USER NOTIFICATION – the district policy includes the following:

- Internet use is subject to compliance with school district policies.
- Disclaimers limiting the school district’s liability relative to:
 - Information stored on school district storage devices.
 - Information retrieved through school district computers, networks or online resources.
 - Personal property used to access school district computers, networks or online resources.
 - Unauthorized financial obligations resulting from use of school district resources/accounts to access the Internet.
- A description of the privacy rights and limitations of school sponsored/managed Internet accounts.
- Even though the school district may use technical means to limit student Internet access, these limits do not provide a foolproof means for enforcing the provisions of this acceptable use policy.
- Goods and services can be purchased over the Internet that could potentially result in unwanted financial obligations and that any financial obligation incurred by a student through the Internet is the sole responsibility of the student and/or the student’s parents.
- The collection, creation, reception, maintenance and dissemination of data via the Internet, including electronic communications, is governed by Policy 7131, Public and Private Personnel Data, and Policy 10260, Protection and Privacy of Pupil Records.
- The district maintains an inventory of our curriculum, testing, and assessment tools posted on our district site which includes an outline of the student data elements within each tool. This list is maintained and communicated annually to all families at the start of the school year.

- Should the user violate the school district’s acceptable use policy, the user’s access privileges may be revoked, school disciplinary action may be taken and/or appropriate legal action may be taken.
- All provisions of the acceptable use policy are subordinate to local, state and federal laws.

PARENTS’ RESPONSIBILITY; NOTIFICATION OF STUDENT INTERNET USE

- Outside of school, parents bear responsibility for the same guidance of Internet use as they exercise with information sources such as television, telephones, radio, movies and other possibly offensive media. Parents are responsible for monitoring their student’s use of the school district system and of the Internet if the student is accessing the school district system from home or a remote location.

Mobile Device & Internet Use

I have been notified about school district policies relating to safety and acceptable use of the school district computer system including mobile devices and the internet in a ConnectED Learning environment. I understand that this access is designed for educational purposes. The school district has taken precautions to eliminate controversial material. However, I also recognize it is impossible for the school district to restrict access to all controversial materials and I will not hold the school district or its employees or agents responsible for materials acquired on the Internet.

I accept full responsibility for my child's use of the Chromebook and understand that my child's Chromebook use is subject to the same rules and requirements when used off-campus. I understand that my child's Chromebook privileges may be suspended or revoked for violation of this *ConnectED Learning & Chromebook Agreement*.

By signing below, I acknowledge and agree to the above terms and conditions of the agreement.

Digital Learning Tools including Google Workspace for Education

I understand that under district policy and state and federal law a student's education records are protected from disclosure to third parties without parental consent. I understand that the use of digital learning tools in a ConnectED Learning Environment may include, but is not limited to, Google Workspace for Education, assessment tools, blogs, wikis, and other digital tools may require student personal information and portions of their educational records to be stored in a secure online environment for educational purposes.

I understand that by participating in a ConnectED Learning environment including digital learning tools including Google Workspace for Education, information about my child will be collected and stored online in a secure environment.

Parent/Guardian Signature: _____ Date: _____

Publication of Student's Work & Media Release

I understand that the use of digital learning tools in a ConnectED Learning Environment make it possible to share content with classmates, students across the globe, and, where appropriate, the general public. Through the use of these educational tools, the school district may cause student work or video/audio images to be published by including materials in instructional materials, booklets, blogs, websites, messaging, video/audio connections on the Internet, brochures or flyers used in award ceremonies, sports, or fine arts presentations, and any other form that may be used to distribute or communicate the work.

I grant consent for the school district to publish my student's work and video/audio recordings as described. I understand that I can withdraw consent at any time.
