

Avon Middle School North Athletics

2023-2024

All student athletes will need to have a PRIVIT Account before participating in any type of conditioning or tryouts at Avon Middle School North. ACSC uses a completely paperless clearance process. The process includes a paperless IHSAA Pre-Participation Physical. A parent/guardian will be required to create an account and manage the necessary documents for all of their student/athletes using the PRIVIT Portal. This process will provide a higher level of security and efficiency than the previous process. Please see Avon North athletic page for complete information.
