SVHS ALUMNI EXECUTIVE COMMITTEE MEETING
August 9, 2021
(Not Yet Approved Until September 13, 2021 Meeting)

The SVAA Executive Committee was called to order by Co-President David Ross. There were 12 members in attendance: David Ross, Sarah Leyda, Carol Toms, Rock VanFossen, Phyllis Crone, Nancy Neisel, George May, Jack Sickafoose, Barbara Lung, Nancy Black, David Reicosky via phone and Charlene Stelluto.

The Secretary's Report of May 10, 2021 was read with Jack motioning for approval and Rock seconding. Motion passed. The impromptu meeting of July 15 was motioned by Barbara with Jack seconding. Motion passed. The financial report revealed the treasury has a checking balance of $25.32. No other report was available. This report will be placed on file for audit.

Unfinished Business

The SCF quarterly report will be available the end of September. David talked with Janine regarding attending our Committee meetings. Her son is playing football at Garaway and will be unable to attend our meetings. She also is unable to help this year with our tailgating party.
We will not have any other fundraisers during the football season if we decide to have a car raffle. David Ross and Charlene discussed the Endowment Committee's plan to raffle a new 2021 Ford EcoSport SE from Sarchione. We were hopeful that Kurt Stanley, salesman for Sarchione and an alumnus could attend our meeting for a question and answer session. Kurt however was working and was unable to attend this evening's meeting. Ronda and Charlene had met with Kurt on July 22. We were able to negotiate a new car to be raffled at the SV Athletic Booster ball drop event in February 2022. Due to Ronda's family affiliation with the Sarchione dealership the car is being sold to our organization at dealer cost. Also Sarchione will house the car until the evening of picking the winner. They will bring the car to any event we want to display it and will buy the raffle tickets for us. They will also provide a banner, place on their Face book page and advertise on 99.9. The winner will pay the taxes due on the car. Tickets will be sold at $20. It is the goal to sell at least 2,000 tickets. (St. James recently sold 2,500 tickets for an older car raffle at $20 each.) Tickets will state if the cost of the car is not realized in ticket sales the monies collected will

be used as a 50/50 raffle. A motion was made b Barbara with Nancy Neisel seconding to go forward with the new car raffle at $20/ticket. Motion passed. Since the first football home game is August 27 sellers of raffle tickets at this game will be Nancy Neisel, Carol Toms and Charlene. Sellers on September 3 will be Mike & Phyllis Crone and Barbara. The Sept. 10 (homecoming) game will find David, SueZanne and Barbara selling tickets. Our other home football game sellers will be discussed at our next Committee meeting.

Phyllis is sending invitations to the honored Classes of 1971 and 1972 to our homecoming football game. Ronda McDade is the class contact for the Class of 1972. (The Class of 1970 has already been recognized prior to the Covid regulations.) Sarah sent a note to SVHS floral teacher to order flowers for honorees attending the September 10 game. Barb will take photos at the Homecoming game. Phyllis also recommended that we hold no tailgating event this year due to the concerns of the Delta Covid virus. Carol made a motion to cancel this event this year with Nancy Black seconding. Motion was passed. Phyllis also reminded us that she has monies collected for a lottery ticket raffle at our home football games which she will continue to hold.

Advertising in the sports programs was discussed. Sarah has had no connection with this and sent an email to Athletic Director Garth Evans. He replied that Carol Snyder is the contact to get an ad into the sports programs. We are probably too late to be included in the football program but will try to be sure we have an ad in the winter sports program booklets.

Sarah had the Honored committee retiree's plaque available which will be update to include Chuck Faigley and Shelva Givins names. Barb made a motion to have the plaque displayed in our SVAA meeting room with George seconding. Motion was passed.

An update on our Co-President Ronda Williams was given Prayers are being said for her complete recovery. It is decided to send Ronda a gas card and some flowers from our school floral department.

New Business

There were no additional committee reports.

Our next meeting will be held on September 13 at 6:00 p.m.
Jack made a motion to adjourn with George seconding. Motion passed.
