CALL TO ORDER

Dr. Scott Elliott, Superintendent, called the meeting to order at 5:30 PM. He asked for a motion to enter closed session. The motion was made by Jay Fenwick, seconded by Steve Combs, and approved by all of the board.

A motion was made by Steve Combs and seconded by Jason Cornett to move to open session. The motion passed unanimously at 5:53 PM.

OPEN SESSION

Dr. Elliott called the meeting to order in open session at 6:00PM.

ELECTION OF BOARD CHAIR

Jay Fenwick, following a list of Dr. Childers' accomplishments during his role as an educator, Principal, Principal of the year, and in community service as High Country United Way Director, Children's Council Board and CCCTI Board among others, nominated Dr. Gary Childers as Board Chair. The board members voted unanimously in consent. Dr. Childers thanked Dr. Fenwick and stressed his honor to accept the position, but looked to all of the Board members to continue working together for the benefit of the school system.

ELECTION OF BOARD VICE CHAIR

Dr. Childers opened the floor for nominations as the Vice-Chair. Following a list of service and accomplishments such as 14 years on the school board and community service, Jason Cornett nominated Steve Combs for Vice-Chair. A call for other nominations yielded none. The board members voted unanimously in consent. Mr. Combs accepted the nomination with gratitude and enthusiasm for the position, and stated that he looked forward to serving.

WELCOME/MOMENT OF SILENCE

Board Chair, Gary Childers began the meeting with a moment of silence.

DISCUSSION AND ADJUSTMENT OF AGENDA

There were no adjustments to the agenda.

SUPERINTENDENTS REPORT

Dr. Elliott welcomed the staff, the board members attending in person and virtually. He welcomed Marshall Ashcraft and welcomed back Jason Cornett and Steve Combs. He thanked everyone for their flexibility that evening and thanked Mr. Ashcraft, Mr. Cornett, and Dr. Fenwick for joining the meeting remotely.

He welcomed Ms. Sibaja and Ms. Lawson and thanked them for their continued leadership and excellent engagement with the board.

He congratulated Dr. Childers and Mr. Combs for their new positions on the board.

He welcomed Mr. Ian Taylor of the Watauga Democrat to the meeting.

He clarified that all three of the newly elected board members had signed their affidavits in lieu of a formal swearing in ceremony that evening, making them legally and fully authorized to execute their duties that evening. He noted that Judge Rebecca Eggers-Gryder would attend the January 11 meeting where Mr. Ashcraft, Mr. Combs, and Mr. Cornett would ceremonially take the oath of office.

Dr. Elliott thanked AppHealthCare for partnering with the school system on a series of COVID testing events over a three week period. Two hundred forty people were tested at two schools, with a third event the following week at Cove Creek School. He encouraged anyone who needed or wanted a test to attend. He stated that rapid antigen tests acquired by AppHealth through CARES act funds would soon be available for testing in schools by trained staff members.

He thanked corporate partners SkyLine/SkyBest for their recent grant to the Watauga County Schools (WCS) athletics programs. The \$3,500 grant would support many needs at both the middle and high school levels.

He thanked the Watauga Education Foundation for representing Watauga County Schools in the County Drive-through Christmas parade the previous Saturday. The event raised good cheer and much deserved attention for the work of the Education Foundation. He encouraged support of the Education Foundation, perhaps as a Christmas honorarium. Information is available under the About Us tab on the school system's website.

He offered sincere thanks to all staff members, students, and parents who had worked so hard together to support the students and schools that semester with grace and flexibility.

He wished everyone a merry, peaceful, and restful Christmas and holiday season.

STUDENTS REPORT

Ms. Haleigh Lawson and Ms. Isabella Sibaja, student representatives gave their report. They noted that the students had just experienced their first virtual snow day. They stated that they had received much positive feedback. They noted that many students were preparing to take end of course exams. They spoke about the Model Junior Year program provided by GEAR UP and UNC-Asheville, which provided asynchronous assignments to help prepare for the college application and financial aid process. They thanked the nursing and custodial staff who had helped make school attendance possible and safe.

CONSENT AGENDA

- A. Approval of Minutes for 11/9/2020
- B. Surplus Declaration approval
- C. Budget Amendment
- D. Lottery Applications
- E. Approval of Contract for LINQ
- F. Approval of Contract for WHS Lighting
- G. Approval of MOU with Watauga County Sheriff for SRO

Steve Combs moved to approved consent agenda items A-H, with amendment to the minutes to include the presence of Ms. Lawson, and to reflect the audit results with accurate accounting language, "Mr. Wike offered his unqualified opinion of a clean audit report." The vote to approve was unanimous.

PUBLIC COMMENT

There were no public comments at the December 2020 Board Meeting.

BOARD OPERATIONS

Dr. Elliott spoke about committees and noted that there may need to be changes to committees and representation from the board, which could be discussed at the next meeting.

Two board members would need to be chosen to serve on the facilities committee, which would review proposals from architects. Dr. Childers offered to represent the board and Dr. Fenwick offered to serve, but yielded to Mr. Steve Combs should he wish to serve, noting his previous experience with the building of the high school.

Dr. Childers thanked Dr. Fenwick for his previous service. Dr. Childers offered to serve and appointed Mr. Combs to sit on the Facilities committee. The first meeting would be on December 22nd at noon via Zoom. At that meeting, a recommendation would be made to the commissioners for the selection of the architect.

Dr. Childers noted that all would be interested in any changes to student attendance following the holiday break, and said that the level of infection in the community could change during the coming weeks. Dr. Elliott was not ready to offer a recommendation until after the holidays when the community COVID level could be evaluated. He thought that a phased approach, perhaps grades K-3 on plan A, followed by grades 4 and 5, might be considered. He stated that other districts which were on a 5 day plan had not seen increased infection, but have seen disruption due to precautionary quarantining. Dr. Elliott recommended having further discussion at the January meeting, and a work session prior to the February meeting with AppHealth Care, with more opportunity to discuss further plans to bring back more students. Dr. Elliott noted that he had increasing concerns about student health and education due to them not being in school more frequently.

Dr. Fenwick spoke about the Technology committee's discussion about one-to-one, connectivity, hotspot devices and additional devices for the future, noting the cost. He wanted the board to be aware for budgeting in the future. He mentioned MCNC's security recommendations regarding WCS cyber security needs and the prioritized plan.

BOARD COMMENTS

Mr. Ashcraft stated his enthusiasm to work with the board for the benefit of the school system. Dr. Fenwick and Jason Cornett shared their enthusiasm to work with the board. Steve Combs echoed their sentiments and thanked the other members for their trust in him. He felt that WCS is the best school system and looked forward to the coming year. He wished a merry Christmas to all.

Dr. Childers expressed his gratefulness that the board and community feels for the staff, administration, students, and families and thanked everyone for their contribution during the pandemic in providing the best education and the best opportunities for everyone during the past 9 months. He wished everyone a happy holiday, and hoped that with the first administration of the vaccines, more improvement can be seen.

ADJOURNMENT

Steve Combs moved to adjourn which was seconded by Jay Fenwick. The Board unanimously approved the motion at 7:07 PM.

The Watauga County Board of Education (the "board") is guided by generally accepted standards of fairness in establishing processes for hearings before the board. Given the board's considerable responsibilities for overseeing the educational program and operations of the schools, the board also strives to be efficient in carrying out its various functions, including conducting hearings.

Unless other hearing processes are required by law or board policy, the following procedures will apply in board hearings. The board reserves the right to modify the procedures described in this policy as necessary in any particular hearing in order to be fair and efficient, in order to meet legal requirements or for any other reason the board deems sufficient.

1. A hearing will be open to the public unless a closed session is permitted by law.

It is the express policy of the State and this board to make hearings open to the public except for certain purposes specified in the Open Meetings Law.

Grievance appeals pursuant to policies 4010, Student and Parent Grievance Procedure, and 7220, Grievance Procedure for Employees, typically will be heard in closed sessions in order to prevent the disclosure of confidential information. Closed sessions will be conducted in accordance with policy 1420, Compliance with the Open Meetings Law.

The board will consider requests made by a parent, student, or employee to conduct a hearing in open session that is permitted by law to be held in closed session. However, the board will make the final determination of whether a hearing will be held in open or closed session.

2. The superintendent is responsible for providing sufficient notice of the time and place that a hearing will be held and the nature of the hearing that will be available.

In order to resolve complaints expeditiously, board hearings will be scheduled as promptly as possible and notice given to the parties. The superintendent should provide as much notice as is feasible given the particular circumstances. The superintendent shall provide a copy of this policy and, when possible, specify time limitations on the oral presentation if different from what is provided in number 5 of this policy.

3. Individual hearings will be held unless the board determines that a group hearing would be a more effective process for hearing and addressing the matter.

