

LEGO CLUB

Week FOUR-Disaster Island

The groups had 20 minutes to work with each other to create their own deserted island. After their islands were complete, disaster struck! Each group was given several cards with a disaster listed on each. The groups had to find a way to protect their island by building more supports. Check out some of the disaster cards below!

You're tired of walking everywhere. Build a vehicle.

Pirates want to steal your stuff! Build something to scare them off.

A rescue plane is overhead. Find a way to signal to them!

A volcano is going to erupt. Find a way to save yourself!

You're thirsty. Build a new source of water.

There's a thief on your island! Build a trap to catch them!
