Dear Parents and Students,

I am so excited to be starting another year with each of you at Gulf Shores Elementary School! Whether you are new to our school or have been here for years, we are looking forward to an amazing year of building community and learning from each other, so we can be better than our best. Within this document, you will find information regarding school procedures and behavioral expectations. Although this document may not contain all pertinent information, it should help guide and answer questions you may have.

Our goal as educators is to develop the whole child. In doing this, we understand that we have a duty to ensure students receive the best education possible, understand what is expected of them, and that our school and classrooms foster community and leadership so that we can fully engage our students and have them take ownership of their learning. We want students to want to be at school, see the value they bring to the school, and to make the most of their time while they are with us so that they can become productive members of the community one day. Our staff consists of amazing individuals, who are committed to our students. I have no doubt that with our dedicated staff and your support, this will be a stellar year for our students as they persevere, progress, and grow into their best self.

We know that an integral part of a child's success at school, is the partnership between the parent and school. Your participation in your child's education is essential to him/her meeting their full potential. Some ways to be involved and included are having open communication with your child's teacher and making sure your child knows that you are supportive of what is being done in the classroom with academics and behavior, making sure your child is rested and ready to learn each day, and when possible, attend school events.

It is our responsibility to keep a safe, positive, and encouraging environment for all students and staff at Gulf Shores Elementary. When you come to the school, you will notice that the outside doors will be locked. In order to gain access, you will need to show a picture id, identify yourself and who your child is, and let the front office know what the purpose of your visit is. All visitors must sign in and receive a sticker, which must be worn at all times while on campus. If you do not get a sticker and are seen walking the halls by a staff member, you will be escorted back to the front office.

If you have questions or concerns that are not found in the handbook during the school year, feel free to contact your child's teacher for guidance. We know that with open communication and a clear direction, your child will have a successful year.

Dr. Alicia Early
Principal

Guarantee of Free Appropriate Education

The Gulf Shores City Schools Board of Education guarantees the right to a free appropriate education for all school age persons regardless of handicap. The school system will arrange and provide for free evaluation services for any student who is suspected of having a handicap and of needing personalized educational accommodations and/or related services. Parent Notification of Title I “Schoolwide” Program Status

Title I is a federal program designed to help students in our nation’s schools. In accordance with the *Every Student Succeeds Act (ESSA)* and Title I, the goal is to help all children be successful at school. Schools in communities that meet the requirements use Title I funds to benefit the entire school. This type of program is known as a schoolwide program. Title I schoolwide programs use Title funds, along with other local, state, and federal funding to serve all students in the school. Individual students are not identified as participating in the Title I program.

Some of the benefits we may offer students is a weekly after-school math and/or reading tutorial program, tutoring during school hours, summer reading and/or math programs, a summer library program, a readiness program for incoming kindergarten students, parenting education workshops, and along with other educational resources.

Effective schools are the result of a dedicated faculty and staff working together with families and the community to share in the success of all students at school. Increased student self-esteem occurs when parents and teachers collaborate to ensure learning takes place at the school, in the home, and in the community.

Parents Right-to-Know

In accordance with the Title I program and the *Every Student Succeed Act (ESSA)*, parents, through the Right-To-Know provisions, may request information regarding the professional qualifications of their child’s teacher(s) or the qualifications of paraprofessionals providing services to their child. In addition, parents will be provided information about their child’s level of achievement on any state academic assessments.

EQUAL EDUCATIONAL OPPORTUNITIES

It shall be the policy of the Board that no student shall be denied the benefit of any education program or educational activity on the basis of race, color, national origin, age, sex, disability, limited English proficiency, immigrant status, migrant status or homeless status. A free and appropriate education is available to all students with disabilities. It shall be the policy of the GSCS Board that barriers to enrolling and retaining students with limited English proficiency, homeless status, migrant status and immigrant status shall be removed, including but not limited to, the denial or delay of enrollment of such students due to lack of birth certificate, lack of school records or transcripts, lack of immunization or health records, lack of proof of residency, lack of transportation or guardianship or custody requirements.