When two or more individuals share the same or a similar concern or are involved in the same matter to be heard by the board, the board may consider whether to conduct a group hearing. The board may consider factors such as generally accepted standards of fairness, the need for efficiency, and the ability to prevent the disclosure of confidential information. The board will consider requests for group or individual hearings and will make the final determination.

4. Unless otherwise required by law, the board may designate a panel of two or more board members to hear and act on behalf of the board.

The superintendent shall confer with the chairperson of the board to determine whether the full board or a panel of the board will conduct a hearing. The board also may establish a panel to hear certain types of appeals, such as student grievances.

5. All parties involved in the hearing may submit written position statements and will be given the opportunity for a limited oral presentation.

Written statements may be submitted at the hearing or in advance of the hearing unless otherwise specified. All parties will be given the opportunity to address the board orally as well. The board may establish time limitations for oral presentations for different types of hearings or may set the time limitation for a particular hearing. Unless a different time frame is established in the notice, in applicable board policies, or at the hearing, each party will be offered 15 minutes to present his or her position to the board.

6. The board may limit oral presentation to be made by the parties themselves; other witnesses may be excluded.

The board believes that in most instances, permitting the parties to speak before the board enables a fair presentation of the parties' positions. The board may designate types of hearings in which parties may or may not be represented by legal counsel. Any individual intending to be represented by legal counsel must notify the superintendent in advance of the hearing so that there will be an opportunity to clarify whether legal counsel may be used and to provide the superintendent and board the opportunity to be represented by legal counsel. If necessary, the meeting may be rescheduled to enable the board and/or superintendent to secure legal counsel for the hearing.

7. Legal rules of evidence do not apply to information considered by the board.

The board may consider any information that a reasonably prudent person would consider in conducting the serious affairs of a business.

8. In reviewing any appeal of a decision of school personnel, the board will determine whether the administrative record as a whole provides sufficient evidence to justify the decision of the superintendent. New evidence will not be permitted unless necessary to prevent a threat of substantial unfairness.

The board will review the administrative record, including any administrative proceedings, and will provide an opportunity for the superintendent and the party contesting the decision to make a limited oral presentation of their positions. The submission of documentary evidence and presentation of additional witnesses will be allowed at the discretion of the board.

9. The superintendent is responsible for making a record of the hearing.

The superintendent shall make any record required by law. At a minimum, the board record will incorporate the administrative record provided to the board for review and any written documents submitted by the parties. The record also will provide the decision of the board and the basis for the decision when such information is required or specified in law or board policy.

Adopted: November 9, 2015

Revised: July 11, 2016; _____ (Legal references only);

The Watauga County Board of Education (the "board") recognizes the critical role of parents in the education of their children and in the schools. The board directs school administrators to develop programs that will promote and support parental involvement in student learning and achievement at school and at home and encourage successful progress toward graduation. Each parent is encouraged to learn about the educational program, the educational goals and objectives of the school system, and his or her own child's progress. The board also encourages parents to participate in activities designed by school personnel to involve them, such as parent conferences, in order to encourage effective communication.

The board directs each principal or designee to develop a parental involvement plan as a part of the school improvement plan. This plan must include, at a minimum, efforts that meet the requirements established in this policy. In addition, the plan must include ways to enhance parental involvement in the following areas:

1. meaningful two-way communication between home and school;
2. promotion of responsible parenting;
3. involvement of parents and guardians in student learning;
4. promotion of volunteering;
5. involvement of parents and guardians in school decisions that affect children and families;
6. parental training;
7. community collaboration; and
8. promotion of student health awareness.

This policy applies to the parents, legal guardians, and legal custodians of students who are under 18 years old and are not married.

A. PARENT COMMUNICATION AND CONFERENCES

The board encourages school personnel to have regular contact with parents for commendation as well as for notification of concerns. Principals or designees shall plan for periodic communication with parents. Teachers are responsible for scheduling conferences with parents.

The principal or designee shall strive, through oral or written communication or other means, to include the parents of students identified as at-risk in the implementation and review of academic and/or behavioral interventions for their children, in accordance with policy 3405, Students at Risk of Academic Failure.

The principal or designee shall provide the parent of each student in kindergarten, first, or second grade with written notification of the student's reading progress. The notice will be provided three times a year, following each benchmark assessment and will include: (1) assessment results, (2) whether the child may not reach reading proficiency by the end of third grade, and (3) instructional support activities for use at home.

The board encourages the superintendent to work with local business leaders, including the local chambers of commerce, to encourage employers to adopt as part of their stated personnel policies time for employees who are parents or guardians to attend conferences with their child's teachers.

B. PARENTAL NOTIFICATION

Each principal or designee of a Title I school shall effectively notify parents of all parental rights and other required information regarding Title I schools and programs, in accordance with federal law. Parents of students in Title I schools shall receive a copy of the system-wide Title I parent and family engagement policy (policy 3560) and the school-wide parent involvement plan.

In addition, annually every building principal or designee shall effectively notify parents of the following:

1. parental rights related to student records (see policy 4700, Student Records);
2. parental rights related to student surveys (see policy 4720, Surveys of Students);
3. the approximate dates of any non-emergency, invasive physical examination or screening that is: (a) required as a condition of attendance, (b) administered and scheduled in advance by the school administration, and (c) not necessary to protect the immediate health and safety of students;
4. the schedule of pesticide use on school property and their right to request notification of nonscheduled pesticide use (see policy 9205, Pest Management);
5. student behavior policies, the Code of Student Conduct, and school standards and rules (see policies in the 4300 series);
6. the permissible use of seclusion and restraint in the schools (see regulation 4302-R, Rules for Use of Seclusion and Restraint in Schools);

EDUCATION FOR PREGNANT AND PARENTING STUDENTS

Policy Code:

4023

The Watauga County Board of Education (the “board”) will provide all pregnant and parenting students with the same educational instruction as other students or its equivalent. Pregnant and parenting students will not be discriminated against or excluded from school or from any program, class or extracurricular activity because they are pregnant or parenting students. School administrators shall provide assistance and support to encourage pregnant and parenting students to remain enrolled in school and graduate.

In accordance with state law, school system officials shall use, as needed, supplemental funds from the At-Risk Student Services allotment to support programs for pregnant and parenting students. Students who are pregnant or parenting will be given excused absences from school for pregnancy and related conditions for the length of time the students’ physicians find medically necessary. These absences include those due to the illness or medical appointment during school hours of a child of whom the student is the custodial parent. Homework and make-up work will be made available to pregnant and parenting students to ensure that they have the opportunity to keep current with assignments and avoid losing course credit because of their absence from school, and, to the extent necessary, a homebound teacher will be assigned.

TITLE IX SEXUAL HARASSMENT – PROHIBITED CONDUCT AND REPORTING PROCESS

Policy Code: **4035/7236**

The board acknowledges the dignity and worth of all students and employees and strives to create a safe, orderly, caring, and inviting school environment to facilitate student learning and achievement. As provided in policy 1720/4030/7235, Title IX Nondiscrimination on the Basis of Sex, the board will not tolerate sexual harassment in the education program and activities of the school system. The board takes seriously all reports and formal complaints of sexual harassment.

This Title IX sexual harassment policy specifically prohibits sexual harassment as that term is defined under Title IX. It provides a process for students, employees, and others to report such sexual harassment for response by school officials. All incidents of conduct that could constitute sexual harassment under this policy are to be reported and treated in accordance with this policy, whether or not the incidents may also constitute violations of other board policies or standards of conduct.

Individuals who believe they have been subjected to sexual harassment prohibited by this policy or who have witnessed or have reliable information that another person has been subjected to sexual harassment prohibited by this policy should use the process provided in Section C of this policy to report such violations.

The board also provides a grievance process for those who believe they have been victims of sexual harassment that is designed to achieve prompt and equitable resolution of formal complaints of sexual harassment through a formal investigation and adjudication of the allegations in the complaint or through informal resolution processes. The grievance process is provided in policy 1726/4036/7237, Title IX Sexual Harassment Grievance Process. Affected individuals are encouraged to report sexual harassment in accordance with the process provided in Section C of this policy before filing a formal complaint to initiate the grievance process.

A. PROHIBITED BEHAVIOR

Students, school system employees, volunteers, and visitors are expected to behave in a civil and respectful manner. The board expressly prohibits sexual harassment by students, employees, board members, volunteers, or visitors. "Visitors" includes parents and other family members and individuals from the community, as well as vendors, contractors, and other persons doing business with or performing services for the school system.

Sexual harassment prohibited under Title IX and by this policy is conduct *on the basis of sex* occurring in a school system education program or activity that satisfies one or more of the following:

1. an employee of the school system conditioning the provision of an aid, benefit, or service of the school system on an individual's participation in unwelcome sexual conduct;

2. unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the school system's education program or activities. This determination requires consideration of all the facts and circumstances, including, but not limited to, the ages and disability statuses of the harasser and the victim and the number of individuals involved and their authority;
3. sexual assault including rape, statutory rape, fondling, and incest;
4. dating violence;
5. domestic violence; or
6. stalking.

