

When personal property becomes unnecessary and undesirable for public school purposes, the school system will sell or dispose of the property in order to provide additional revenue for educational purposes, in accordance with the requirements of Article IX, Section 7 of the North Carolina Constitution, G.S. 115C-518 and G.S. 160A, art. 12.

Equipment and supplies acquired under a federal award will be disposed of in accordance with the terms and conditions of the federal award, all applicable requirements of federal law and regulation, and the provisions of this policy not inconsistent with such requirements.

Contracts for the sale or disposal of surplus property must be consistent with G.S. 147, art. 6E and 6G. Prior to disposition, the superintendent or designee must make a finding that the property is no longer necessary or desirable for school use. Before any property may be sold or disposed of, it must be removed from the appropriate fixed asset inventory.

The superintendent or designee shall ensure that any confidential, proprietary, or other identifying information is removed from surplus property prior to disposition. In addition, the disposal of any equipment or other property through waste management services must be done in a manner consistent with environmental or other relevant rules and regulations.

The board will approve the disposal of surplus property pursuant to the requirements of G.S. 160A, article 12.
