Supplemental Levy

Empowering all to become lifelong learners

About the Levy

OVERVIEW

The Emmett School District has utilized a supplemental levy for many years.

The supplemental levy is a general revenue source and equates to roughly 7% of the operational budget.

The Emmett School District is not alone; 93 of Idaho's school districts utilize supplemental levies to support their programs and buildings. These levies are more than a supplement - they are an important part of how our District operates.

LEVY PARTICULARS

$3 Million Supplemental Levy for two years.

- $1.5 Million per year

This replaces the current Supplemental Levy that expires this summer.

What will this levy provide?

MAINTENANCE

$600,000 per year has been earmarked for district buildings safety upgrades.

- This also includes roof repair at Carberry Elementary School and Shadow Butte Elementary School.

PERSONNEL

$900,000 per year will support these educational priorities:

- Instructional Coach
- Two Counselors
- Secondary English Teacher
- Elementary Principal
- District-Wide School Psychologist
- Secondary Math Instructor
- Behavior Specialist Teachers
- Special Education Support
- Behavior Support Paraprofessionals

Proposed levy amounts

Tax Year	2023	2024
Supplemental Levy Amount	$1,000,000	$1,500,000
Levy Rate	.0003497	.0005246
Levy Rate per $100,000	$35	$52
Monthly Cost per $100,000	$2.91	$4.37

The change from what was being collected in 2021 to what is being proposed for the 2023 equates to an increase of $17 per year per $100,000 of taxable property value.