Sexual assault, dating violence, domestic violence, and stalking will be defined in accordance with applicable law and the definitions will be incorporated into an administrative regulation developed by the superintendent.

Conduct that satisfies this standard is not sexual harassment for purposes of this policy if the conduct occurred (1) outside the United States or (2) under circumstances in which the school system did not have substantial control over both the harasser and the context in which the harassment occurred.

All references to "sexual harassment" in this policy mean sexual harassment that meets this definition.

Examples of conduct on the basis of sex that would be considered sexual harassment if the conduct satisfies the criteria above include, but are not limited to: unwelcome sexual advances; requests for sexual favors; and other verbal or physical conduct of a sexual nature, such as deliberate, unwelcome touching that has sexual connotations or is of a sexual nature; suggestions or demands for sexual involvement accompanied by implied or overt promises of preferential treatment or threats; pressure for sexual activity; continued or repeated offensive sexual flirtations, advances, or propositions; continued or repeated verbal remarks about an individual's body; sexually degrading words used toward an individual or to describe an individual; sexual assault; sexual violence; the display of sexually suggestive drawings, objects, pictures, or written materials; posting sexually suggestive pictures of a person without the person's consent; and forwarding pornographic material depicting a classmate or other member of the school community. Acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping but not involving conduct of a sexual nature may also constitute sexual harassment.

Conduct that is determined not to meet the definition above may violate other board policies or established standards of conduct and will be treated accordingly. For example,

conduct that does not meet the definition of Title IX sexual harassment above may nevertheless violate other board policies, including:

- policy 4329/7311, Bullying and Harassing Behavior Prohibited, prohibiting all forms of bullying and harassing conduct, including when it consists of unwelcome conduct of a sexual nature;
- policy 7232, Discrimination and Harassment in the Workplace, prohibiting harassment in the workplace; or
- policy 4040/7310, Staff-Student Relations, prohibiting romantic or sexual relationships between employees and students.

Nothing in this policy is intended to limit discipline for violation of other board policies when appropriate and consistent with law.

B. DEFINITIONS

The following additional definitions apply in this policy.

1. Report

A report is an oral or written notification that an individual is an alleged or suspected perpetrator or victim of sexual harassment.

Making a report initiates the interactive process with the complainant described in Section D.1, below. No disciplinary action will be taken against a respondent for sexual harassment based on a report alone.

2. Formal Complaint

A formal complaint is a document signed and filed with the Title IX coordinator by a complainant or signed by the Title IX coordinator alleging sexual harassment against a respondent and requesting that school officials investigate the allegation(s). Filing a formal complaint initiates the grievance process set forth in policy 1726/4036/7237, Title IX Sexual Harassment Grievance Process.

At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activities of the school system.

3. Complainant

The complainant is the individual(s) who is alleged to be the victim of conduct that could constitute sexual harassment.

4. Respondent

The respondent is the individual(s) who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

5. Grievance Process

Grievance process means the process for investigating and reaching a final determination of responsibility for a formal complaint of sexual harassment. The sexual harassment grievance process is set out in policy 1726/4036/7237.

6. Title IX Coordinator

The Title IX coordinator is a school official who is designated to coordinate the school system's response to sexual harassment and allegations of sexual harassment. Contact information for the Title IX coordinator is posted on the school system's website and listed in policy 1720/4030/7235, Title IX Nondiscrimination on the Basis of Sex.

7. Supportive Measures

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the school system's education program and activities without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the school system's educational environment, or deter sexual harassment.

Supportive measures available to the parties include, but are not limited to, counseling, mental health services referral, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring, and other similar measures determined by school officials to be necessary to protect the safety or educational or employment activities of a party.

8. Days

Days are calendar days unless specified otherwise.

9. Student(s)

"Student(s)" means the student and/or the student's parent or legal guardian unless the context clearly indicates otherwise. When the complainant or respondent is a student, references to those terms also include the student's parent or legal guardian

unless the context clearly indicates otherwise.

10. Actual Knowledge

“Actual knowledge” means a school employee has notice of sexual harassment or allegations of sexual harassment.

C. REPORTING SEXUAL HARASSMENT

1. Student Reports

Any student who believes he or she is a victim of sexual harassment occurring in the school system’s education programs or activities is encouraged to report the matter to the student’s principal or to the Title IX coordinator. Reports may also be made to a teacher, counselor, assistant principal, teacher assistant, or any other school employee. Middle and high school students may also report sexual harassment through the anonymous tip line, but school officials may be limited in their ability to respond if the report does not identify the complainant.

2. Mandatory Reporting by School Employees and Board Members

Any employee or member of the board of education who has actual knowledge of sexual harassment or allegations of sexual harassment occurring in the education program or any activity of the school system must report that information immediately to the Title IX coordinator.

Any of the following confers “actual knowledge” and must be reported immediately:

- a. a report of sexual harassment from a student or other person;
- b. the employee or board member witnesses conduct that is or reasonably could be sexual harassment; or
- c. the employee or board member discovers evidence of sexual harassment, such as sexualized graffiti on school property, or otherwise has reliable information or reason to believe that a student, employee, or other individual may have been sexually harassed in violation of this policy, even if no one has reported the sexual harassment.

Employees who observe an incident of harassment are expected to intervene to stop the conduct in situations in which they have supervisory control over the perpetrator, and it is safe to do so. An employee with actual knowledge of possible sexual harassment in violation of this policy who does not promptly report the conduct and/or take proper action as required by this subsection, or who knowingly provides false information about the incident, will be subject to disciplinary action,

up to and including dismissal.

Any doubt about whether particular conduct is possible sexual harassment must be resolved in favor of reporting the conduct.

The mandatory reporting required by this section is in addition to required reporting under policies 4040/7310, Student-Staff Relations, and 4240/7312, Child Abuse and Related Threats to Child Safety, where the conduct at issue requires a report under either of those policies.

3. Reporting by Others

All other members of the school community are strongly encouraged to report any act that may constitute an incident of sexual harassment in violation of this policy to the school principal, the Title IX coordinator, or the superintendent.

4. Content of the Report

To the extent possible, reports should be sufficient to put school officials on notice of conduct that could constitute sexual harassment. Employees making mandatory reports should provide as much detail about the alleged sexual harassment as is known, unless such disclosure would violate law or standards of professional ethics. Reports, other than mandatory reports by employees, may be made anonymously, but anonymous reports may limit the school system's ability to respond fully if the alleged victim is not identified.

5. Time Period for Making a Report

Reports by students and third parties can be made at any time. During non-business hours, reports can be made by using the contact information for the Title IX coordinator provided on the school system's website and in policy 1720/4030/7235, Title IX Nondiscrimination on the Basis of Sex. A report should be made as soon as possible after disclosure or discovery of the facts giving rise to the report. Delays in reporting may impair the ability of school officials to investigate and respond to any subsequent formal complaint.

School employees and board members with actual knowledge of sexual harassment must report that information immediately, as provided in subsection C.2 above.

D. SCHOOL OFFICIALS' RESPONSE TO ACTUAL KNOWLEDGE OF SEXUAL HARASSMENT

As required to meet the school system's obligations under Title IX, school officials shall respond promptly and impartially to actual knowledge of alleged sexual harassment in a manner that is not deliberately indifferent. A response that is not deliberately indifferent is one that is not clearly unreasonable in light of the known circumstances and includes, at a minimum, the provision of supportive measures to the complainant, as described in this

section.

Consistent with this duty, school officials shall respond to all reports of conduct that could constitute sexual harassment in accordance with this section. However, a report alleging conduct that is not sexual harassment as defined in this policy is not subject to this policy but may be referred to appropriate school officials as a possible violation of other board policies.

1. Title IX Coordinator Initiates Interactive Process with Complainant

Upon receiving a report of alleged sexual harassment, the Title IX coordinator shall promptly contact the complainant and the complainant's parent or guardian confidentially. This contact must occur within three days, excluding weekends, absent extenuating circumstances. The Title IX coordinator shall also notify the principal of the report and, if an employee is the complainant or respondent, the senior human resources official or designee.

