Unfinished Business

David stated he will discuss with Janine about attending our meetings to at least give her report update. David also motioned with Nancy Neisel seconding that $1,588.34 be used from the Class Challenge Fund to pay for this year's mailing of our Newsletter. Motion passed. It was also suggested that SVAA advertise in the SV Athletic Booster Club sports programs.

Stark Community Foundation asked where their correspondences should be sent. It was decided that Janine, Carol and Sarah should receive reports, etc.
All comments regarding the annual Newsletter were complimentary and huge thanks were given to Karen Mundy for her work. As it was mentioned the Newsletter was an attractive, easy read with photos appropriately placed in the written material.
The Scholarship Committee was also thanked for their work. David Ross reported that three SVAA, two First United Presbyterian Church, two Class of 1971 gave $1,000 each and Class of 1959 gave six $500 scholarships. Carol also reported that there were six $150 scholarships awarded this year under the "Let the Music Live" Scholarship in memory of Kevin Hall.

Phyllis stated that the Class of 1971 is taking charge of their reunion. They have collected $1,200 toward a scholarship. Mark Cook may be the contact for Class of 1972.
Sarah will check to find the SVAA plaque so both Chuck Faigley and Verl Slutz names can be added.
It was decided that our Committee will meet for our summer outing at The Lighthouse Bistro at the Atwood Lake Marina on Thursday, July 15 at noon. Meet at the school at our monthly meeting building at 11:00 if you would like to carpool.
Ronda asked all to think about plans for next year's activities. Superintendent Fischer stated we could honor all three classes next year (Classes of 1970-71-72) at the Golden Day for the Red and Grey. He also said we could use the Middle School gym if more room was needed for our activities.

New Business
