The Lakewood City Schools is seeking bids for the purchase and installation of tethered door locking floor pins at 658 doors, across (12) school buildings in Lakewood.

- Below is a picture of sample installation.
- The secondary door lock system shall be the Bolo Stick or equal and installed according to manufacturer.
- Of the 658 total doors in need of a secondary locking system, 150 locations are carpeted and will need a flange floor sleeve for pin.
- Installations to be performed during non-instructional time.
- Project to be completed by September 30, 2023.

**Total quoted price for project above: $_______________**