PARENT RESPONSIBILITIES

Parents/legal custodians and guardians are responsible for the child's attendance and conduct in school. Under Alabama Law, parents/guardians who fail to compel their child to regularly attend school or fail to compel their child to properly conduct himself or herself as a student in accordance with the written policy on school behavior are subject to sanctions or truancy hearings. Our parents/legal custodians and guardians are required to read and share with their child the Gulf Shores City Schools Parent and Student Handbook. The GSCS Code of Conduct can be found on the city school's website at gsboe.org. The parent/legal custodian and guardian confirms that they have read the handbook during the online registration process.

PARENTAL EXPECTATIONS

- Parents must always check in with the front office. Parents are not to visit classrooms without consent from administration.
- When on campus, at school-sponsored functions, or on school field trips, parents must follow all school rules.
- Parents will dress in a manner that reflects school pride.
- Gulf Shores Elementary School is a smoke-free campus. Smoking is not permitted in any school building, on school grounds, or on school field trips. E-Cigarettes are not allowed on campus.
- Students should arrive at school on time.
- Review daily lessons/assignments with students.

PROCEDURES FOR APPOINTMENTS

Arrangements for appointments with teachers may be made by leaving a message with school office personnel or by contacting the teacher by email. The teacher or staff member with whom you wish to meet will return your call or email to make the appointment at his/her convenience. You may also have your child hand deliver a note requesting an appointment. The teacher will inform you in writing, by email, or by phone of an available conference time. Our phone number is 251-968-7375. You may find teacher email addresses on our website under teacher directory. Teachers will also send contact information home to parents.

ENROLLMENT REQUIREMENTS

Students entering Pre-kindergarten must be four (4) years old on or before September 1st. Students entering kindergarten must be five (5) years old on or before September 1st. Boys and girls entering grade one must be six (6) years of age on or before December 31. This extends the timeframe from the current date of on or before September 1 for first grade only. Students enrolling in Gulf Shores Elementary School for the first time must present the following documents:

- A certified birth certificate
- A current immunization form. Only students presenting a Certificate of Medical Exemption or a Certificate of Religious Exemption are excused from this requirement.
- Three (3) proofs of residency. One having to do with the mortgage or lease. The other two need to be current utilities. Or, one utility bill and something from the government or a pay stub is acceptable.

The following items are also required:

- A recent report card or withdrawal form from last school attended
- A copy of guardianship papers, if applicable.

WITHDRAWAL PROCEDURES

Advanced notice should be given to the school before students are withdrawn. Textbooks, library books, lunch payments, etc., must be cleared before students transfer to another school.

STUDENT RECORDS

Gulf Shores City Schools shall adhere to the provisions of the Family Educational Rights and Privacy Act of 1974 regarding students' records.

ATTENDANCE PROCEDURES

School attendance is extremely important for academic success and for the development of quality work habits. Getting to school at the proper time is also important. Our school hours are 7:50 until 2:50.

ABSENCES

Students may not exceed (9) unexcused absences per year. If a student misses more than half of the school day, a full absence will be accumulated. A student and the student's parent or guardian shall be given written notice when a student's unexcused absences exceed four (4) days. The student could be retained if unexcused absences exceed nine (9) unexcused days per year. State law stipulates that absences are to be classified into two categories - excused and unexcused. Parents are allowed to excuse 9 absences through a simple note from home. On the first day following an absence from school, the student must bring a written note from the parent or guardian or a physician note explaining the reason for the absence. Our computer system automatically records an absence as unexcused. The parent or physician note allows the registrar to change the absence to be excused. There is no maximum allowed number of physicians excuses for

absences. Parents have three days to email, fax, or send a statement with an explanation of the reason for the absence and the date of the absence. Students who miss multiple consecutive days with a physician's excuse and who successfully complete missed assignments within the timeframe specified by the school may be eligible to have their absences coded as *present for remote learning* rather than *excused absence*. For more information regarding remote learning guidelines, please contact the school office.