When contacting the complainant and parent or guardian, the Title IX coordinator shall do all of the following during the contact and shall document the same:

- a. offer supportive measures;
- b. consider the complainant's wishes with respect to supportive measures;
- c. explain that supportive measures are available with or without the filing of a formal complaint; and
- d. explain the process for filing a formal complaint with the Title IX coordinator and the response required of the school system when a complaint is filed, including all the following:
 - i. that a formal complaint will initiate the grievance process described in policy 1726/4036/7237, Title IX Sexual Harassment Grievance Process;
 - ii. that a formal complaint may be filed with the Title IX coordinator in person, by mail, or by electronic mail;
 - iii. the major steps in the grievance process, including (1) a notice of the allegations that will be provided to the respondent that includes identification of the complainant and the allegations made; (2) an investigation of the allegations of sexual harassment in which both parties will have opportunity to have an advisor, present witnesses, review evidence, pose written questions of the other party, and receive a copy of the investigative report; (3) a decision on responsibility in which a decision-maker objectively evaluates all

relevant evidence and determines whether the respondent engaged in the alleged sexual harassment in violation of this policy; and (4) the opportunity for either party to appeal the decision;

- iv. the approximate time frame for concluding the grievance process;
- v. that school officials will treat both parties equitably by (1) providing remedies to the complainant if the respondent is found responsible, and (2) by not imposing disciplinary sanctions on the respondent without first following the grievance process set forth in policy 1726/4036/7237;
- vi. the circumstances under which a formal complaint might be consolidated with other formal complaints or dismissed; and
- vii. that the Title IX coordinator may have an obligation to initiate the grievance process in the absence of a formal complaint filed by the complainant and the time frame in which that decision will be made.

2. Title IX Coordinator Arranges Implementation of Supportive Measures

After considering the complainant's wishes, the Title IX coordinator shall arrange the effective implementation of appropriate supportive measures unless, in the exercise of good judgment, the Title IX coordinator determines that supportive measures should not be provided. If supportive measures are not provided to the complainant, the Title IX coordinator shall document why supportive measures were not provided and why not providing supportive measures is not deliberately indifferent to known sexual harassment.

If the complainant is a student with a disability, the Title IX coordinator may need to consult with appropriate school personnel to determine whether adjustments to the student's IEP or Section 504 plan are needed to implement any supportive measures to be provided and/or whether the student's plan necessitates any adjustment to the proposed supportive measures.

3. Title IX Coordinator Determines Whether to Sign a Formal Complaint

If the complainant declined to file a formal complaint within the designated time period following the interactive process described above, the Title IX coordinator shall determine on a case-by-case basis whether to sign, i.e., file, a formal complaint to initiate the grievance process.

The Title IX coordinator should file a formal complaint (1) if the respondent is a school employee and the complainant is a student; and (2) in other cases where, in the exercise of good judgment and in consultation with the school attorney as appropriate, the coordinator determines that a grievance process is necessary to

comply with the obligation not to be deliberately indifferent to known allegations of sexual harassment. Credibility or merit of the complaint shall not be considered in making the determination.

A decision by the Title IX coordinator to sign a formal complaint is not to be construed as supportive of the complainant or in opposition to the respondent or as an indication of whether the allegations are credible or have merit, or whether there is evidence sufficient to determine responsibility. Signing a formal complaint does not make the Title IX coordinator a complainant or party to the complaint nor relieve the Title IX coordinator from any responsibilities under this policy.

The Title IX coordinator shall document the decision of whether to sign a complaint and the reasons for that decision.

4. **Presumption of Non-responsibility of Respondent and Bar on Disciplinary Sanctions without Due Process**

The respondent identified in any report alleging sexual harassment under this policy will be presumed not responsible for the alleged conduct until the respondent's responsibility is conclusively established through the grievance process outlined in policy 1726/4036/7237, Title IX Sexual Harassment Grievance Process.

No disciplinary sanction or other action that is not a supportive measure, including but not limited to (1) short or long-term suspension, expulsion, or transfer to an alternative school or program for student-respondents and (2) suspension, demotion, or dismissal for employee-respondents, may be imposed for a violation of this policy unless the respondent agrees to a specific disciplinary sanction or action in an informal resolution or has been determined to be responsible for the sexual harassment at the conclusion of a grievance process that complies with the process in policy 1726/4036/7237. An employee-respondent, however, may be placed on administrative leave during the pendency of the grievance process if consistent with applicable state and federal laws.

Notwithstanding the limitation just described, respondents are subject to emergency removal as described in the next paragraph.

5. **Emergency Removal of Respondent from School or Employment**

Any respondent is subject to removal from the school system's education program and activities, or any part of the program or activities, on an emergency basis if a school-based threat assessment team conducts an individualized safety and risk analysis and determines that removal is justified because the person poses an immediate health or safety threat to any person arising from the allegations of sexual harassment. A removal under this subsection includes a transfer of a student to an alternative education program consistent with policy 3470/4305, Alternative Learning Programs/Schools. A schedule change, and/or removing a student from

an extracurricular activity is also considered a removal under this subsection where such action would not otherwise constitute a supportive measure.

The emergency removal may take place regardless of whether a formal complaint has been filed. However, any such removal must be consistent with federal and state law, including any applicable law protecting the rights of individuals with disabilities. The respondent shall receive notice of the removal and an opportunity to challenge the decision in an informal hearing with the superintendent or designee immediately following the removal.

An employee may be placed on administrative leave with or without pay during the pendency of the grievance process set out in policy 1726/4036/7237, Title IX Sexual Harassment Grievance Process, if consistent with state law and in accordance with any applicable requirements of state law.

The superintendent or designee shall document all emergency removal decisions under this subsection, including the immediate threat to health or safety that justified the removal.

6. Supportive Measures

Supportive measures will be available to both the complainant and respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Supportive measures will remain confidential to the extent that maintaining such confidentiality does not impair the ability to provide the supportive measures. The Title IX coordinator is responsible for coordinating the effective implementation of supportive measures.

E. GRIEVANCE PROCESS FOR FORMAL COMPLAINTS

The grievance process for formal complaints of sexual harassment under this policy is set out in policy 1726/4036/7237, Title IX Sexual Harassment Grievance Process. The policy also provides an informal resolution process for complainants who seek an alternate means of resolution to their complaint.

As described in subsection D.3 above, the Title IX coordinator may also initiate the grievance process, as needed.

F. RECORDS

The Title IX coordinator shall create and maintain for a period of seven years records of all reports and formal complaints of sexual harassment. For each report or formal complaint, the coordinator shall document the following:

1. any actions, including any supportive measures, taken in response to the report or formal complaint;

2. that school officials have taken measures that are designed to restore or preserve equal access to the school system's education program and activities;
3. why school officials believe their response to the report or complaint was not deliberately indifferent; and
4. if supportive measures were not provided to the complainant, why that was not clearly unreasonable in light of the known circumstances.

In conjunction with the superintendent, the Title IX coordinator shall also maintain for seven years all materials used to train the Title IX coordinator, investigators, decision-makers, and any person who facilitates an informal resolution process. These materials will be made publicly available on the school system's website.

TITLE IX SEXUAL HARASSMENT GRIEVANCE PROCESS

Policy Code: **4036/7237**

The process provided in this policy is designed for those who believe that they have been sexually harassed in violation of policy 1725/4035/7236, Title IX Sexual Harassment – Prohibited Conduct and Reporting Process, and wish to file a formal complaint. School officials shall follow the grievance process established in this policy when responding to all formal complaints of sexual harassment.

The superintendent is responsible for notifying students and their parents or legal guardians, employees, and applicants for employment of this policy and ensuring that each principal or site supervisor provides a copy of this policy to these persons.

A. DEFINITIONS

All definitions in policy 1725/4035/7236, Title IX Sexual Harassment – Prohibited Conduct and Reporting Process, are incorporated by reference and have the same meaning when used in this policy, including all references to “sexual harassment” in this policy.

The following additional definitions apply in this policy.

1. **Investigator**

The investigator is the school official responsible for investigating and responding to a formal complaint.

2. **Decision-Maker**

The decision-maker is the school official responsible for making a determination regarding responsibility in response to an investigation of sexual harassment triggered by a formal complaint.

3. **Investigative Report**

The investigative report is a written account of the findings of the investigation conducted in response to a formal complaint.

4. **Remedies**

Remedies are individualized measures provided to a complainant designed to restore or preserve the complainant’s equal access to the education program and activities of the school system when a respondent is found responsible for sexual harassment.

Remedial measures available to a complainant following a determination of

responsibility include counseling, mental health services referral, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, escort services, mutual or one-way restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring, and other measures determined by school officials to be necessary to restore or preserve the complainant's equal access to the education program and activities, regardless of whether such measures impose a burden on the respondent or are punitive or disciplinary in nature.

5. Disciplinary Sanctions

Disciplinary sanctions are consequences imposed on a respondent when the respondent is found responsible for sexual harassment.

B. FILING A FORMAL COMPLAINT TO INITIATE THE GRIEVANCE PROCESS

A formal complaint initiates the grievance process.

1. Individuals Who May File a Formal Complaint

a. Eligible Complainants

Eligible individuals who believe that they have been sexually harassed in violation of policy 1725/4035/7236, Title IX Sexual Harassment – Prohibited Conduct and Reporting Process, may initiate the grievance process for alleged sexual harassment by filing a formal written complaint with the Title IX coordinator. To be eligible to file a formal written complaint, the complainant must be participating in or attempting to participate in the education program or activities of the school system at the time of filing.

b. The Title IX Coordinator

If the complainant does not wish to file a formal complaint and the matter has not been adequately resolved through the provision of supportive measures, the Title IX coordinator may initiate the grievance process by signing a formal complaint. In accordance with law, only the complainant and the Title IX coordinator may initiate the grievance process; no other individuals or school officials shall have authority to do so.

