## 2023 FALL PROGRAMS

### WHAT IS CANVAS?

[Click Here to access the GlobalX Canvas log-in page at https://canvas.midpac.edu](https://canvas.midpac.edu)

Canvas is a Learning Management System (LMS). We'll use Canvas to host the class pages, manage assignments, conduct communications, and distribute class information. Here's an overview of tips to help you navigate Canvas:

#### LOGGING IN

- **Mid-Pacific Students:**
  - Select the top/green **Sign in to Canvas** button
  - Use your email address (ex: jdoe@student.midpac.edu.)
- **Non-Mid-Pacific students:**
  - Please use the **Orange button** and your FirstnameLastname as the username
  - When logging in for the first time, enter your username and click "Forgot Password" to create your password.
  - An email with a password reset link will be sent to the email that was provided during registration. Use the password reset link to create your password. Be sure to save your new password in a secure location.
  - Once your password has been created, return to the Canvas Login Page and log into Canvas.

#### ACCESSING COURSE(S)

Canvas access (with the optional parent account if appropriate) will be available 48 hours prior to the start of the course.

#### CANVAS DASHBOARD

The dashboard screen is the first page seen when a user logs in.

From here, you can access course information, syllabi, assignments, contact details and other important course information.
