Unfinished Business

Kaye Pomesky began our meeting showing us the finished Snowman quilt she is donating to SVAA for a fundraiser. Accompanying her was Lonnie and Cheryl. Lonnie donated $80 (4 hours) of quilting the quilt. Kaye stated she has over $1,700 in the quilt (over 85 hours @ $20 an hour) of work on this quilt. The mittens, etc. are all handmade.
Phyllis collected $5 from each member for the lottery board which will be used at our football game. She stated that she is starting fresh with fundraising items. She has recycled our fundraising items which have stagnated in sales. She also is getting a 2'x6' banner with our organization's name to be displayed at our booth. David Ross will be helping with our tailgating as well as Janine.
Phyllis said the Class of 1970 will be ok. Claudia Corbitt Rogers is their representative. They are updating their addresses. The other honored class, Class of 1995 will have Colleen Wigfield Newell as their representative.
Dave Reicosky read his ideas of how to gain new Committee membership by talking to our honored classes with some talking points (accomplishments, mission statement, etc.) He also stated it would be good for a committee

member to attend the various class reunions and educate these classes regarding our organization.
To finalize plans for our Football Homecoming event a motion was made by Jeff, seconded by Jack and approved to have the SVHS Culture Club make our corsages and boutonnieres for attending Class of 1970 alumni.
Karen talked about the annual Newsletter and had checked with other sources to publish, sort and place appropriate postage. Charlene also gave Karen an estimate from Quick Print. Karen will continue to check. She also stated she thought we should be using Press News to get our information to the public as well as the internet social media, Face Book, Webpage, Instagram, Snap Chat, etc.
Dave Reicosky stated that the SV Butterfly Garden is alive and well. He noticed a caterpillar and had the Culture teacher and class observe.
Phyllis asked if the multi-functional tool pen which was just received should be sold prior to our banquet in May. It was decided to have Phyllis sell the pens now, retaining sufficient amount for favors at our banquet. It was also discussed to have our alumni sell our raffle tickets that do not come to our meetings but could be sellers for us.

New Business

The month of October is our combined Executive and Board of Trustees meeting. Committee members will meet at 6:30 for preparation with the meeting to begin at 7:00 pm. Sarah checked with Supt. Fischer who stated he will attend our meeting. We will not bring a lot of finger foods as the food isn't eaten but a few members will bring a couple of snacks. Sarah said she could always have coffee.
There was no new information from any of the committees with the exception that the Scholarship Committee has given a few minor revisions for Sarah to change on the scholarship application.
Other discussion included concerns about the football field not being used for soccer, band shows, etc. Our school and Fairless are the only two schools in Stark County without artificial turf.
The Food Day program was a success and it is hoped that a Food Truck would be available next year to get to more students.

The next meeting will be October 14, 2019 at 6:30 p.m. with the Board of Trustees meeting to begin at 7:00 pm.
Sue Zanne made a motion to adjourn with Rock seconding. Motion approved.
