

USE OF EQUIPMENT, MATERIALS, AND SUPPLIES BY NON-SCHOOL GROUPS

Policy Code:

6522

The immediate families of Watauga County Schools students may use resources in school media centers provided such use does not interfere with use by students, teachers, or for instructional purposes. The general public will be directed to the Watauga County library for reading materials and other library resources.

School property shall not be loaned to any group or individual unless approved by the superintendent for an emergency and/or to support public education. "Public education" shall be defined to include Caldwell Community College and Technical Institute, Appalachian State University, and the public school systems of NC.