Absences may be **excused** for the following permissible reasons:

- Student illness/Hospitalization
- Court Subpoena
- Religious Holidays
- Inclement weather which makes it dangerous to attend school (as announced by the Superintendent)
- Legal quarantine
- Death in the immediate family
- Emergency condition as determined by the principal or superintendent
- Observance of traditional religious holidays of local, national, or international origin when verified by the student's minister or religious leader.

Examples of **unexcused** absences are truancy, parental neglect, student working, or simple failure to turn in proper written excuse within three days of absence.

TRUANCY

TRUANCY VIOLATIONS	RELATED SANCTIONS
• FIRST UNEXCUSED ABSENCE:	WARNING: PARENT NOTIFIED OF TRUANCY BY LETTER FROM THE SCHOOL.
• FIFTH UNEXCUSED ABSENCE:	DISTRICT-LEVEL CERTIFIED LETTER
• SEVENTH UNEXCUSED ABSENCE:	EARLY WARNING PROGRAM AT CITY COURT-CERTIFIED LETTER MAILED TO PARENT (SCHOOL ADMIN WILL ATTEND)
• EIGHTH UNEXCUSED ABSENCE:	MAY RESULT IN HOME VISIT BY DISTRICT PERSONNEL
• TENTH UNEXCUSED ABSENCE:	FORMAL TRUANCY PETITION FILED

*Optional intervention steps such as meetings with or visits by GSES administration may occur intermittently along this timeline.

SCHEDULE/TARDINESS

It is essential for the orderly start of the school day that each student is on time. School begins promptly at 7:50 a.m. Students are expected to be in their classrooms at that time. Students who ride the bus will be on

time for school each day.

CHECK INS/CHECK OUTS

Students who are not in class at 7:50 a.m. are considered tardy and must enter the building through the front office entrance. A parent/guardian must accompany tardy students to the school office to check in if arriving after 7:50 a.m.

Parents/guardians may be allowed to check a child out of school early for a valid reason (i.e. sickness, doctor appointments, etc.) Written, faxed, or emailed permission from the parent/guardian is required to authorize someone other than the parent to check out a child. A picture ID is required to check out a student. For your child's safety and security, no exceptions will be made to this policy. Students checking out before 11:30 a.m. will be counted as absent for the entire day. Checkouts after 2:30 p.m. should be limited to emergency situations.

MAKE-UP WORK

Upon return to school from excused absence(s), students have up to three days to complete and turn-in make-up work to teachers. It is the responsibility of the student to request make-up work and submit it within the required time frame.

SCHOOL NURSE

Screening programs include vision and hearing screening in grades kindergarten and second and scoliosis screening is provided in grades 5-9 (ages 11-14), as mandated by state law. Various health education programs are provided annually. Special emphasis is given to "hand washing" and "cough and sneeze etiquette" programs. Individualized Health Care Plans and/or Emergency Action Health Care Plans are developed for all students with chronic health care conditions. In order for a student to receive prescription medication at school, the parent/guardian and physician must sign the ALSDE School Medication Parent/Prescriber Authorization form granting permission to the School Nurse to administer the medication. The delegating registered school nurse must evaluate and approve all over-the-counter medicines and parent instructions. The parent or guardian shall deliver all medication to the school nurse in the original container with clear, current instructions. Should you have questions or concerns regarding this information, please contact our school nurse, Patty Sansom, at 251-968-7375. The school nurse will provide treatment of minor injuries. She will be sending out more information to parents periodically throughout the school year.

SICK DAY EXCLUSIONS

As a parent, there are times when you are unsure whether your child should attend school and when to seek medical care. All students will be evaluated on a case-by-case basis by the school nurse. The decision to send your child home will be made on an individual basis based on the school nurse's professional judgement. The goal is to keep your child safe and healthy.

