a teacher's services during the term of a contract pending dismissal or nonreemployment.
- E. "Career teacher" means a teacher who:

    - completed four (4) consecutive, complete school years in the district with averaged rating of "effective" or higher for the four (4) year period with ratings of at least "effective" for the last two (2) of the four (4) years; or
    - Although the law permits an employee to establish career status after completing four (4) consecutive, complete school years in the district with a board approved principal and superintendent recommendation, the board will not approve any of these recommendations.

- F. "Probationary teacher" means a teacher who:
- i. was employed by the district prior to the 2017-2018 school year and has completed fewer than three (3) consecutive, complete school years in such capacity in the district under a written teaching contract; or
  - ii. was employed by the district during or after the 2017-2018 school year under a written teaching contract and has not met the requirements to be a career teacher as described above.
- G. "Abandonment of contract" means a teacher's failure to report at the beginning of the contract term or otherwise perform the assigned duties when the teacher has accepted other employment or is performing work for another employer that prevents the teacher from fulfilling the obligations of the employment contract.
- H. This policy does not apply to:
- i. substitute teachers,
  - ii. adult education teachers or instructors,
  - iii. nonrenewal of teachers employed on temporary contracts for a complete year;
  - iv. nonrenewal and dismissal of teachers employed on temporary contracts for less than a complete school year.
  - v. administrators, except with regard to service in an instructional, non-administrative position.
- I. This policy does apply to teachers employed in positions *fully funded* by federal or private categorical grants in regard to dismissals or suspensions during the term of employment under the grant, but not in regard to "nonreemployment" at the expiration of the grant.

2. Grounds for Dismissal or Nonreemployment

- A. A career teacher may be dismissed or not reemployed for:
- i. willful neglect of duty,
  - ii. repeated negligence in performance of duty,
  - iii. incompetency,
  - iv. unsatisfactory teaching performance,

- v. instructional ineffectiveness (starting in 2017-1018 this includes but is not limited to being evaluated as “needs improvement” or lower for 3 consecutive years),
- vi. mental or physical abuse to a child,
- vii. commission of an act of moral turpitude,
- viii. abandonment of contract,

- x. failure to meet local school board staff development requirements (non-reemployment only),
- xi. engaging in acts which could form the basis of criminal charges sufficient to result in denial/revocation of a teaching certificate, or
- xii. any other grounds hereafter allowed by law.

B. A career teacher shall be dismissed or not reemployed for

- i. conviction of a felony,
- ii. conviction of any sex offense subject to Oklahoma's Sex Offenders Registration Act or another state's or the Federal Sex Offender Registration Provisions, or
- iii. instructional ineffectiveness. Starting in 2017-2018, this includes teachers with an ineffective rating for 2 consecutive school years.

Although the law permits the board to approve a superintendent's recommendation that ineffective teachers be retained, the board will not approve such recommendations.

C. A probationary teacher may be dismissed or not reemployed for cause, including but not limited to engaging in acts which could form the basis of criminal charges sufficient to result in denial/revocation of a teaching certificate. Starting in 2017-2018, cause includes, but is not limited to, an ineffective rating for 2 consecutive school years or failure to obtain career status in 4 years.

D. A probationary teacher shall be dismissed or not reemployed for

- i. conviction of a felony,
- ii. conviction of any sex offense subject to Oklahoma's Sex Offenders Registration Act or another state's or the Federal Sex Offender Registration Provisions,

- E. A cause listed 2A(i) - (v) for a career teacher, or any cause related to inadequate teaching performance for a probationary teacher, shall not be a basis for a recommendation to dismiss or not reemploy a teacher unless corrective action procedures involving admonishment / plan for improvement have been followed. Dismissal or nonreemployment for any cause not listed in 2A(i) - (v) for a career teacher, or not related to inadequate teaching performance for a probationary teacher, shall not require corrective action procedures (i.e. admonishment) to be followed.
- F. Corrective Action – Admonishment / Plan for Improvement
- i. When an evaluator who has evaluated a teacher pursuant to district policy identifies poor performance, conduct or an evaluation rating which the evaluator believes may lead to a recommendation for the teacher's dismissal or nonreemployment, the evaluator shall:
    - admonish the teacher, in writing, and make a reasonable effort to assist the teacher in correcting the poor performance or conduct; and
    - establish a reasonable time for improvement, not to exceed two (2) months, taking into consideration the rating on the evaluation or the nature and gravity of the teacher's performance or conduct.
  - ii. Whenever a member of the board of education, superintendent, or other administrator identifies poor performance or conduct that may lead to a recommendation for dismissal or nonreemployment of a teacher, the evaluator who has responsibility for evaluation of the teacher shall be informed and shall admonish the teacher as described above. If the evaluator fails or refuses to admonish the teacher within ten (10) days after being informed of the problem, the board, superintendent or other administrator who identified the problem shall admonish the teacher.
  - iii. If the teacher does not correct the poor performance or conduct cited in the admonishment within the time specified, the admonishing official shall make a recommendation to the superintendent for the teacher's dismissal or nonreemployment. The superintendent shall furnish a copy of the recommendation to the board of education.
  - iv. The District will not prohibit, or take disciplinary action against, a teacher for:
    - a. Disclosing public information to correct what the teacher reasonably believes evidences a violation of the Oklahoma Constitution or law or rule promulgated pursuant to law;
    - b. Reporting a violation of the Oklahoma Constitution, or state or federal law; or

