

Middleborough Public Schools Confidentiality Agreement

As an employee of the Middleborough Public Schools, I understand that it is my responsibility to uphold the highest level of confidentiality. I will uphold this agreement in the following manner:

- Limit communication about student(s) to those individuals working with that student.
- Communication to other individuals working with the student should take place in a private area where non-involved staff members or other students cannot overhear the conversations.
- Confidential paperwork will not leave the classroom or school building.

I understand that violation of confidentiality in this way is a legal violation of a student's civil rights. I understand my role in relation to the Middleborough Public Schools' expectations for these guidelines.