ADDRESS/TELEPHONE CHANGES

Changes in your home address or phone number should be reported to the GSES school office (251-968-7375). Any cell phone number change, email address change, or change in your place of employment or

employment phone number should also be reported to the school office so that we will be able to reach you in the event of an emergency. Also update contact information or numbers. At Gulf Shores Elementary School, we cannot release a child to any person who is not on the child's contact information in PowerSchool. Also, all persons who will be picking up a child will be required to show his or her Driver's License or ID before entering the building and/or picking up the child. This is essential also in the event of an early dismissal from school.

CANCELLATION - EARLY DISMISSAL - LATE OPENINGS

School may be cancelled or dismissed early due to weather or other emergency conditions. Students and parents are expected to plan in advance for this possibility and discuss what to do and where to go in this type of situation. The decision to cancel school, open late, or dismiss early will be determined by the school superintendent. We will take whatever measures are necessary to maintain everyone's safety. In that effort, we request that parents help us keep the school lines free by monitoring other sources of information about closings, so that we can make and receive contact from our Board of Education, civil service agencies, etc. A rapid communication system and/or parent email will be activated by the principal or superintendent to notify parents. Please listen and watch for announcements regarding Gulf Shores City Schools. Parents are also encouraged to monitor media outlets such as television and radio stations for announcements. The Gulf Shores City Schools website is frequently updated with important changes. When parents arrive after the superintendent has closed school, normal dismissal rules apply. As always, if the superintendent has not dismissed school, regular checkout procedures apply. See check in/check out procedures. It is very important that you keep us updated of any changes in the contact information and phone numbers so that you will be contacted in the event of a change. If school is dismissed early, travel conditions may deteriorate to the point where it is not safe for students to walk home or make it difficult for parents to come get their child from school. If the situation is judged to be too dangerous, students will be held at school. Staff members will remain at school to ensure the safety of the children. If there is any doubt about safety, we will err on the side of caution and hold the students at school. If administration decides the situation is safe enough, everyday walkers may be released on a case-by-case basis with administrative approval.

CHANGE OF AFTERNOON PLANS

Routines are essential for a safe and timely dismissal. Last minute changes can cause confusion. Establish a consistent dismissal routine with your children. When students know that they always go home a specific way, they are less likely to get confused and more likely to get home safely and on time. If arrangements for your normal afternoon pick-up change, please notify your child's teacher by note or email prior to the day of the change. PLEASE DO NOT CALL THE OFFICE WITH CHANGE OF AFTERNOON PLANS, UNLESS IT IS A TRUE EMERGENCY! These messages are difficult (at times impossible) to get to teachers and students. For safety reasons, the office or the teachers cannot take the word of a student that plans have changed. Unless the front office is officially notified, students will be directed to follow regular procedure. Bus notes: Due to limited room on our buses, students may not ride home with a classmate on the bus (if it is not the same bus he or she usually rides). If there is a family emergency or hardship and your child needs to change transportation plans, please contact Dr. Alicia Early, Principal, Dr. Tim Webb, Assistant Principal, Mrs. Courtney Creel, Assistant Principal for prior approval.

COMMUNICATION

We encourage open, frequent communication between school and home. Regular contact between the home and school helps our children see that both parents and teachers care about them and their progress. Teachers will communicate information regarding homework, curriculum updates, important dates, field trip information and so on. If you have questions or concerns, please communicate with your child's teacher first. A conference may be needed and can be requested by the teacher or the parent. If, after consulting with the teacher, parents continue to have concerns, they may then choose to contact administration. The principal, Dr. Early, Dr. Webb, or Mrs. Creel are always available if you ever have an issue or question. The office number is 251-968-7375. Email addresses: Dr. Alicia Early, aeary@gsboe.org, Dr. Tim Webb, twebb@gsboe.org, or Courtney Creel, ccreel@gsboe.org.

Students will receive a Teacher/Parent communication folder. Please check the folder daily for important information about your child's progress.

Coastal Connection, our parent bulletin, is one of the most important communications sent home by Gulf Shores Elementary School. Please read this bulletin carefully. It contains announcements of meetings, dates of important events, change of dismissal times, and announcements concerning the school. As a general rule, bulletins are sent home once per month. *Coastal Connection* will also be posted on our school website and Facebook page.