Reporting means providing a spoken or written account to a supervising teacher, administrator, school board member, representative from the State Department of Education, law enforcement official, district attorney and/or parent or legal guardian of a student directly impacted by the actions.

The District may discipline any teacher who violates a student or parent/legal guardian's confidentiality rights and protections pursuant to the Family Educational Rights and Privacy Act (FERPA) and any other state or federal law which requires confidentiality of information concerning students.

### 3. Procedures for Dismissal or Nonreemployment

#### A. Commencement of Action

- i. Whenever the superintendent determines that cause exists for a district teacher's dismissal or nonreemployment, the superintendent shall submit a written recommendation to the board of education. The recommendation shall state the specific ground(s) (statutory grounds, in the case of a career teacher) and specify the underlying facts on which the recommendation is based.
- ii. In the absence of a recommendation from the superintendent pursuant to this section, or when the board of education chooses not to accept the superintendent's recommendation as to reemployment of a teacher, the board may initiate dismissal or nonreemployment action without a recommendation provided that it adheres to the other provisions of this policy and that the corrective action procedures, if applicable, have been followed.

#### B. Suspension

Whenever the superintendent believes cause exists for a teacher's dismissal and that the immediate suspension of the teacher would be in the best interests of students, the superintendent, or the board of education on the recommendation of the superintendent, may suspend the teacher without notice or hearing. The suspension shall not deprive the teacher of any teaching compensation or other benefits to which he/she would otherwise be entitled under the teaching contract or law. Within ten (10) days after the suspension becomes effective, the board of education shall initiate a hearing for dismissal pursuant to this policy. However, in a case involving a criminal charge or indictment, such suspension may extend to such time as the teacher's case is finally adjudicated, except such extension shall not include any appeal process.

## C. Notice and Hearing

- i. Prior to taking action to dismiss or nonreemploy a teacher, the board clerk or designee shall deliver a copy of the recommendation (or comparable statement of the grounds and underlying facts if the board is acting on its own volition) and notice of hearing rights to the affected teacher. The notice shall contain the date, time, and location of the hearing and shall be delivered by (i) certified mail, restricted delivery, return receipt requested; (ii) personal delivery, with a signed acknowledgment of receipt from the teacher; or (iii) process server. Delivery must be made to the teacher prior to the first Monday in June for a nonreemployment. The hearing shall be held between 20 and 60 days from the teacher's receipt of the hearing notice.
- ii. The teacher hearing before the board of education shall be conducted pursuant to procedures established by the State Department of Education. In the absence of or to the extent not inconsistent with those procedures, the hearing shall be conducted as prescribed in the paragraphs below.
- iii. The hearing shall commence with a statement to the teacher of the teacher's rights at the hearing. Following this statement, the school administration shall present facts showing the cause for the teacher's dismissal or nonreemployment. The teacher shall then have the right to present the teacher's side of the matter. After both the school administration and the teacher have fully presented their respective positions, the board of education shall deliberate on the evidence regarding the teacher's dismissal or nonreemployment in executive session.
- iv. At the hearing, the teacher shall be entitled to be represented by counsel, to cross-examine witnesses presented by the school administration, to present witnesses on the teacher's behalf and to present any relevant evidence or statement which the teacher desires to offer. The burden of proof for any dismissal or nonreemployment shall be on the superintendent (or designee), and the standard of proof shall be a preponderance of the evidence.
- v. After due consideration of the evidence and testimony presented at the teacher's hearing, the board shall vote, in open session, on the following: (1) findings of fact based on the evidence submitted and (2) whether to dismiss or nonreemploy the teacher. The decision shall be made by a majority of the board of education members present at the meeting and shall be final and nonappealable

The motion to dismiss or nonreemploy the teacher should state the specific cause for dismissal or nonreemployment, although such cause need not be a statutory cause for a probationary teacher.

