IGETC PASS ALONG WORKSHEET

Certification of IGETC requirements is the process by which California Community Colleges may (1) **certify** their own courses, (2) **certify and pass along** courses from other California Community Colleges, and (3) **certify and pass along** courses from non-certifying, regionally accredited institutions. ***Certifying institutions** include only California Community Colleges. All other regionally accredited institutions are non-certifying institutions.

DIRECTIONS: (1) Enter the following in "COLUMN 1" for courses from certifying institutions: name of institution, course prefix and number, and semester the course was completed (e.g. FCC-Eng 1A-F92). These courses must be certified in accordance with the pattern of the source institution. (2) Enter the following in "COLUMN 2" for courses from non-certifying institutions: name of institution, course prefix and number, and the semester the course was completed. **Enter the CCC parallel course in "COLUMN 3". These courses must be equivalent to courses on a CCC's IGETC pattern (if not COS, include CCC name -- e.g., FCC). Use drop down box to enter units completed for all courses in the "AREA/UNITS COLUMN."** (Convert quarter units to semester units.)
