On or before August 1 of the year preceding the proposed opening of the district charter school, the applicant shall submit the application to the district's designated administrator(s). Within 15 days after receiving the application, the district administrator shall review the application to determine whether all components required by law and policy have been addressed and if the application is deemed incomplete, the district administrator will document the missing components in a written notice to the applicant within the 15 day period. The parties may mutually agree to waive any deadlines during the application process, including extending the deadline for Board consideration of the application.

Decision on the district charter application

The Board may approve, approve with conditions, or deny the district charter application.

The Board may unilaterally impose conditions on a district charter school applicant only through adoption of a Board resolution. Such resolution shall, at a minimum, state the Board's reasons for imposing the conditions unilaterally.

If the application is approved with conditions, the applicant must satisfy all conditions before the Board may approve the application. An applicant's failure to satisfy all of the Board's conditions shall result in the Board's denial of the application.
