

# **Council Rock High School South**

## **Code of Conduct**

Council Rock High School South is committed to providing a safe and respectful atmosphere for learning. Our expectations for behavior while in school or at school functions are based on the principles of mutual respect, self-discipline, character, acceptance, honesty, integrity and citizenship.

High School is not only a time of academic challenge, but a time of balancing the need for increased independence and choices with a continued need for structure and support. The Council Rock High School South Code of Conduct holds all members of the Council Rock High School South school community responsible for their actions and their successes. We expect that everyone will work cooperatively with each other and will actively contribute to promoting intellectual and personal achievement and mutual respect between all members of the Council Rock High School South community.

**Council Rock High School South Students and Staff are expected to:**

- **Be actively engaged in and responsible for learning**
- **Know and honor all school rules and policies related to safety, conduct, performance, attendance and dress**
- **Demonstrate personal and academic honesty and integrity**
- **Demonstrate mutual respect in all interactions**
- **Demonstrate respect for personal and school property**
- **Contribute to the civic and co-curricular programs of the school community**