Gulf Shores City Schools in collaboration with the Gulf Shores parents, students, and employees have created the following dress code. This is a progressive discipline policy.

ELECTRONIC DEVICE POLICY

Personal wireless communication devices include, but are not limited to, cellular telephones, smart phones, email devices, tablets, or any other electronic communication device. Elementary students may possess a cell phone or other personal, wireless communication device on school property; however, they must be **TURNED OFF** and **STORED** during the school day. The school assumes no responsibility for theft, loss, or damage to any personal, wireless communication device.

Electronic devices shall be subject to search in accordance with applicable state and federal law. Electronic devices will be receipted and surrendered to law enforcement personnel upon request of law enforcement.

STUDENT DIGITAL DEVICE POLICY (STATE TESTING)

Students shall not possess any digital device within the testing room when participating in ACAP testing. The possession of a digital device by students participating in ACAP testing is strictly prohibited during the administration of a test. The **ONLY** exception to this policy is for students who have been pre-approved by the Building Test Coordinator or the Principal to have a digital device that is necessary for the health and/or well-being of the student. If students are in possession of a digital device that is within their reach during the administration of an ACAP test, the device will be confiscated and, if the appropriate administrator determines that there is reasonable suspicion that the device was used to capture, record, or share test information or to facilitate cheating on the test, it may be subject to search pursuant to LEA policy for any information directly related to the ACAP test being administered. Additionally, the student will be dismissed from testing immediately and the test may be invalidated in accordance with ACAP policy. Violation(s) may result in disciplinary action by the LEA in accordance with the LEA's disciplinary policy.

FORGOTTEN ITEMS

During school hours, student items may be dropped off in the office; however, the student will not be notified until there is a break in instructional time. This encourages student responsibility and diminished disrupted class time. While we do understand this presents certain issues when homework, lunches, books, etc. are left at home. Please understand this policy is in place for the benefit of all students and teachers as we keep our school day running smoothly.

HOMEWORK

Homework is an important part of your child's education. Assignments can be located in the communicator, planner, and *Canvas*. Commitment to homework practice oftentimes can make the difference in whether a

student is academically successful or not. To encourage responsibility, students are expected to take the communicator and/or planner home each afternoon. Classrooms will not be unlocked for students after school to retrieve homework assignments.

The following procedures have been established for students to continue to build their reading and mathematical skills while at home.

- Students should read: Grades K-1: 15 minutes per day; Grades 2-3: 20 minutes per day; Grades 4-5: 30 minutes per day.
- Students should practice math facts daily.
- At times, it may be necessary for parts of or complete projects to be done at home versus school.

LOST AND FOUND ITEMS

Many pieces of clothing are left unclaimed. If not claimed before the Winter Holidays, and at the end of the school year, unclaimed items will be donated to charity. If you have lost an item, check the lost and found and claim your belongings. It is a good idea to label all clothing. Ask your child to check the lost and found immediately if an item is lost. Parents may also check the lost and found box for misplaced items.

PHYSICAL EDUCATION

Students are expected to participate in physical education activities daily. If a student is unable to participate, a note from the parent or doctor is requested. Appropriate assignments will be given in place of physical activity. Be sure to speak to the teacher directly if a serious medical problem exists. Also, proper footwear is required to participate. Your child's PE teacher will go over these requirements.

REPORT CARDS

Report cards are sent home every nine weeks. Our report card is designed to present, as nearly as possible, an accurate picture of how your child is progressing. Report cards are sent home with the student for first, second, and third quarter. Fourth quarter report cards will be sent home with students on the last day of school. Anyone not present that day will have to have their report card picked up in the front office.

SPIRIT NIGHT AND SPECIAL SNACKS

Family Spirit nights are held during the school year, and Gulf Shores Elementary receives proceeds from these events. Pizza snack is a special snack sold monthly. Students must turn their money in the day before. Cost is \$2.00 a slice. Parents may pay online for pizza for the entire school year. Students will receive their pizza in the afternoon on the pizza snack day. No refunds are given for absent students. Birthday ice cream can also be purchased for \$28.00 to celebrate birthdays at school. These events are optional. We appreciate your support.

