Thomas Yang

Eric Ye

Russell Young

Adjudicators this evening:

KARL KRELOVE is a life-long resident of the Philadelphia area. After graduating from Hatboro-Horsham High School he earned a Bachelor of Music degree in clarinet performance from Temple University. In 1969 he joined the US Army Field Band with which he performed for three years as first clarinetist and clarinet soloist. On leaving the army he spent the next 35 years teaching and performing as a freelance clarinetist in the Philadelphia area. Retired in 2007 after 30 years of teaching music in the Neshaminy School District, Mr. Krelove, who still performs with several area orchestras, has continued teaching and coaching clarinetists in Lower Bucks County. He is proud to have the opportunity to work with students in the YOBC program and currently conducts the Concert Winds ensemble.

PROFESSOR KATHLEEN MITCHELL has been the Adjunct Instructor of Saxophone at The College of New Jersey for nearly twenty years. An appointment she is most proud of because of the inspiration she derives from her students and colleagues. Ms. Mitchell is the conductor and founder of the annual Saxophone Summit at TCNJ, with over sixty saxophonists from across New Jersey participating in a saxophone choir, masterclasses, and performances. Ms. Mitchell is the jazz director at Eastern High School and Saxophone Ensemble Instructor for The Youth Orchestra of Bucks County. She has been on the music faculty of Rowan University, The Governor's School of Music, Haverford University and the Conservatory of Musical Arts. She has given Master Classes at Temple University and University of the Arts in Philadelphia. Respected as an outstanding saxophonist, she has performed with many groups, including Concerto Soloists, and Astral Artists of Philadelphia. Kathy holds a Bachelor of Arts in Music Education and Music Performance from Temple University and a Master of Music Performance in Saxophone from Northwestern University.

Thank you to YOBC for providing the clinicians for this evening's adjudication:

YOBC

The Youth Orchestra of Bucks County offers an exceptional music program which includes weekly band and orchestra rehearsals throughout the academic year, opportunities to work with world-class guest artists and educators, and workshops and international concert tours. YOBC is now accepting auditions for the 2023-2024 season. Students in grades 3-12 who play woodwind, brass, percussion, and string instruments are invited to audition. There are vacancies in all ensembles, and tuition assistance is available. Find out more at yobc.org/audition.

The Council Rock Music Foundation

The Council Rock Music Foundation is a 501(c)3 non-profit organization that provides musical instruments for students on the free/reduced lunch program. This instrument program was set up in memory of Don Ketterer. Please contact our music coordinator at krudat@crsd.org if you wish to donate a gently used instrument. Additionally, the music faculty awards the "Council Rock Music Teachers' Scholarship" every year to a senior from each Council Rock High School who will be studying music in college. All donations are tax-deductible. The music department is thankful for your generosity and appreciates your support of the Council Rock Music program. Financial donations can be made at www.crmusic.org

Council Rock School District Summer Music Program

The Council Rock Music Department offers summer evening band, orchestra, and chorus ensemble classes. The groups rehearse in the music area at Holland Middle School. String and Chorus students meet on Wednesday evenings and Band students meet on Tuesday evenings from June 20th through July 19th. Full details about age levels, tuition, and application materials are available on the Council Rock District website Summer School Link: <http://www.crsd.org/Page/492>

2023 Best Communities for Music Education Award

Council Rock School District has received the 2023 Best Communities for Music Education Award presented by The NAMM Foundation. We are one of 830 school districts across the nation that received this award. Council Rock has earned this award for the past 12 years. The award program recognizes outstanding efforts by teachers, administrators, parents, students and community leaders who have made music education part of a well-rounded education. Designations are made to districts and schools that demonstrate an exceptionally high commitment and access to music education. The Best Communities Music Education designation is awarded to districts that demonstrate outstanding achievement in efforts to provide music access and education to all students. Districts that have been recognized by the NAMM Foundation are often held up as models for other educators looking to further develop their own music education programs. We are proud to accept this award and are thankful for the support of Music Education in the Council Rock community.
