

We are excited to be introducing an affordable and effective advertising program for your business that will allow you to support our students and teachers as well as Seabreeze High School. We are offering a sponsorship program through banner advertisement for the entire 2023/2024 school year. The banners will be displayed around Seabreeze High School fence line. With the student count of over 1600, the exposure daily to your business banner is significant.

Your sponsorship directly supports the program of your choice! The fence line banner sponsorship allows 100% of your sponsorship fee to go to the school organization of your choice. Your much needed support of Seabreeze programs will ensure the success of our students.

We hope to make you and your business proud of our efforts in enhancing our school!

Thank you so much for sponsoring Seabreeze High School programs!

- **Please return this form to the school office or by mail with check made payable to "Seabreeze High School" to: Seabreeze High School, Attn: Dodi Gaines, 2700 North Oleander, Daytona Beach, FL 32118. Additional forms maybe found at [seabreezehigh.org](http://seabreezehigh.org).**
