What is Letters of Love (LOL)?

- Non-profit organization originally founded by high-schoolers in MN in 2018.
- Founder (Grace) inspired by mom who lost her battle with leukemia when Grace was younger. She and her sisters always made cards for her mom who was constantly in the hospital.
- LOL focuses on providing *emotional support* to kids in hospitals
- Makes cards and raises money to provide resources (such as video games, teddy bears, and therapy dogs) to take kids' minds off of their treatments and time spent in the hospital.

What Does Our Letters of Love Club do?

- Make **lots of cards** to brighten kids' days at Children's Hospital of Philadelphia (CHOP)
- We want the kids at CHOP to know that they are **brave, loved, and that they are never alone!**

What do you need to do?

- Meeting:
 - Make with **encouraging messages, pictures, and colors!**
 - Can sign the cards as from...
 - the Letters of Love Family
 - CR South High School
 - Letters of Love (your first name)
 - When Cards are done, there will be a place to drop them off so that they are able to be mailed
