Dear Parent(s) or Guardian(s):

Welcome to the 2014-2015 school year. My name is Mr. Louis Perry and I am looking forward to working with your child whether it is in 9<sup>th</sup> Grade Humanities, Honors Economics or 12<sup>th</sup> grade Humanities (Philosophy) Class. In order for you to work with me to achieve a successful school year for your son/daughter, let me briefly introduce myself and explain how to contact me. This will be my twenty first year of teaching. I am a graduate of Temple University (class of 1975) with a BS in Social Studies, Secondary Education. I have also spent sixteen years in the Graphic Arts Industry as a Typesetter, Program Manager and Computer Systems Manager. I have spent seven years teaching computer applications at Newtown Junior High School and the last thirteen years teaching Social Studies here at CRHS South. I am also a Certified Athletic Trainer with over thirty five years of experience in the field of Sports Medicine. I work as a part-time trainer here at CRHS South.

I will be in contact with you, as needed, via letters, internet (e-mails), progress reports and phone calls throughout the year in order to convey your child's progress in class. If you have any questions concerning this course or your child's progress, please feel free to contact me by leaving a message with my voice mail at 215-944-1151 and I will return your call as soon as possible. You may also reach me via email at [Lperry@crsd.org](mailto:Lperry@crsd.org). This is my preferred method of communication since I check my e-mail all day.

Today in class, your son/daughter received an information packet concerning grading policies and general classroom rules/policies. Ask your child to share this information with you. Please acknowledge your receipt of this information by signing and returning this letter with your child. Throughout the year, please encourage your child to study at home, complete all assignments, and to ask for help if needed. I hope that this year's class will enhance your child's understanding and appreciation for the many aspects of our American Civilization and Social Studies in general.

Sincerely,

*Louis A. Perry*