- vi. The teacher shall be sent notice of the board's decision by certified mail, restricted delivery, return receipt requested, or substitute process. The notice shall state the basis for the board's decision.
- vii. The teacher shall receive any compensation or benefits to which the teacher is entitled until such time as the board's decision is final. If the teacher's hearing is for nonreemployment, and not for dismissal, the teacher's compensation and benefits may continue only until the end of the teacher's current contract.

D. Criminal Matters

4. Teachers with a Suspended Certificate

A teacher whose certificate has been suspended by the State Board of Education pursuant OKLA. STAT. tit. 70, Section 3-104 and OKLA. STAT. tit. 75, Sections 314 and 314.1 shall be placed on paid suspension while proceedings for revocation or other action are pending before the State Board of Education. During the time the teacher's certificate is suspended, the District may initiate due process procedures in accordance with OKLA. STAT. tit. 70, Section 6-101.20 *et. seq.*

Whenever the superintendent (or board) makes a recommendation for a teacher's termination based on conduct which could form the basis of criminal charges sufficient to warrant revocation of the teacher's certificate, the superintendent shall forward a copy of the recommendation to the Oklahoma State Department of Education and the teacher at the conclusion of any due process provided to the teacher or upon acceptance of the teacher's resignation.

**REDUCTION IN FORCE POLICY - CERTIFIED TEACHING PERSONNEL**

1) General Matters

- a) Reasons for a Reduction in Force: A teacher may be dismissed or non-reemployed when the board decides that due to (i) a financial necessity or (ii) a program change for institutional reasons or (iii) a decline in enrollment or (iv) other business necessity as determined by the board, a reduction in teaching staff for the following fiscal year is necessary.
- b) Definitions: For the purpose of this policy, the following terms have the stated meanings:
  - i) "Financial Necessity" means a reduction in the School District's financial resources resulting from declining enrollment or any other action or event that in the sole judgment of the board of education will result in a reduction in the School District's current or future operating budget.
  - ii) "Program change" means any elimination, curtailment or reorganization of a curriculum offering, program or school operation or a reorganization or closing of a school or consolidation of two or more individual schools or school districts that is unrelated to financial exigency.
  - iii) "Declining enrollment" means a decrease in the School District's total enrollment or enrollment in a particular program or curriculum offering which in the sole judgment of the board of education may adversely affect the School District's current or future allocation of funds and/or the necessity of maintaining certain current or future class sections or curriculum offerings.
- c) Criteria for Eliminating Positions: The primary criterion in effectuating any reduction in force shall be the maintenance of a sound and balanced educational program that is consistent with the functions and responsibilities of the School District. In evaluating its program, the superintendent and the board will consider the elimination of teaching positions, not the teachers occupying those positions. In deciding which positions to eliminate, the superintendent and the board will consider the curriculum and the needs of students.

- d) Priority: In determining which teacher(s) will be dismissed or non-reemployed when one or more of a number of identical positions is eliminated, the following criteria, in this order, shall govern:
1. The District will dismiss or non-reemploy the teacher(s) who have the least consecutive years of service with the District.
  2. When teachers are equal under the above criteria, the District will retain the teacher with the most advanced academic degree status.
  3. When teachers are equal under the above criteria, the District will retain the teacher with the highest composite rating under the District's Teacher and Leader Effectiveness Evaluation System (TLE). Ratings will be calculated by averaging the past three (3) years' ratings (or fewer if 3 years are not available) and will be measured to the nearest hundredth of a decimal point.
  4. When the teachers are equal under the above criteria, the District will retain the teacher with National Board Certification.
  5. When the teachers are equal under the above criteria, then the District will retain the teacher(s) who currently holds a contracted extra duty assignment, if, after the reduction in force, that teacher will continue to be assigned such extra duty assignment.
  6. When no contracted extra duty assignment exists, the District will retain the teacher who meets any federal requirements, such as "highly qualified" under No Child Left Behind, for the courses assigned to that teacher.
  7. When degree status is equal, the District will retain the teacher having the most versatile certificate in order to enable the District to have flexibility in planning future curriculum.
  8. When versatility of certificates is equal, the District will retain the teacher chosen by lot through a process determined by the Superintendent or the Superintendent's designee.
- e) Bumping: When a teacher's position is eliminated and the teacher scheduled to be dismissed or non-reemployed has a composite TLE score of 2.80 or above, that teacher may be placed in another position for which the teacher is certified to teach, if the other position is currently held by a teacher who has less seniority.

2) Procedures

- a) Action by Superintendent: The superintendent, upon receipt of the board's preliminary determination of the necessity for a reduction in force, or upon the superintendent's own volition, shall submit to the board the superintendent's written recommendations for terminating particular

teaching positions. In making recommendations, the superintendent (i) shall not be limited to considering only positions in the areas or programs designated by the board and (ii) shall consult with each principal or other administrator in whose school or unit a position elimination/termination is proposed and (iii) shall take into consideration the criteria set out herein.

