

High School & Beyond Plan Interview Form

Class of 2023 and Beyond

This High School & Beyond Plan (HSBP) is a Washington State graduation requirement that helps all students get the most out of high school and think about their future. In alignment with this graduation requirement, the High School & Beyond Plan for all graduates include **four components**:

- Xello required activities
- Resume
- Community Experience
- Senior Interview

Throughout high school you have been completing components for your graduation requirement by building a personalized digital portfolio using Xello, connecting with your community, and preparing for your senior interview. The intent of these components is to help you to better understand yourself, research your future career options, and the 21st century skills you'll need to succeed.

Your senior interview will be comprised of the **five** interview questions listed below. The expectation is for seniors to use Xello activities, research, and supporting documents throughout the interview process. Suggested Xello components are listed to support and guide you through each interview question.

Interview Question #1:

What careers have you researched to develop your educational goals?

Xello suggested components to use during your interview:

- ✓ About Me - Career Matches

Response ideas for question #1:
