Your parking tag must be hanging from your rear view mirror at all times when your vehicle is parked in the school parking lot. Your parking tag must be fully visible with the permit number displayed so security can see the parking tag number. These tags are not transferable for any reason. If your tag is not hanging and you receive a parking ticket, you will be responsible for paying it.

Do not lose your hang tag. You will be charged for a replacement tag at the normal rate. If you get a new vehicle, you must bring in your new registration information and new insurance card to make the necessary changes.

If, on a given day, you must drive an unregistered car which does not have your CRHS South tag, you must notify the parking office no later than 9:00 a.m. You must provide a description of the vehicle and the license plate number. If you fail to follow this procedure, the vehicle will be ticketed and you will be responsible for paying the ticket.

Council Rock School District is not responsible for losses caused by car accidents, thefts or vandalism on its premises. Your signature on the registration form attests that you have read all of these driving regulations and agree to abide by them.