- b) **Action by Board:** In the absence of a recommendation from the superintendent pursuant to this section, or when the board of education chooses not to accept the superintendent's recommendation, the board may initiate action without such recommendation provided that it adheres to the other provisions of this policy.
  - c) **Notice and Hearing Procedures:** Prior to taking any action to non-reemploy or dismiss a teacher due to a reduction in force, whether acting on a recommendation of the superintendent or on its own volition, the board shall provide notice and an opportunity for hearing to the affected teacher; provided, however, because the law does not provide nonrenewal hearings for teachers on temporary contracts, no hearing opportunity shall be afforded any teacher on a temporary contract with notice of the expiration of the temporary teacher's contract at the end of the school year being provided to the temporary teacher. The notice and board hearing procedures shall be the same as those provided by Oklahoma law and board policy regarding dismissal and non-reemployment of teachers for cause. Notice of a recommendation of non-reemployment shall be given to the teacher prior to the 1st Monday in June.
  - d) **Hearing:** At the hearing, evidence may be presented by the administration and the teacher, as to (i) whether a reduction in force is reasonably necessary and is being made in good faith and for the best interests of the School District and (ii) whether the recommendation to not renew (or dismiss) the specific teacher is being made in good faith and pursuant to the process set out herein.
  - e) **Effect of Board Decision:** The decision of the board based on the evidence presented at the hearing shall be final and not appealable.
- 3) **Reemployment or Other Employment after a Reduction in Force**
- a) **Recall.** For one school year after the effective date of non-reemployment due to a reduction in force, the board of education shall not fill positions eliminated through reduction in force without first offering such positions to the non-reemployed and eligible teachers. In order to be an "eligible teacher" for recall, the teacher, at the time of the reduction in force, must have had an overall composite evaluation rating, for the time period used, of at least 2.80 on a scale of 5.00 and be certified and qualified to teach in the open position. Recall shall be in the reverse order of the reduction in force. In the event one or more teachers eligible for recall are equal in all criteria used in the reduction procedure, the superintendent / superintendent designee shall have authority to select the teacher believed to best fit the needs of the district.

- b) Recall Procedures. The offer of reemployment shall be made personally and by certified mail, return receipt requested, and the teacher shall be notified in such notice that if the teacher wishes to accept, the teacher must do so in writing within five (5) calendar days of his receipt of notice. It is the responsibility of the teacher to keep full, accurate and current mailing addresses / phone numbers up- to-date with Human Resources. Failure to receive acceptance within five (5) calendar days or rejection of the offer of reemployment eliminates all reemployment rights of the teacher.
- c) Status After Recall. A career teacher who has been non-reemployed and who is then reemployed within one school year shall be reinstated as a career teacher. A probationary teacher who is non- reemployed but is then reemployed within one school year shall be given credit for the time already served as a probationary teacher for the purpose of determining eligibility for career teacher status.

4) Interpretation and Application

The interpretation and application of any provision of this policy shall be the exclusive province of the Board of Education.

### **RESIGNATION OF CERTIFIED PERSONNEL**

Resignations must be dated and submitted in writing to the superintendent stating the effective date of resignation. Equivocal resignations will not be accepted. A resignation to be effective at the conclusion of a school year must be received prior to fifteen days after the first Monday in June. A resignation to be effective at any other time or to be effective at the conclusion of the school year but received after fifteen days after the first Monday in June does not sever the employment relationship for the subsequent school year unless and until approved by the board.

Resignations offered during the course of the school year will not be accepted unless the superintendent determines that arrangements can be made to avoid a detrimental impact on efficient operation of the school and the board of education concurs.

A resignation may not be withdrawn after it has been accepted by the superintendent and will be considered irrevocable from that date.

Upon receipt of a written resignation from a certified employee the superintendent shall:

1. Make a record of the date upon which the written resignation was submitted either by reference to a certified mail receipt or by writing on the face of the resignation the date of receipt and his/her initials.
2. If the written resignation is to be effective at the conclusion of the current school year and it is received prior to fifteen days after the first Monday in June, notify the employee that their resignation is accepted.
3. If the written resignation is to be effective at any time other than the conclusion of the current school year or to be effective at the end of the school year but is not received until after fifteen days after the first Monday in June, notify the employee that his/her resignation will be considered by the board of education.
4. Place upon the agenda of the next board of education meeting an agenda item for consideration and action on the resignation received.

The board of education may accept or decline to accept the resignation of a certified employee. Provided, that the board of education by adoption of this policy authorizes the superintendent to accept the resignation of those employees submitting resignations prior to fifteen days after the first Monday in June to be effective at the conclusion of the then current school year.

Payment of final compensation shall be processed and disbursed at the scheduled times.
