## FROM THE PRINCIPAL'S DESK

Greetings to you all. With due respect, it is a great opportunity to **WELCOME** back all continuing students and parents for another academic year, which began three weeks ago. Please join me as we **WELCOME** new students and their parents who enrolled at our school since the beginning of the year.

I wish to sincerely apologize to our school community for not being present at the school to meet and greet you all as I normally do at the beginning of the year. It is a pity for me as I mention it with a heavy heart that I lost my husband at the end of the second day of this year. As a result, we closed the school for two days as my daughter and I together with his immediate family prepared and took his body home and laid him to rest. On behalf of Mr. Haii's family, Thelma and I, we extend our words of appreciation and thank you to students, parents and the school community who contributed in CASH and KIND towards our 'HAUS KRAI'. I asked the IEA Management Team to stay home for a while, that explains why I haven't been coming to school.

A Relief Teacher, Mrs. Hannah Kellets is with my class for time being until I return to official duties in Week 6. Ms. Luakenu is the Care-Taker Principal working closely with our Admin Staff, Thelma. Ms. Luakenu has a class to teach, therefore, any matters of importance, I advise all parents to report to the office and see Thelma during teaching hours.

**ENROLMENT STATISTICS:** At the end of the third week, our Enrolment Statistics for this year as presented in the table. Early Childhood to Grade 1 Classes is full, but if we have more students coming in, there is an opportunity to recruit another teacher which we will consult IEA if our Enrolment Numbers increase.

I wish to advise all parents and guardians that all **School Fee Deposits must be transferred into Westpac Account as stated in the School Fee Schedule.** A Bank Fee of **K25.00** will be paid at the counter for transfer of funds.

**SCHOOL FEE:** International Education Agency (IEA) is a private institution and Kamarau operates entirely on School Fees, therefore, it is very important that school fees must be paid according to the option you ticked and submitted to the Admin Officer.

**OUTSTANDING SCHOOL REPORTS:** Here is a reminder to parents who haven't received 2022 Semester 2 Reports to **WHATSAPP** me.
