

Keys to Successful IEPs

DESCRIPTION

This course is designed to assist you with learning the basics (and beyond) of:

- Using SEIS
- Writing legally defensible IEPs
- Preparing for a successful meeting
- Designing effective Transition Plans

This course is comprised of an introduction and fourteen modules which include specific content presented in screencasts, videos, slides, web links, and written material.

INTENDED AUDIENCE

This course is designed for new and veteran service providers who want to strengthen their skills in writing IEPs using SEIS.

DEVELOPED COLLABORATIVELY BY:

East County SELPA - Alicia Alvarez

NCCSE - Shauna Schmoke

North Inland SELPA - Audrey Weed

South County SELPA - Diana Lynn

Tech-Eze, Inc. - Kim Gavin

ON-DEMAND COURSE

Note: access to the training will be emailed to participants upon confirmation of registration.