2. Time Period for Filing a Formal Complaint

There is no deadline for filing a complaint. A complaint should be filed as soon as possible after the conduct occurs, preferably within 30 days after the complainant becomes aware of the alleged sexual harassment, unless the conduct forming the basis for the complaint is ongoing. School officials will initiate the grievance

process regardless of when the formal complaint is submitted, but delays in reporting may significantly impair the ability of school officials to investigate and respond to the allegations.

In addition, in some circumstances it may be necessary for the Title IX coordinator to sign a formal complaint to initiate the grievance process in order to meet the school system's legal obligations when the coordinator is aware of sexual harassment or alleged sexual harassment and the complainant has not yet filed a formal complaint. The Title IX coordinator can do so at any time.

3. Contents of the Formal Complaint

The complaint should (1) contain the name and address of the complainant and the student's parent or guardian if the complainant is a minor student, (2) describe the alleged sexual harassment, (3) request an investigation of the matter, and (4) be signed by the complainant or otherwise indicate that the complainant is the person filing the complaint.

4. How to File the Formal Complaint

The complaint may be filed with the Title IX coordinator in person, by mail, or by email. Complaint forms may be obtained from the Title IX coordinator or on the school system website.

5. School System's Response to Receipt of the Formal Complaint

- a. Upon receipt of a formal complaint of sexual harassment, the Title IX coordinator shall engage in an interactive process with the complainant, consider the provision of supportive measures in light of the complainant's wishes, provide supportive measures as appropriate, and otherwise fulfill the requirements of Section D of policy 1725/4035/7236, Title IX Sexual Harassment – Prohibited Conduct and Reporting Process, unless the Title IX coordinator has already done so in response to an initial report of the same allegation of sexual harassment.
- b. School officials reserve the right to consolidate formal complaints against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. The Title IX coordinator shall advise the complainant if the formal complaint will be consolidated with others.
- c. The formal complaint initiates the grievance process as described below.

C. GENERAL PRINCIPLES OF THE GRIEVANCE PROCESS FOR FORMAL COMPLAINTS

To ensure a complete, thorough, and fair grievance process for formal complaints of sexual harassment, school officials responsible for the investigation, adjudication, or appeal of a formal complaint of sexual harassment shall comply with the following requirements. Failure by any school official to comply with these requirements or other standards or procedures established in this policy is cause for disciplinary action.

1. Equitable Treatment

Complainants and respondents must be treated equitably throughout the grievance process. Relevant evidence collected in the investigation of a formal complaint must be evaluated objectively. No individual designated as a Title IX coordinator, investigator, decision-maker, or appeal decision-maker will have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. Credibility determinations will not be based on a person's status as a complainant, respondent, or witness.

The complainant and respondent shall be provided an equal opportunity to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be an attorney. If a party elects to be represented by an attorney, the party should notify school officials in advance so that an attorney for the school system may also be present. Any restrictions on advisor participation in any proceeding must be applied equally to both parties.

The complainant and respondent will both be provided a description of the range of supportive measures available to them.

2. Adequate Training

The Title IX coordinator, and all persons serving as Title IX investigators, decision-makers, or appeal decision-makers shall receive training on what constitutes sexual harassment, the scope of the school system's education program and activities, how to conduct an investigation and grievance process, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. Decision-makers will be trained on any technology to be used at a live hearing and on issues of relevance of questions and evidence.

Materials used to train coordinators, investigators, decision-makers, and appeal decision-makers will not rely on sex stereotypes and shall promote impartial investigations and adjudications of sexual harassment. Copyright restrictions will be taken into consideration in selecting training materials in order to comply with the school system's legal obligation to make all training materials available on the school system's website.

3. Presumption of Non-Responsibility/Innocence

At all times prior to a determination regarding responsibility by the decision-maker, there will be a presumption that the respondent is not responsible for the alleged conduct.

4. Burden of Proof and Production of Evidence

The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility will at all times rest on the school system and not on the complainant or respondent. Formal rules of evidence shall not apply in the grievance process.

5. Written Notice of Meetings and Other Proceedings

Parties whose participation is invited or expected at any hearing, investigative interview, or other meeting will be provided written notice of the event's date, time, location, participants, and purpose with sufficient time for the party to prepare to participate.

6. Confidentiality and Privacy

The school system will keep confidential the identity of any individual who has made a report or formal complaint of sexual harassment, any complainant, any respondent, and any witness, except as may be permitted by FERPA, as required by law, or as necessary to carry out a Title IX proceeding. A violation of this provision may constitute retaliation.

All meetings, hearings, or other proceeding conducted pursuant to this policy will be private except to the extent that the parties are permitted to be accompanied by others as provided in subsection C.1 above.

School officials shall not access, consider, disclose, or otherwise use a party's medical, mental health, or other records that are made or maintained by a professional or paraprofessional in connection with the provision of treatment to the party without the party's voluntary written consent.

7. No Disclosure of Privileged Information

No person acting on behalf of the school system shall require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

8. Timeliness of Process

School officials shall make a good faith effort to conduct a fair, impartial grievance process in a timely manner designed to provide all parties with a prompt and

equitable resolution. It is expected that in most cases, the grievance process will be concluded through the adjudication phase within 90 days after filing the formal complaint. The board reserves the right to extend this time frame or any deadline contained in this policy for good cause with written notice to the parties of the delay and the reason for the delay. Good cause may include but is not limited to the absence of the parties or witnesses, concurrent law enforcement activity, or the need for language assistance or accommodation of disabilities.

The Title IX coordinator or other responsible school official shall make reasonable efforts to keep the complainant and respondent apprised of progress being made during any period of delay.

D. THE GRIEVANCE PROCESS FOR FORMAL COMPLAINTS: PART I – INVESTIGATION

1. Step 1 – Notice of Allegations

- a. Upon the filing of a formal complaint, the Title IX coordinator shall, within five school business days, provide the known parties written notice of the allegations that includes:
 - i. notice of the allegations of sexual harassment in sufficient detail to permit the parties to prepare a response before any initial interview, including:
 - a) the identities of the parties involved, if known;
 - b) the conduct allegedly constituting sexual harassment; and
 - c) the date and location of the alleged incident, if known;
 - ii. a copy of this policy to give notice of the school system's grievance process, including the investigative and adjudication procedures, and any informal resolution process available;
 - iii. notice that the parties may have an advisor of their choice and that either party may inspect and review any evidence;
 - iv. notice of the provision in board policy 4340, School-Level Investigations, that prohibits students and employees from knowingly making false statements or knowingly submitting false information during the grievance process; and
 - v. a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made at the conclusion of the grievance process.

- b. If during the investigation, the investigator decides to investigate allegations of sexual harassment not included in the initial notice provided above, notice of the additional allegations will be provided to the parties.

2. Step 2 – Review Grounds for Dismissal of the Formal Complaint

The Title IX coordinator shall review the allegations and determine whether the formal complaint must be dismissed without further investigation because the conduct alleged in the formal complaint, even if assumed true, would not constitute sexual harassment as defined in this policy, did not occur in the school system's education program or activities, or did not occur against a person in the United States. Such a dismissal does not preclude action under another provision of the Code of Student Conduct, board policy, or expected standards of employee behavior. The complaint will not be dismissed at this stage on the basis that the allegations are frivolous, without merit, or otherwise unfounded.

Upon a dismissal, the Title IX coordinator must promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties. The parties have the right to appeal the decision as provided in Section F.

The Title IX coordinator shall refer the matter that was the subject of the dismissed complaint to the principal for further action as warranted.

3. Step 3 – Initiating the Investigation

If the complaint may proceed, the Title IX coordinator shall notify the appropriate investigator, who shall investigate the formal complaint.

- a. In order to provide a neutral and objective investigation, the investigator shall not be a party to the complaint under investigation. The investigator of a formal complaint is ordinarily determined as described below; however, the Title IX coordinator, in consultation with the superintendent, may determine that conflict of interest, bias, or other individual circumstances warrant the assignment of a different investigator.
 - i. If the respondent is a student, the investigator is the principal or designee of the school with jurisdiction over the incident.
 - ii. If the respondent is an employee or applicant for employment, the investigator is the senior human resources official or designee.
 - iii. If the respondent is neither a student nor an employee/applicant for employment, the principal of the school/site supervisor at which the complainant is enrolled or employed shall be the investigator.
 - iv. Notwithstanding the above designations, (1) if the respondent is the

senior human resources official, the superintendent shall investigate the complaint; (2) if the respondent is the superintendent or a member of the board, the Title IX coordinator shall immediately notify the board chair who shall direct the board attorney to investigate, unless the board chair determines that outside counsel should be engaged to investigate.

