Dear Students and Parents/Guardians:

We will be providing a voluntary opportunity, for students to take the Armed Services Vocational Aptitude Battery (ASVAB) at Council Rock High School South on Tuesday, **December 14, 2021**. This three hour test is prepared and administered by members of the Armed Services, with our cooperation.

The endorsement of this program is based upon the valuable information that the test gives students with reference to their aptitude and interests as they relate to various occupations, both military and civilian. You should also know that the Armed Services use this test for recruiting purposes. This information will not be used for Selective Service Registration.

Please understand that any student interested in taking the test will be required to sign the authorization form prior to participation. This is your permission for the Armed Services to score the test and to store these scores for future references. This signed authorization is a federal law requirement. In addition, you will have 10 days after taking the test in which to withdraw your permission.

For our local purposes, we are requiring parents to sign the below permission form. This permission form is also your registration form. Please contact the Guidance Office at 215-944-1108, if you have any further questions.

Sincerely,

Albert R. Funk  
Principal
