

RELATIONSHIP WITH COUNTY COMMISSIONERS

Policy Code: **5110**

The Watauga County Board of Education (the “board”) strives for a productive working relationship with the board of county commissioners so that sufficient funding is provided to meet the educational goals that the board has established for the school system. The board will seek opportunities to inform the county commissioners about the needs of the school system through a capital outlay plan, the annual budget, and other documents and reports the board deems necessary. The board welcomes periodic joint meetings between the boards as a means of strengthening the relationship with the board of county commissioners, clarifying expectations regarding the budget process, and educating the commissioners on the needs of the school system.

The superintendent shall develop a productive working relationship with the county manager. The superintendent is encouraged to initiate periodic meetings with key administrative personnel of the school system and county government.