FIELD TRIPS

Students participating in school-sponsored field trips must return written permission forms from parent or guardian along with the designated fee by the deadline indicated. Siblings, or other relatives, are not allowed

to accompany parents who act as chaperones on field trips. All students and chaperones will travel to and from the field trip location via a school or commercial bus unless prior approval is granted by administration. **Guidelines for chaperones may be found below.** Please note that excessive discipline issues may keep a child from attending a field trip.

CHAPERONE GUIDELINES

The following statements are rules regarding chaperones on field trips. Our emphasis is on the safety and well-being of each student. Anyone who does not follow these rules may not be allowed to go on future trips with their children.

- Chaperones are expected to be with the students at all times including transportation by bus.
- Chaperones are to adhere to Gulf Shores City Schools' policy for drug free, smoke free, and weapon free campuses. A field trip is an extension of the school campus.
- Chaperones, other than parents or guardians, must be 21 years of age.
- Chaperones may not bring younger children along with them. This interferes with the ability to chaperone the students.
- Chaperones are urged to use their cell phone minimally as this can distract from chaperone duties.
- Chaperones must have a cleared background check prior to the field trip for long distance field trips.

Field trips are designed and planned for school age children in a particular class or group. Adults (other than the chaperones) or children outside that class or group may not participate.

- Cell phones and electronic devices: Chaperones are expected to provide attention to students in the class or group without distractions or personal responsibilities that could result in a child being harmed or lost. Please use cell phones only for emergencies. It distracts everyone from the purpose of the trip.

EMERGENCY DRILLS

Fire, severe weather, and lockdown drills are practiced regularly. In the case of severe weather, students will be dismissed once administrators receive information that the situation is safe.

SCHOOL SAFETY

Gulf Shores Police School Resource Officers are in our schools to help ensure safety. We also have a schoolwide safety plan in place. All doors are kept locked. Our students know that to maintain security in our buildings, they do not open the doors for visitors or leave doors propped open. The school has a Safety and

Security Plan for emergencies such as fire, bus emergencies, floods, tornadoes, bombs, intruders, structure failures, etc. A crisis team is in place to ensure that a safe course of action is taken during any emergency. Also, students may not remain on campus after regular school hours unless they are involved in teacher supervised activities. Students are not allowed to stay on campus after school unsupervised waiting for sports events, dances, etc.

IPads AND TEXTBOOKS

IPads and textbooks are issued to the students. The student or parent has the responsibility of paying for lost or damaged books, iPads, and/or chargers. The fees for intentional damage are \$100.00 for first occurrence and \$250.00 for subsequent occurrences.

CODE OF CONDUCT

Instruction should occur in an environment that is conducive to learning. Effective instruction requires order and discipline which may be described as the absence of distraction, friction and disturbances which interfere with the effective functioning of the student, class, and school. All students and parents must acknowledge that they have read the GSCS Code of Conduct, which can be found under “Parents” on the school district website at gsboe.org.

Anti-Bullying ~ We will not bully others.

- We will try to help students who are bullied.
- We will try to include students who are left out.
- If we know that somebody is being bullied, we will tell an adult at school or an adult at home.
- Students should report bullying to the adult on duty right when it happens. What is bullying?
- Bullying is repeated, unwanted, aggressive behavior that involves a real or perceived power imbalance.
- Upon completion of a due process investigation, any student(s) found to be guilty of bullying another student(s) will be placed on an anti-bullying contract requiring student, parent, and administrator signatures.

Field Trips and Extracurricular Events

High expectations of GSES student behavior extend off campus when it is a school related event, such as a field trip or sports event. All students are responsible for their own behavior and must remember that their behavior reflects on all of us. All students should respect the rights and property of others and be courteous and kind at all times.