- b. The investigator may request assistance from the Title IX coordinator to conduct the investigation.
- c. The Title IX coordinator and the investigator shall jointly assess the need for supportive measures for either party, including assessing the effectiveness of any supportive measures currently being provided to the complainant, and, as necessary, will implement appropriate measures in a timely manner and monitor the effectiveness of the measures during the pendency of the investigation and prior to a final determination regarding responsibility. Supportive measures provided to the complainant or respondent will be maintained as confidential to the extent that maintaining such confidentiality does not impair the ability to provide the supportive measures.
- d. The investigator shall explain the process of the investigation to the complainant and respondent.

4. Step 4 – Conducting the Investigation

The investigator is responsible for gathering evidence sufficient to reach a determination of whether the allegations in the formal complaint are true and whether the facts as determined by the investigator establish that sexual harassment as defined in this policy occurred. In so doing, the investigator shall impartially, promptly, and thoroughly investigate the complaint.

- a. The investigator shall interview all individuals who may have relevant information, including (1) the complainant; (2) the respondent; (3) individuals identified as witnesses by the complainant or respondent; and (4) any other individuals who are thought possibly to have relevant information. Prior written notice shall be provided to a party whose participation is invited or expected for any investigative interview or meeting in accordance with subsection C.5 above. The investigator shall provide the complainant and respondent an equal opportunity to present fact and expert witnesses and other evidence tending to prove or disprove the allegations.
- b. The investigator shall ensure that the burden of gathering evidence sufficient to reach a determination regarding responsibility rests on the school system and not on the complainant or respondent.

- c. The investigator shall not restrict the ability of either party to gather and present relevant evidence or to discuss the allegations under investigation.
- d. The formal complaint and the investigation will be kept confidential to the extent possible. Information may be shared only with individuals who need the information in order to investigate and address the complaint appropriately and those with a legal right to access the information. Any requests by the complainant or respondent for further confidentiality will be evaluated within the context of the legal responsibilities of the school system.

The investigator may, with approval of the Title IX coordinator, dismiss the formal complaint or any allegations therein if at any time during the investigation or decision-making process: (1) the complainant notifies the Title IX coordinator in writing that he or she would like to withdraw the formal complaint or any allegations therein; (2) the respondent is no longer enrolled or employed by the school system; or (3) specific circumstances prevent school officials from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein. Upon dismissal, the Title IX coordinator shall promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties. The parties have the right to appeal the decision as provided in Section F.

The investigator may consider the matter that was the subject of the dismissed complaint for action in accordance with board policy for violation of other expected standards of student or employee behavior.

5. Step 5 – Investigative Report and Opportunity to Review Evidence

- a. The investigator shall prepare an investigative report that fairly summarizes the relevant evidence.
- b. Before completing the final report, the investigator shall send to each party and the party's advisor, if any, in hard copy or electronically, all the evidence collected which is directly related to the allegations raised in the formal complaint. The parties shall have 10 days to submit a written response for the investigator's consideration before the investigator finalizes the investigative report.
- c. Following the parties' opportunity to respond to the written evidence, the investigator shall finalize the written investigative report, including a recommendation on the question of responsibility and any recommended discipline sanction.
- d. The investigator shall provide a copy of the report to each party and the party's advisor, if any, for their review and written response. The

investigator shall also notify the parties of the opportunity to submit written questions to the other party and witnesses as provided in subsection E.2 below. The parties shall have 10 days to provide a written response to the investigative report, along with the party's initial set of written questions.

- e. The investigator shall provide to the decision-maker a copy of the investigative report, the relevant evidence, and the parties' written responses to the report and initial sets of written questions.

The investigator shall also provide a description of the procedural steps taken, starting with the receipt of the formal complaint and continuing through the preparation of the investigative report, and including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence.

E. THE GRIEVANCE PROCESS FOR FORMAL COMPLAINTS: PART II – ADJUDICATION

The superintendent or designee (hereinafter "superintendent") shall serve as the decision-maker. In his or her role as decision-maker, the superintendent shall provide for the exchange of questions between the parties and a decision on responsibility in a manner consistent with state law and as provided below.

1. Step 1 – Student's Opportunity to Request a Hearing

In cases where the respondent is a student, after the investigative report has been sent to the parties, both parties shall have three school business days to request a hearing. If either party requests a hearing, the long-term suspension hearing procedures described in policy 4370, Student Discipline Hearing Procedures, shall be followed, except that (1) both parties shall have the right to participate in the hearing to the extent required by Title IX; (2) all the evidence sent to the parties pursuant to subsection D.5.b above will be made available at the hearing to give each party equal opportunity to refer to such evidence during the hearing; and (3) prior to the hearing, both parties shall have a limited opportunity to submit and respond to written questions and follow-up questions as provided below.

2. Step 2 – Exchange of Questions and Answers

Whether or not there will be a hearing and regardless of whether the respondent is a student, after the parties are sent the investigative report, the superintendent shall provide the parties an opportunity to submit written, relevant questions that the party wants asked of any other party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party in accordance with a reasonably prompt time frame established by the superintendent. The parties shall submit their initial set of written questions at the time they submit their response to the investigative report as described in subsection D.5.d above.

- a. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior will be considered not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's sexual behavior with respect to the respondent and is offered to prove consent.
 - b. The superintendent must explain to the party proposing the questions any decision to exclude questions as not relevant.
3. Step 3 – Decision on the Question Regarding Responsibility

Following the exchange of questions and/or hearing as described above, the superintendent shall decide the question regarding responsibility, any disciplinary action, and any other measures the superintendent deems appropriate. The superintendent shall consider all the relevant evidence objectively, including evidence in the investigative report, any testimony of witnesses at the hearing, if one was held, and any additional information provided by the parties through the exchange of questions and responses as provided in subsection E.2 above.

Based on an objective evaluation of the evidence, the superintendent shall determine whether the preponderance of the evidence supports a finding that the respondent is responsible for sexual harassment in violation of board policy, and if so, what disciplinary sanction will be imposed. Remedies will be provided to the complainant if the respondent is found responsible.

4. Step 4 – Written Determination Regarding Responsibility

The superintendent shall issue a written determination regarding responsibility simultaneously to both parties that includes:

- a. identification of the allegations potentially constituting sexual harassment under board policy;
- b. a description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
- c. findings of fact supporting the determination;
- d. conclusions regarding the application of board policy and/or the Code of Student Conduct or expected standards of employee behavior to the facts including whether, the respondent engaged in prohibited sexual harassment or other proscribed conduct;

- e. a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions imposed on the respondent (which may be a recommendation to the board for discipline that is beyond the authority of the superintendent or other decision-maker), and whether remedies designed to restore or preserve equal access to the school system's education program and activities will be provided to the complainant;
- f. the procedures and permissible bases for the complainant and respondent to appeal; and
- g. any other notices that are required to accompany the decision under state law, such as when the superintendent imposes a long-term suspension or recommends dismissal of an employee.

F. GRIEVANCE PROCESS FOR FORMAL COMPLAINTS: PART III – APPEAL

The parties shall have the right to appeal to the board of education the determination regarding responsibility, the outcome of any disciplinary proceeding, and any dismissal of a formal complaint or any allegations therein. If a party appeals both the determination regarding responsibility and the outcome of a disciplinary proceeding, both matters will be heard by the board at the same time. If both parties appeal, the appeals will be heard at the same time.

1. Deadline and Grounds for Appeal

Either party may appeal by submitting a request in writing to the superintendent within three school business days of receiving the determination regarding responsibility, unless the party is entitled to a longer appeal period under state law or board policy. Any longer appeal period applicable to one party shall apply equally to the other party. The grounds for appeal may be any of the following:

- a. procedural irregularity that affected the outcome of the matter;
- b. new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
- c. the Title IX coordinator, investigator, or decision-maker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter;
- d. the disciplinary sanction is inappropriate or unreasonable; or

- e. any other basis provided by law or board policy governing appeals to the board.

2. Notice of the Appeal

In all appeals, the other party will be notified in writing when an appeal is filed and be provided a copy of the appeal.

3. Appeal Procedures

- a. The board will hear the appeal. Unless otherwise required by law, the board may designate a panel of two or more board members to hear and act on behalf of the board.
- b. Appeal procedures will be implemented equally for both parties and will follow the procedures in policy 2500, Hearings Before the Board, modified as necessary to allow equal participation of the parties.

If the appeal includes an appeal of a disciplinary sanction, the procedures in policy 4370, Student Discipline Hearing Procedures; policy 7940, Classified Personnel: Suspension and Dismissal; or policy 7930, Professional Employees: Demotion and Dismissal, shall also apply as applicable.

