

Length of Administrative Staff Work Day

Because of the importance of the duties and responsibilities of administrators and supervisors, their hours of work shall vary and extend as necessary to fulfill requirements of the position.

All administrative and supervisory personnel shall be expected to work during the hours and on all days that the district offices are open unless special arrangements have been made with the superintendent.

Adopted: July 24, 2007
Revised: February 26, 2019
