ASSET PRESERVATION PROGRAM

POLICY:

In order to assure state funding for facilities constructed new or new in lieu after 1994, the Board of Directors will adopt an Asset Preservation Program (APP). The APP will preserve the district facilities by employing a system of predictive, preventative, and proactive processes. Annually, the Superintendent will report to the Board on the condition of the facilities and the effectiveness of the APP. Every sixth year an independent assessment will be conducted and reported to the Board and the Office of Superintendent of Public Instruction.
