Academic Instruction

Elevate supports and enriches the knowledge of teachers, as they have the primary and most consistent contact with students. All core instruction includes the following:

- Personalized Instruction Profile (PIP) for each student
- High quality research-based curriculum for all students
- Differentiated instruction
- Assessment compared to grade level benchmarks
- Progress monitoring of ongoing student growth and performance
- Integration of enrichment and remediation technology tools
- After school teacher Access hours for student help

Tier 1

Elevate guides and supports classroom intervention provided by teachers. Tier 1 instruction adds the following support:

- Specific classroom based intervention
- Progress monitoring of intervention and ongoing student growth and performance
- Integration of enrichment and remediation technology tools

Tier 2

Elevate provides intervention for students with a higher level of need. Tier 2 instruction adds the following support:

- Small group, evidence-based targeted intervention
- Personalized accommodations implemented in small group sessions with specialist
- Weekly progress monitoring to reach academic, social emotional, and behavioral goals
- Support in and out of the classroom

Tier 3

Students who qualify for intensive support are connected with industry specialists who can provide individualized and intensive 1:1 intervention. Elevate offers these additional Tier 3 supports:

- Partnership with academic and developmental specialists to provide 1:1 support during school hours*
- Consistent progress monitoring to meet established academic, social emotional or behavior goals
- Accommodation Plan for students with a diagnosed academic, social emotional or behavior need

*Psycho-educational evaluations required for Tier 3 level of support.

Additional tuition or fees may apply.
