Young Entrepreneurship

- Upon learning economics and entrepreneurship as part of the 3rd grade Social Studies curriculum, **Zaiden** was so inspired he asked his teachers if he could start a business at GES and sell his products.
- The entire 3rd grade class created custom bookmarks for two weeks and sold them each morning in the lobby for \$1 each to raise over \$330.
- To celebrate his entrepreneurship, inspiration, and philanthropy, Zaiden and his classmates were presented with Young Entrepreneurship Awards at a special ceremony on May 8
- Alexandru Barker, entrepreneur of BirdDog Technologies, presented Zaiden with a special Young Entrepreneur Award a certificate and a \$1000 donation to the Sanctuary at Haafsvill on behalf of his company.
