Council Rock Music Foundation

The Council Rock Music Foundation is a 501(c)3 non-profit organization that provides musical instruments for students on the free/reduced lunch program. This instrument program was set up in memory of Don Ketterer. Please contact our music coordinator at krudat@crsd.org if you wish to donate a gently used instrument.

Additionally, the music faculty awards the “Council Rock Music Teachers’ Scholarship” every year to a senior from each Council Rock High School who will be studying music in college. All donations are tax-deductible. The music department is thankful for your generosity and appreciates your support of the Council Rock Music program.

Financial donations can be made at www.crmusic.org

Best Communities for Music Education

Council Rock has been honored with the Best Communities for Music Education designation from the NAMM Foundation for its outstanding commitment to music education. Council Rock School District has received the 2022 Best Communities for Music Education Award presented by The NAMM Foundation. We are one of 738 school districts across the nation that received this award. Council Rock has earned this award for the past 11 years. The award program recognizes outstanding efforts by teachers, administrators, parents, students and community leaders who have made music education part of a well-rounded education.

YOBC

Thank you to YOBC for providing 2 adjudicators, Karl Krelove and Colleen Sweetsir, to give feedback to the performing groups this evening. The **Youth Orchestra of Bucks County** offers an exceptional music program which includes weekly band and orchestra rehearsals throughout the academic year, opportunities to work with world-class guest artists and educators, and workshops and international concert tours. YOBC is now accepting auditions for the 2022-2023 season. Students in grades 3-12 who play woodwind, brass, percussion, and string instruments are invited to audition. Find out more at yobc.org/audition.
