

Professional Staff Recruiting/Hiring Recruiting

The Board desires the superintendent to develop and maintain a recruitment program designed to attract and hold the best possible personnel, in the district's schools.

It is the responsibility of the superintendent, with the assistance of other administrators, to determine the personnel needs of the district in general and of each individual school and to locate suitable candidates to recommend to the Board for employment. The search for good teachers and other professional personnel will extend to a wide variety of educational institutions and geographical areas. It will take into consideration the diverse characteristics of the school system and the need for staff members of various backgrounds.

Recruitment procedures will not overlook the talents and potential of individuals already employed in the district's schools. Any present employee of the district may apply for a position for which they are licensed, and meet other stated requirements.

Background checks

Prior to hiring any person, in accordance with state law the district must conduct background checks with the Colorado Department of Education and previous employers regarding the applicant's fitness for employment. In all cases where credit information or reports are used in the hiring process, the district must comply with the Fair Credit Reporting Act and applicable state law.

Hiring

Discrimination in the hiring process on the basis of disability, race, creed, color, sex, sexual orientation, gender identity, gender expression, marital status, national origin, religion, ancestry, genetic information, age, or conditions related to pregnancy or childbirth is prohibited.

All candidates will be considered on the basis of their merits, qualifications and the needs of the school district.

All interviewing and selection procedures will ensure that the administrator directly responsible for the work of a staff member has an opportunity to aid in the selection and that, where applicable, the school principal has an opportunity to consent.

Unless otherwise required by law, the final selection for nomination will be made only by the superintendent.

Appointment of candidates

Nominations will be made at meetings of the Board of Education. The vote of a majority of the Board is necessary to approve the appointment of teachers, administrators or any other employee of the school district. If there is a negative vote by the Board, the superintendent must submit a new recommendation to the Board for approval.

Upon the hiring of any employee, information required by federal and state child support laws will be timely forwarded by the district to the appropriate state agency.

Specific procedures for background checks need to follow as a regulation. The regulations might also include specific procedures for making applications, for screening and for selection of candidates to be recommended to the Board.

State law requires public school teachers to take an oath/affirmation or sign a written pledge that states the following: "I solemnly (swear) (affirm) (pledge) that I will uphold the constitution of the United States and the constitution of the state of Colorado, and I will faithfully perform the duties of the position I am about to enter."

C.R.S. 22-61-103 (1). A person authorized to administer oaths in Colorado shall administer the oath or affirmation, or the teacher must sign the pledge.

C.R.S. 22-61-103 (2). The Colorado Department of Education has stated that a school district's hiring officials must ensure that teachers take the oath orally or in writing at the time of hiring or during the signing of the teacher's contract.

State law requires school districts to annually distribute to employees "informational materials related to federal student loan repayment and student loan forgiveness programs, including updated materials received from the department of education." C.R.S. 22-32-109 (1)(pp). In addition to annual distribution, school districts must "distribute the informational materials to newly hired district employees as part of its employee orientation process." Id. Distribution to employees may be made via e-mail "or as part of a mailing or regular communication to employees" Id.
