

# NEW PARENT ACCESS SCHOOLGY

Schoology is a Learning Management System where you can access your student's completed assignments; class lesson plans; view upcoming tests, assignments, and events; and communicate with teachers. Please note: The online grade book, Campus Portal, continues to be the primary source for student grades, attendance information, and more.

**\*Note: If you had an account in previous years, your account has been deleted. Schoology has updated its software to pull in parents' information. Please follow the steps below to create your accounts.**
