

Carmel Clay Edu-Care Center

Non-Prescription Medication Release

The medications listed below are the only over the counter (OTC) medicines that Carmel Clay Edu-Care Center Staff can administer (per Indiana state regulations) to a child with the signed release from their parent or legal guardian.

Any other OTC medication must have a signed physician's prescription.

I _____, give the Staff of the Edu-Care
PRINT NAME

Center permission to administer the following medications to my child,

Child's Name _____.
PRINT NAME

The Staff can only administer the medications circled.

(Please circle those that apply)

Sunscreen – *NO aerosol cans or pump spray bottles*

Insect repellent

Non-medicated powder

Petroleum jelly

A & D Ointment

Lip Balm

Your child's items will be kept "out of reach" in a classroom group Medication Box.

I will provide Carmel Clay Edu-Care those items that I have circled above and would like my child to use, I will label them with my child's name.

Parent/Legal Guardian Signature _____