- c. After the notice of appeal is provided, both parties will be given 10 days to submit a written statement in support of, or challenging, the outcome. If the basis of the appeal is newly available evidence affecting the outcome, the party shall submit such evidence or a summary of such evidence along with the party's written statement.
- d. The board will review the record and the written argument of the parties submitted on appeal, determine whether additional information is needed from any party, and take any other steps that the board determines to be appropriate in order to respond to the appeal.

4. Decision on Appeal

- a. After considering the record and written statements of the parties, the board will determine whether the grounds for the appeal have been substantiated.
- b. If substantiated, the board will determine the appropriate response, which may include a remand for a new investigation, a new decision, or both, or such other action as the board determines is needed to correct the error in the original proceedings.
- c. The board will provide a written decision describing the results of the appeal

and rationale for the result within thirty days after receiving the appeal unless the decision is delayed for good cause. The written decision will be provided simultaneously to both parties.

5. When the Decision Becomes Final

If an appeal is timely filed, the determination regarding responsibility becomes final at the conclusion of the appeal process. However, if the decision on appeal is remand, the determination regarding responsibility does not become final until that process, including any appeal of the proceedings on remand, is concluded. If an appeal is not filed, the determination regarding responsibility becomes final after the three-day appeal period.

The superintendent shall ensure that a copy of the final decision is provided to the Title IX coordinator and shall confer with the Title IX coordinator regarding any remedies to be provided to the complainant, as described in subsection G.4 below.

G. DISCIPLINARY CONSEQUENCES, REMEDIES, AND OTHER RESPONSES FOR SUBSTANTIATED SEXUAL HARASSMENT

1. Disciplinary Consequences for Students

Disciplinary consequences for substantiated sexual harassment will be assigned in accordance with the Code of Student Conduct. Based on the nature and severity of the offense and the circumstances surrounding the incident, the student will be subject to appropriate consequences and remedial actions ranging from positive behavioral interventions up to, and including, expulsion. In addition, the conduct also may be reported to law enforcement, as appropriate.

A student recommended for a long-term suspension or expulsion will have all applicable rights accorded by board policy and state law. A student with disabilities will have all rights accorded by law, including the right to a manifestation hearing before the imposition of a suspension exceeding 10 cumulative days in a school year.

This policy will not be construed to allow school officials to punish student expression or speech based on undifferentiated fear or apprehension of a disturbance or out of a desire to avoid the discomfort and unpleasantness that may accompany an unpopular viewpoint. However, false or malicious complaints of sexual harassment and false statements made in bad faith in the course of any grievance proceeding conducted pursuant to this policy are subject to disciplinary action.

Nothing in this policy will preclude the school system from taking disciplinary action against a student when the evidence does not establish sexual harassment as defined in this policy but the conduct violates other board policy and/or the Code

of Student Conduct.

2. Disciplinary Consequences for Employees

Substantiated sexual harassment by employees is subject to discipline up to and including dismissal. In addition, the conduct may also be reported to law enforcement, as appropriate.

An employee recommended for suspension, demotion, or dismissal shall have all applicable rights accorded by board policy and state law.

Nothing in this policy will preclude the school system from taking disciplinary action against an employee when the evidence does not establish sexual harassment as defined in this policy, but the conduct violates other board policy or expected standards of employee behavior.

3. Consequences for Other Perpetrators

Volunteers and visitors who engage in sexual harassment will be directed to leave school property and/or be reported to law enforcement, as appropriate, in accordance with policy 5020, Visitors to the Schools. A third party under the supervision and control of the school system will be subject to termination of contracts/agreements, restricted from access to school property, and/or subject to other consequences, as appropriate. Nothing in this policy will be construed to confer on any third party a right to due process or other proceedings to which student and employee respondents are entitled under this policy unless such right exists under law.

4. Remedies

At the conclusion of the grievance process, the superintendent or other decision-maker shall confer with the Title IX coordinator to determine the remedies to be provided to the complainant when the respondent is found responsible for sexual harassment. The Title IX coordinator shall consult with the complainant in determining appropriate remedies.

The Title IX coordinator shall be responsible for the effective implementation of the remedies to be provided to the complainant.

5. Consideration of Need for More Extensive Response

If the superintendent determines that a school-wide or system-wide response is needed in order to respond to the sexual harassment in a way that is not clearly unreasonable under the circumstances, the superintendent shall provide additional staff training, harassment prevention programs, or such other measures as determined appropriate to protect the safety of the educational environment and/or

to deter sexual harassment.

H. INFORMAL RESOLUTION

The board provides informal resolution processes to resolve some formal complaints of sexual harassment without a full investigation and adjudication. Informal resolution is not available unless a formal complaint is filed and will not be used to resolve formal complaints alleging that an employee sexually harassed a student. Further, school officials shall never condition an individual's enrollment, employment, or other rights on an agreement to waive the individual's right to a formal investigation and adjudication of a formal complaint.

The Title IX coordinator, or other school official in consultation with the Title IX coordinator, may offer the parties an informal process to resolve a formal complaint at any time prior to reaching a final determination regarding responsibility. Before using an informal resolution process, school officials must ensure that both parties have given voluntary, informed, written consent to attempt informal resolution. Accordingly, the Title IX coordinator, investigator, or decision-maker shall:

1. provide the parties (including the parent of a minor) a written notice disclosing:
 - a. the allegations;
 - b. the nature and requirements of the informal resolution process, including that if the parties agree to a resolution of the matter, the agreement precludes either party from resuming a formal complaint process arising from the same allegations; and
 - c. any consequences that could result from participating in the informal resolution process, including whether records will be maintained and could be shared; and
2. obtain the parties' voluntary, written consent to the informal resolution process.

Any agreement reached by the parties through informal resolution may include measures that are designed to restore or preserve the parties' equal access to the education program and activities, including measures that may be punitive or disciplinary in nature.

Any informal process should be completed within a reasonable period of time, not to exceed 60 days from filing the complaint unless special circumstances necessitate more time. At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint.

I. RETALIATION PROHIBITED

Any act of retaliation or discrimination against any person for the purpose of interfering with any right or privilege secured by Title IX or because the person has made a report or filed a formal complaint or testified, assisted, or participated or refused to participate in any investigation, proceeding, or hearing involving sexual harassment is prohibited. Any person who is found to have engaged in retaliation will be subject to discipline, up to and including dismissal. Acts of retaliation may also be subject to policy 1760/7280, Prohibition Against Retaliation.

Complaints alleging retaliation are to be treated as claims of sex discrimination and may be filed in accordance with policy 1720/4030/7235, Title IX Nondiscrimination on the Basis of Sex.

J. RECORDS

The superintendent or designee shall maintain for a period of seven years records of the following:

1. each sexual harassment investigation including:
 - a. any determination regarding responsibility;
 - b. any audio or audiovisual recording or transcript from any live hearing;
 - c. any disciplinary sanctions imposed on the respondent; and
 - d. any remedies provided to the complainant designed to restore or preserve equal access to the school system's education program and activities;
2. any appeal and the result therefrom;
3. any informal resolution and the result therefrom; and
4. in conjunction with the Title IX coordinator, all materials used to train Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. These materials will be made publicly available on the school system's website.

The Watauga County Board of Education (the “board”) will make reasonable accommodations for qualified persons with disabilities in accordance with policy 4022, Nondiscrimination on the Basis of Disabilities, and the requirements of state and federal law. An individual with a disability may be accompanied by his or her service animal on school property subject to the requirements of this policy. If necessary, the superintendent may establish administrative regulations for the use of service animals on school property.

A. DEFINITION OF “SERVICE ANIMAL”

A “service animal” for purposes of this policy is any dog that has been individually trained to do work or perform tasks for the benefit of an individual with a disability, including, but not limited to, a physical, sensory, psychiatric, intellectual, or other mental disability. Federal regulation 28 C.F.R. 35.104 provides examples of types of work or tasks that would qualify. The work or tasks performed by a service animal must be directly related to the individual’s disability or necessary to mitigate a disability. Service animals do not include any other species of animal, whether wild or domestic, trained or untrained, except that a miniature horse will be permitted for use as a service animal if reasonable modifications can be made after assessing the specific factors listed in 28 C.F.R. 35.136(i). Animals whose sole function is to provide emotional support, well-being, comfort, companionship or therapeutic benefits or to act as a crime deterrent are not service animals for the purposes of this policy.

B. USE OF A SERVICE ANIMAL ON SCHOOL PROPERTY BY STUDENTS AND EMPLOYEES

1. Introduction of a Service Animal

School administrators shall facilitate the introduction of an eligible service animal into the school environment. To promote a successful integration of the service animal into the educational program and to minimize unnecessary disruption, an employee or student with a disability who intends to bring a service animal to school during the school day is encouraged to follow these guidelines.

