

2023 - 2024 Middle School Supply List

Student lockers will be used this school year. Check schedule for locker number.

TECHNOLOGY SUPPLIES for 6th-8th Graders:

- 6th and 7th graders will use school-issued iPads. A protective keyboard cover is provided by the school.
- Ear buds (no headphones) suitable for use with an Apple iPad (6th & 7th) or MacBook Air 13-inch computer (8th).
- 8th graders must always have a protective shell cover on their computers. A protective sleeve is highly recommended to use inside the backpack for protection. These items are readily available from Amazon. When ordering, select a cover and/or sleeve that fits these specifications: MacBook Air 13-inch computer/Model # A1466

BOOK COVERS REQUIRED:

Book covers are required on all textbooks in middle school for the entire year. The stretchy, fabric covers work best and accommodate the large student textbooks in middle school. However, any type of protective cover (paper, plastic, or fabric) is allowable. Do not use any kind of sticky-back material to cover textbooks, such as Contact paper or laminating film.