School Wide Policies

We feel that learning can best take place in an atmosphere free from disruptive behavior. Each student must learn to accept responsibility for his or her own behavior with the full awareness of the consequences. We solicit your assistance toward our goal so that each child has a successful experience each day.

We ask that each student show respect for the property of others, no matter how small.

POSITIVE BEHAVIOR INTERVENTIONS & SUPPORTS

Teachers will determine their own classroom rules. However, as a school, GSES uses a Multi-Tiered System of Supports (MTSS) and will follow the guiding principles of Positive Behavior Interventions and Supports (PBIS) as a schoolwide approach to behavior management and discipline. PBIS uses increasing levels of support for students. This is similar to other tiered approaches like response to intervention (RTI).

GSES PBIS Guiding Principles:

- Our students can learn behavior expectations for different situations.
- We will teach expected behaviors through explicit instruction, with opportunities for students to practice behavior and get feedback.
- Stepping in early can prevent more serious behavior problems.

- Each student is different, so we need to give many kinds of behavior support.
- How we teach behavior should be based on research and science.
- Tracking our students' behavior progress is important.
- We will gather and use data to make decisions about behavior interventions.
- Our staff members will be consistent in how they encourage expected behavior and discourage misbehavior.

GSES will utilize three tiers of PBIS support:

-Tier 1: Universal, schoolwide system for everyone. All students at the GSES will learn basic behavior expectations, like respect and kindness. Our staff will recognize and praise students for good behavior. Small rewards, like tokens or prizes, may be used to recognize kids. Positive Office Referrals will be used.

-Tier 2: Extra, targeted support for struggling students. Some kids have a harder time with behavior expectations. GSES will give these kids evidence-based interventions and instruction.

-Tier 3: Intensive support for individual students. Our third tier of PBIS is the most intensive. It's for students who need individualized support and services because of ongoing behavioral concerns.

DISCIPLINE

Violations are grouped into three classifications:

- Class I –minor
- Class II –intermediate
- Class III -major.

School administrators will determine the classification, if any, after speaking with the student and school personnel. Students are entitled to due process. The full student Code of Conduct outlines the offenses and disciplinary actions. Please refer to the Gulf Shores City Schools Code of Conduct found on gsboe.org.

Violations apply to student conduct on a school campus, at a school related event, while being transported by bus to or from school or school related events, or off-campus misconduct that has a direct effect on good order and general welfare of the school.

Changes in transportation should not be made after 12:00 noon and will require a hand-written note from the parent/guardian. Parents should avoid making frequent changes in how a student departs from school. Only extenuating circumstances will be acknowledged. Consistency in transportation methods is expected.

If you are a parent of a Pre-K student, your child's teacher will discuss and review drop off and pick-up procedures with you. Transportation forms need to be completed at Meet the Teacher if in attendance.

CAR TRANSPORTATION

An important and difficult responsibility of school personnel is safely loading and unloading students. Please be patient and cooperative during arrival and departure times. Please use the designated area for all car riders. Students will be directed to load and unload by school personnel. Please use this designated area only for car riders. All students being dropped off must go through the car line. Students may not be dropped off at the front entrance. Transportation forms should be completed for each student on the first day of attendance. If transportation changes are necessary, teachers should be notified in writing; otherwise, students will be transported as originally stated on the form. Students will receive an official car rider decal prior to or the first week of school. The car rider decal will need to be placed in the front windshield of the parent's automobile and will identify the student at the pick-up area. If you do not have your car rider decal, you will need to *report to* the front office to pick up your child with proper identification. Written permission from the parent is required for a student to ride a bus that is not assigned to him/her and that note should be sent directly to the front office. The student must have an administrator's approval prior to boarding the bus. Only in extenuating services will this be allowed as all students should be picked up and dropped off at their 911 addresses.

Students transported by Gulf Shores City Schools Board of Education buses are under jurisdiction of school officials at all times. Proper conduct while on buses is required in order that the safety and welfare of others will not be endangered. Riding the school bus is a privilege, not a right. Students with unacceptable behavior may be suspended from riding the bus, or from school, by administration.