- a. The employee, student or student’s parent should notify the superintendent and the principal of the applicable school in writing at least 10 work days prior to the date proposed to bring the service animal onto school property.
- b. The employee, student or student’s parent should work with school personnel to create a plan addressing the presence of the service animal during the school day. A plan to integrate a service animal into the school environment should include the following:
 - 1) appropriate training for school personnel and students regarding interaction with the service animal;

- 2) arrangements for meeting the service animal's basic needs during the school day
 - 3) any necessary modifications to the educational program so that the employee or student with a disability may be accompanied by the service animal; and
 - 4) when necessary, provisions for the presence of a handler other than the employee or student with the disability to control or care for the service animal.
- c. It is recommended, but not required, that the service animal be free of parasites and otherwise in good health. Veterinary records and records of vaccinations should be made available to the superintendent or designee or the principal for review.

2. Presence of a Service Animal on School Property

An employee or student with a disability accompanied by a service animal must meet the following requirements for a service animal to be present on school property.

- a. A student or employee who elects to be accompanied by a service animal will be expected to care for and supervise the animal. If a student is not capable of providing adequate care and supervision, the parent will be responsible for providing such care and supervision.
- b. All costs related to the handling and care of the service animal are the responsibility of the parent/guardian of the student, or of the adult visitor or staff member who uses the animal.
- c. If a student requires assistance from a parent or handler to control and care for the service animal while on school property, that individual must submit to a background screening, which may include a criminal history check in accordance with state law and any procedures established by the superintendent.
- d. The service animal must be on a leash or other mechanical restraint at all times. If mechanical restraint is not feasible due to a student's disability, the animal must be under other sufficient means of control.
- e. The service animal must be housebroken, under the control of its handler, and have received all necessary vaccinations as required by state law.

The principal or designee shall notify all security personnel of the existence and possible locations of any service animals on school property.

C. USE OF A SERVICE ANIMAL ON SCHOOL PROPERTY BY SCHOOL VISITORS

A school visitor who is an individual with a disability may be accompanied by a service animal in accordance with all applicable state and federal laws and regulations and with policy 5020, Visitors to the Schools. A service animal that is accompanying a school visitor may be properly excluded from school property for a reason(s) set forth in section E of this policy.

D. LIABILITY

The board may hold the owner or handler of a service animal liable for any property damage caused by the animal to the same extent required by other board policy or administrative rules that impose liability for property damage. In addition, either the owner or handler, or both may be liable for personal injury caused by the animal or related to the presence of the animal on school property.

E. EXCLUSION OF A SERVICE ANIMAL FROM SCHOOL PROPERTY

School personnel shall not ask an individual with a disability about the nature or extent of his or her disability. However, when not readily apparent to school personnel, a principal or designee may inquire as to whether the animal is required because of a disability and what work or task the animal has been trained to perform. Such inquiries may be made to confirm that the dog is a service animal and is rightfully present on school property.

A principal or designee may exclude a service animal from school property for the following reasons:

1. The animal poses a direct threat to the health or safety of others that cannot be eliminated by reasonable modifications.
2. The animal is out of control and the animal's handler does not take effective action to control it.
3. The animal is not housebroken.
4. The presence or behavior of the animal fundamentally alters the service, program or activity of the school system.

If a principal or designee excludes a dog or service animal from school property, the principal or designee must document the reasons for the exclusion and notify the superintendent. The superintendent or designee will make a determination on whether a service animal will be allowed to return to the school and, if reasonably possible, notify the individual with the disability in writing of the decision within five work days of the initial exclusion.

If the superintendent determines that an animal does not meet the definition of a service animal or that a service animal should be excluded for one or more of the reasons described in this section, the student's Section 504 or IEP Team shall meet to consider and document whether the animal's presence is necessary for the child to receive an appropriate education or to have equal access to the educational program. If the animal's presence is not deemed necessary, the Section 504 or IEP Team will determine whether the child needs other aids and services or accommodations.

If a service animal is excluded, an individual with a disability will be provided the opportunity to participate in educational services, programs or activities as required by law without having the service animal on the premises.

F. APPEAL OF AN EXCLUSION OF A SERVICE ANIMAL FROM SCHOOL PROPERTY

The superintendent's decision regarding exclusion of a service animal from school property in accordance with this policy may be appealed consistent with policy ~~4015, Discrimination, Harassment and Bullying Complaint Procedure~~ Procedure 1710/4020/7230, Discrimination and Harassment Prohibited by Federal Law, and any other procedure established by the superintendent under policy 4022, Nondiscrimination on the Basis of Disabilities.

Adopted: July 14, 2014

Revised: February 9, 2015; _____ (Legal references only)

The Watauga County Board of Education (the “board”) strives to create a safe, orderly, caring and inviting school environment. Gangs and gang-related activities have proven contrary to that mission and are prohibited within the schools. A gang is any ongoing organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of criminal acts and having a common name or common identifying sign, colors or symbols. The violence and crime that accompany gangs pose a serious threat to the safety of students and employees of the school system. Even absent acts of violence or crime, the existence of gang-related activity within the schools creates an atmosphere of fear and hostility that obstructs student learning and achievement. Thus, the board condemns the existence of gangs and will not tolerate gang-related activity in the school system.

A. PROHIBITED BEHAVIOR

Gang-related activity is strictly prohibited within the schools. For the purposes of this policy, “gang-related activity” means: (1) any conduct that is prohibited by another board policy and is engaged in by a student on behalf of an identified gang or as a result of the student’s gang membership; or (2) any conduct engaged in by a student to perpetuate, proliferate or display the existence of any identified gang.

Conduct prohibited by this policy includes:

1. wearing, possessing, using, distributing, displaying or selling any clothing, jewelry, emblems, badges, symbols, signs or other items with the intent to convey membership or affiliation in a gang;
2. communicating either verbally or non-verbally (gestures, handshakes, slogans, drawings, etc.) with the intent to convey membership or affiliation in a gang;
3. tagging, or otherwise defacing school or personal property with symbols or slogans intended to convey membership or affiliation in a gang (see policy 4330, Theft, Trespass and Damage to Property);
4. requiring payment of protection or insurance or otherwise intimidating or threatening any person related to gang activity (see policy 4331, Assaults, and Threats and Harassment);
5. inciting others to intimidate or to act with physical violence upon any other person related to gang activity (see policy 4331);
6. soliciting others for gang membership; and
7. committing any other illegal act or other violation of school system policies in connection with gang-related activity.

B. NOTICE

The superintendent or designee shall regularly consult with law enforcement officials to maintain current examples of gang-related activities, including but not limited to gang names and particularized examples of potential gang indicators including symbols, hand signals, graffiti, clothing, accessories and behaviors. Each principal shall maintain a list of current examples of gang-related activities to assist students, parents and teachers in identifying gang symbols and practices. The list shall be available in an easily accessible location in the main office of the school. Parents, students and school employees may, upon request, access the list, which shall include a warning that wearing or displaying clothing, hand signs or symbols identified in the list with the intent to convey membership or affiliation in any gang may subject a student to discipline under this policy.

In addition, the Code of Student Conduct and all student handbooks (or such other similar materials distributed to parents and students in lieu of a student handbook) shall contain notice that (1) current information on gang-related activities is maintained in the main office at each school; (2) information on gang-related activities is subject to change and the principal should be consulted for updates; and (3) wearing or displaying clothing, hand signs or symbols identified in the list with the intent to convey membership or affiliation in any gang may subject a student to discipline under this policy. The Code of Student Conduct and student handbook (or such other similar materials) also shall provide the addresses of websites that contain additional information identifying gang signs, symbols, clothing and other gang indicators.

In providing this information for students and parents, the board acknowledges that not all potential gang indicators connote actual membership in a gang.

C. CONSEQUENCES

Before receiving disciplinary consequences for a violation of subsection A.1 or A.2, above, a student shall receive an individualized warning as to what item or conduct is in violation of this policy and shall be permitted to immediately change or remove any prohibited items. A student may be disciplined only if he or she previously received notice that the specific item or conduct is prohibited.

Disciplinary consequences for violations of subsections A.1, A.2 and A.6, above, shall be consistent with Section D of policy 4300, Student Behavior Policies. The superintendent or designee shall list in the Code of Student Conduct the specific range of consequences that may be imposed on a student for violations of these subsections.

Violations of subsections A.3, A.4, A.5 and A.7, above, are violations of both this policy and other board policies. Disciplinary consequences for such violations shall be consistent with Section D of policy 4300 and the specific range of consequences listed in the Code of Student Conduct for the other board policy violated. That the violation was

gang-related shall be an aggravating factor when determining the appropriate consequences.

In a situation where a student has violated this policy or is otherwise suspected of gang affiliation through other circumstantial evidence, the principal shall conduct an intervention involving the principal and/or assistant principal, the student and the student's parent. Such intervention also may include the school resource officer and others as appropriate. The purpose of an intervention is to discuss school officials' observations and concerns and to offer the student and his or her parents information and an opportunity to ask questions or provide other information to the school officials.

This policy shall be applied in a non-discriminatory manner based on the objective characteristics of the student's conduct in light of the surrounding circumstances.
